Notice of Meeting

Resource Management Select Committee

Monday, 13th September, 2010 at 6.30 pm

in Committee Room 1 Council Offices Market Street Newbury

Date of despatch of Agenda: Friday, 3 September 2010

For further information about this Agenda, or to inspect any background documents referred to in Part I reports, please contact Stephen Chard on (01635) 519462 e-mail: schard@westberks.gov.uk

Agenda - Resource Management Select Committee to be held on Monday, 13 September 2010 (continued)

Further information and Minutes are also available on the Council's website at www.westberks.gov.uk

Agenda - Resource Management Select Committee to be held on Monday, 13 September 2010 (continued)

To: Councillors Jeff Brooks (Chairman), Richard Crumly, Dave Goff,

David Holtby, David Rendel and Laszlo Zverko (Vice-Chairman)

Substitutes: Councillors Jeff Beck, Tony Linden, Keith Lock and Julian Swift-Hook

Agenda

Part I Page No.

5. **Procurement processes**

1 - 114

Purpose: To continue work to review procurement processes in place across the Council.

Andy Day Head of Policy and Communication

West Berkshire Council is committed to equality of opportunity. We will treat everyone with respect, regardless of race, disability, gender, age, religion or sexual orientation.

If you require this information in a different format, such as audio tape, or in another language, please ask an English speaker to contact Moira Fraser on telephone (01635) 519045, who will be able to help.

Agenda Item 5.

Title of Report: Procurement Processes

Report to be considered by:

Resource Management Select Committee

Date of Meeting: 13 September 2010

Purpose of Report: To outline best practice for carrying out procurement

within the Council and to provide an update on progress with the audit to be carried out by Improvement and Efficiency South East (IESE).

Recommended Action: To note the contents of the report.

Contact Officer Details	
Name:	Mike Sullivan
Job Title:	Contracts & Procurement Officer
Tel. No.:	01635 519415
E-mail Address:	msullivan@westberks.gov.uk

Executive Report

1. Introduction

- 1.1 At the previous meeting of the Resource Management Select Committee,
 Procurement Officers were requested to return to this meeting to outline best
 practice for carrying out procurement within West Berkshire Council and to provide
 an update on the external audit of the procurement function within the Council by
 IESE.
- 1.2 In addition, the Corporate Contracts and Procurement Unit were tasked to provide the following information to aid discussions:
 - The approximate number of contracts being agreed on a monthly basis for the different threshold levels, separated between utilities and service funds
 - The sign off process for the different threshold levels
 - The details of the IESE audit
 - List of Small and Medium sized Enterprises registered on the Council's procurement portal

2. Recommendation

2.1 Members are asked to note the information provided.

- 1. For the purposes of this report, Procurement is defined as the full range of activities related to purchasing goods, services and works. Procurement can range from contracting for an entire service to purchasing small assets such as office equipment. The procurement process does not end at the commissioning or contract award stage, but spans the entire life cycle of the product or service from inception and design through to contract management and disposal of any redundant assets. The one-off purchasing of low-value goods where the requirement is for immediate need does not fall within the remit of this report.
- 2. The Corporate Contracts and Procurement Unit works within the rules outlined within the Contract Rules of Procedure (Part 12 of the Constitution) which was updated in January 2010, and the Public Contracts Regulations 2006 which was transposed within UK Law on 31st January 2006, and the Public Contracts Regulations (Amendment) 2009. A copy of the Contract Rules of Procedure are attached as Appendix A.
- 3. Within the Contract Rules of Procedure (CRoP), there is clear guidance on meeting the requirements of UK and European Law relating to procurement matters. In particular, paragraphs 12.5.4 to 12.5.6 specifically state the financial thresholds and the procurement processes that apply to each threshold, and responsibility for all procurements rest with Heads of Service, or their delegated Officers, to ensure that the correct process is followed.
- 4. In addition, for all procurements with a total contract value in excess of £50,000 Members of the Council are required to be involved in the process and must follow the current protocol for member involvement, a copy of which is attached as Appendix B.
- 5. In light of the content of the CRoP for procurements valued in excess of £50,000 the Corporate Contracts and Procurement Unit proposes that these processes remain in place and unaltered.
- 6. For procurements valued below £50k, Service Areas are being encouraged to use the Quick Quote facility on the Council's procurement portal. Service Areas may invite a minimum of 3 suppliers to quote for Council contracts against those suppliers that have registered against specific sectors listed on the Supplier side of the Portal. This facility has been taken up with enthusiasm from Property Services, and in the recent edition of Reporter (August 2010), details of this service was highlighted. A copy of this article is attached at Appendix C.
- 7. For contracts valued below £10k, the current guidance in the CRoP (paragraph 12.5.4) allows for telephone quotes, without inviting written quotations, although the Head of Service or delegated Officer must maintain written records of telephone quotations.
- 8. It is recommended that for all procurements (as opposed to all purchasing) that the use of the Quick Quote facility on the Council's Procurement Portal be used for <u>all procurements</u> below £50,000 in total value. A copy of the manual for use of the Quick Quote facility is attached at Appendix D. Appropriate training for the

