Supporting Information

1. Background

- 1.1 The Forward Plan attempts to cover all decisions, not just those made by the Executive, which the Authority intends to make over the next 4 months. The Forward Plan, attached as Appendix 6, also shows the decision path of each item so far including Council, Executive and Select Committees.
- 1.2 As part of the continuing development of the Forward Plan we have now incorporated all Plans and Policies which are required to be approved by the Council under the Constitution. These items have been linked to the appropriate meetings of the Executive and Select Committees. Items which now fall under the extended individual Portfolio Member decision making protocol, agreed by Council on 17 December 2002, have also been included.
- 1.3 As agreed previously a four month version of the Forward Plan will be included in Executive agendas and a full 12 month Plan will be held in the Members' Room and can be made available to Members on request.