use of Quick Quote will be made available by the Corporate Contracts and Procurement Unit.

Sign Off Process for the Different Threshold Levels

- 9. Using the current Agresso accounting system, a requisition is raised by one member of staff (the Requisitioner), and authorised by the Budget Holder (the Authoriser). It should be noted that these duties are separated, so that a requisitioner cannot authorise a Purchase Order, while an authoriser cannot raise a requisition or an invoice. For information, budget managers are cleared to authorise expenditure up to £50,000; Service Managers are cleared to authorise expenditure up to £100,000.
- 10. It is to be noted that in accordance with the CRoP, it is the Heads of Service that are responsible for ensuring that the guidance is followed. Consequently, they are responsible for ensuring that the correct permissions are in place to allow relevant staff to raise new supplier requests, and to ensure that the authorities are in place to appoint appropriate requisitioners and authorisers. These permissions are raised via the Agresso Tech Team in the Council's Finance department.

IESE Audit

At the time of the previous meeting of the Select Committee, the Corporate 11. Contracts and Procurement Unit were pulling together a range of information for the IESE to commence its audit of the Procurement function at West Berkshire Council. IESE will be meeting with Council Officers at the end of September 2010 to discuss issues relating to carrying out the audit, but at this moment, no actual audit work has commenced. Attached at Appendix G is a summary of the Procurement Assessment which IESE plans to carry out, and the requested information has been forwarded to it.

Companies Registered on West Berkshire Council's Procurement Portal

12. At the time of writing this report, there are over 1600 companies registered against the various categories listed on the portal. These categories are as follows, and under those categories are a further range of sub-categories:

Audio Visual	Catering	Cleaning	Clothing	Communications	Computing
Construction	Education	Energy	Environment	Finance	Furniture
Healthcare	Human Resources	Industrial	Laboratory	Management Consultancy	Marketing
Miscellaneous	Office Supplies	Plant & Machinery	Printing	Security	Transport

- A list of companies currently registered on the Portal are listed at Appendix E. It 13. should be noted that the companies registered are a mixture of SME's and larger organisations. This information is not currently in the public domain, but there is no reason not to publish this if requested.
- 14. At Appendix F are listed the contract notices published via the Procurement portal during the period August 2009 to August 2010. To summarise the

information, the numbers of contract opportunities issued via the Procurement portal are as follows:

- Quick Quote (£10k £50k): 44
- Above £50k and below OJEU Threshold and/or are Part B services:
 27
- Above OJEU Threshold: 2
- 15. In addition to those contracts listed at Appendix F, the Council has also issued a total of 6,873 Purchase Orders during the period April 2010 July 2010, as follows:
 - April 1,160
 - May 1,532
 - June 2,056
 - July 2,125
- 16. Out of the above, the number of Purchase Orders issued for purchases below the value of £10,000 for the same period are as follows:
 - April 1,088
 - May 1,483
 - June 1,971
 - July 1,976

Utilities

- 17. It is to be noted that in respect of the utility services provided to West Berkshire Council, service areas raise purchase orders upon receipt of invoices submitted by Thames Water.
- 18. With regard to the provision of gas and electricity utilities to the Council, these are paid via direct debit from the Council's finance department, and then recharged to the appropriate service areas. These utilities are provided under a Buying Solutions framework, which all six unitary authorities in Berkshire utilise.

12.1 Introduction

12.1.1 Application of Rules of Procedure

Subject to any specific provisions to the contrary, these Rules apply in every case where the Council enters into an agreement with another person for the supply of goods, materials or services to, or the execution of work for, the Council. These regulations apply equally to tenders and quotations.

12.1.2 Section 135 of the Local Government Act 1972

These Contract Rules of Procedure are made under the provisions of Section 135 of the Local Government Act 1972 and govern the making of contracts for and on behalf of the Council. They include provision for competition, and regulate the manner in which tenders are invited.

12.1.3 Statutes

The statutes and statutory instruments that currently affect these Regulations are as follows:

- Local Government Act 1972;
- Local Government Act 1988;
- Education Reform Act 1988;
- Local Government and Housing Act 1989;
- Environmental Protection Act 1990;
- Local Government Act 1992:
- Local Government Act 1999;
- Local Government Act 2000;
- The Public Contracts Regulations 2006.
- The Public Contracts (Amendment) Regulations 2009

12.1.4 Amendments

Any amendments to the above or new legislation will be deemed to be included in these Rules without the need for a specific reference here.

12.1.5 Purpose of Rules

These Contract Rules of Procedure apply to all Officers and Teachers involved in the letting of orders or contracts for works, services and supplies for the Council, whether funded from Revenue or Capital Sources. They provide a basis for true and fair competition by providing a transparent and auditable procedure which, if followed, will give confidence that a fully accountable and unimpeachable contract regime exists within the Council.

These Contract Rules of Procedure have been designed to reduce the volume of work and the need to report to the Executive on contract matters. However, this only works if Members and the District Auditor can be confident that robust procedures and controls exist for the invitation, evaluation, acceptance, managing and monitoring of contracts throughout the Council.

12.1.6 Protection of the Council's Legal Position

These Contract Rules of Procedure protect the legal position of the Council in respect of compliance with EU and UK law and in its contractual dealings with external suppliers and contractors. They protect the interests of Members, Officers and the Citizens of West Berkshire. The Head of Legal and Electoral Services shall have ultimate responsibility for ruling on and interpreting these Contract Rules of Procedure.

12.1.7 Seeking Advice

Officers who may be letting a contract must seek appropriate advice at the earliest possible opportunity. The Head of Legal and Electoral Services, Head of Finance or such officers as nominated by them shall advise on the procurement strategy and contractual arrangements.

12.1.8 The Council

In these Contract Rules of Procedure the expression "the Council" shall be deemed to include reference to the Executive, Select Committees, Overview and Scrutiny Management Commission, or Regulatory Committees or any person or persons acting in accordance with delegated authority on behalf of the Council. The expression "the appropriate Committee" shall mean the Executive, Select Committees, Overview and Scrutiny Management Commission or Regulatory Committees responsible for the contract concerned.

12.1.9 Sustainable Sources

Goods or services which are known to be, or where there is strong evidence to believe they could be, harmful to the environment and where there are other adequate options, will not be used. Wherever practical, only materials from sustainable sources will be used. Heads of Service must ensure that all procurement exercises over £50k and any procurement exercises below this value that have a significant impact on the Council's sustainability must undergo a sustainability impact assessment as part of the project appraisal (see 12.1.8)

Officers should make themselves aware of the Council's Sustainable Procurement Policy and any guidance notes. For advice about the application of this policy or about sustainable products officers should contact the Contract and Procurement Unit.

12.1.10 Monitoring Officer

The Council has designated that the Head of Legal and Electoral Services be the Monitoring Officer.

12.1.11 Particularly Complex Contracts

Where the Council is considering embarking upon a particularly complex contract and that involves using competitive dialogue or such other procedures as permitted by law it shall be the duty of the responsible Head of Service to consult with the Head of Legal & Electoral Services to ensure that such negotiations are authorised by law and by these Contract Rules of Procedure and are from the outset conducted by a team of Officers possessing the professional skills appropriate to the proposed transaction

12.1.12 Preparation of Contract Specification

The Head of Service letting the Contract shall ensure that the appropriate technical specification is prepared. This should clearly set out the works, services and supplies which are required by the Council and the manner in which they are to be provided.

The Head of Service must obtain and make full use of all the necessary professional and technical resources to ensure accurate and comprehensive documents are prepared.

12.1.13 Provision of Appropriate Expenditure

A tender must not be invited unless appropriate provision for the expenditure has been included in the Council's approved capital or revenue budget for the year in which the expenditure is to be incurred (or in budgets approved in draft for the next financial year by the Executive where the expenditure is to be incurred in that year) or unless the alternative financial provision is made by the Council under Financial Regulations. The budget must cover all preliminary and ancillary costs (which should include annual maintenance costs) and should be in the Budget and Policy Framework approved by Council and should be contained in the appropriate Forward Plan.

12.1.14 Failure to Comply with Rules

Failure to comply with these Contract Rules of Procedure by Officers will be viewed by the Council as a breach of the Officers Code of Conduct contained in Part 14 (Codes and Protocols) of this Constitution and may be considered a disciplinary matter.

12.1.15 Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE)

All Heads of Service should consult with the Head of Legal and Electoral Services, the Head of Human Resources and the Head of Finance or nominated Officer before any contract is entered into which affects the employment of the Council's staff or the potential transfer of staff to the Council. Statutory periods of consultation

(which must be complied with) apply to **all** contracts affected by TUPE.

12.1.16 Claim Arising from a Contract

Any claim arising from a contract, that is not clearly within the terms of the contract, must be referred to the Head of Legal and Electoral Services for consideration of the Council's legal liability and to the Head of Finance or nominated Officer for financial consideration before any settlement is reached. It is also a reportable event within the scope of the Financial Rules of Procedure and must be reported accordingly. "Claim" here does not mean a variation to the contract that is within budget.

12.1.17 Potential for Loss

Financial values are irrelevant when considering potential loss to the Council. Heads of Service need to look at potential for loss. The maximum foreseeable loss must be established by a Risk Assessment and an Indemnity must be sought for that (subject to a £5 million indemnity being the minimum acceptable).

12.1.18 Project Appraisal

In keeping with good procurement practice project options appraisals and business case shall be carried out as follows:

- Contract value less than £50,000 optional except where the project has a significant sustainability or equalities impact.
- Contract value greater than £50,000 and less than EU threshold – recommended.
- Contracts value exceeding EU threshold mandatory.

Project appraisals form part of the project strategy and gateway process. Further explanation on how this operates can be obtained from the Contracts & Procurement Unit. (A fact sheet on how to carry out a project appraisal and what is expected is available from Finance).

12.1.19 Equality in Procurement

The Council must procure goods, services and works in a fair and transparent way treating all suppliers in an equal way. The Council must also take all reasonable steps to ensure that goods services and works that we buy must not cause offence or discrimination.

Heads of Service must ensure that all procurement exercises over £50k and any procurement exercises below this value that have a significant impact on the Council's Equality Duty must undergo an Equality Impact Assessment as part of the project appraisal (see 12.1.8)

12.1.20 Financial Leases

Financial leases are leases which need to be accounted for in the Council's Balance Sheet. When an officer wishes to enter into a

Financial Lease that effectively creates a Council asset permission must be sought in advance from the Head of Finance.

12.2 Compliance with the Constitution

12.2.1 Compliance with Rules

These rules consolidate all matters relating to contracts. Every order or contract made on or on behalf of the Council by an Officer of the Council, relating to either income or expenditure, must comply with these Contract Rules of Procedure.

12.2.2 Legislation

The Contract Rules of Procedure shall be subject to Directives 2004/18EC and any other procedures which may apply by reason of the United Kingdom's membership of the European Union (EU). The extensive provisions of EU and UK legislation, especially the EU Public Procurement Directives, the Local Government Planning and Land Act 1980, the Local Government Act 1988 and associated Regulations, the Local Government Act 1999 and other relevant legislation e.g. Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) apply to many of the contracts placed by the Council and must be complied with. EU and UK legislation will always take precedence over these rules.

12.2.3 Formal Exemption

The Council can formally exempt itself from any of these rules (Rule 12.8 (Exceptions to Contract Rules of Procedure refers). However, it may not exempt itself from statutory requirements (for example the Public Contract Regulations referred to in Rule 12.1.3 (Statutes)).

12.2.4 Non-Disaggregation of Contracts

Contracts must not be disaggregated in order to avoid these Contract Rules of Procedure or EU Directives. The contract value shall be the total cost of the supply, service or work to be procured over the contract term. Care must be taken that this does not breach the aggregation rules of the EU Directives.

12.2.5 Maintenance of Records

Adequate records must be maintained by all staff, consultants and agents to demonstrate that the provisions of these Rules and relevant legislation have been complied with.

12.3 European Procurement Rules

12.3.1 Seeking Advice

Advice must always be taken from Head of Finance and the Head of Legal and Electoral Services or such officers as nominated by them Officer in respect of:applicability of the regulations to tendering;

- producing and advertising EU tender notices for publication in OJEU ("the Official Journal of the European Union");
- preparing tender documents;
- award criteria for tender selection;
- evaluation process and debriefing;
- Notification of the decision.

12.3.2 Public Procurement Regulations

The procedures for the award of public works, public supply and public services contracts have been incorporated into The Public Contracts Regulations 2006 and the Public Contracts (Amendment) Regulations 2009 and cover the following categories of procurement:

Public Supply Contracts

The procurement of goods by purchase, lease, hire, or rental. Also see 12.1.20 Financial Leases.

Public Works Contracts

Contracts for the execution of works relating to building or civil engineering activities.

Public Service Contracts

All contracts which are not covered by the Public Supply or Public Works Contracts or which are pure Service Contracts. Services under this regulation are classed as either Part A or Part B. The regulations apply in their entirety to Part A services, and only in part to Part B services. If a contract is for both supplies and for services it will be a Supply Contract if the value of supplies is greater than that for services, and a Service Contract if the consideration for the services is greater than the value of the supplies. Further clarification on this can be obtained from the Contracts & Procurement Unit.

The categories have a different threshold value above which the regulations apply. These thresholds are re-valued every two years and published in the Official Journal. The current value can be obtained from Head of Finance or nominated Officer or from the Office of Government and Commerce (OGC) website at www.ogc.gov.uk. The threshold values for 2009/10 were £156,442 for goods and services and £3,927,260 for works contracts.

12.3.3 Public Procurement Regulations – Advertising of Procurements

The Public Contracts Regulations 2006 require that all contracts that are over the EU thresholds and subject to the full application of EU procurement rules to be advertised in the Official Journal of the European Union.

However under the EU Treaty principles where the contract is of potential cross border interest then it must be publicised to ensure that providers from other member states have an opportunity to participate and the process is conducted in a fair and transparent manner.

Consideration should also be given to placing adverts in appropriate media e.g. the Council's website, trade publications and local press.

All adverts for the Council website shall be posted by the Contracts & Procurement Unit who will collate and feed back expressions of interest to the sponsoring service unit.

No advert may be placed in any advertising medium prior to the despatch of any advert to be placed in the European Journal (this only applies to contracts for which advertisement in the Official Journal of the European Union is obligatory). Adverts or notices in the Official Journal of European Union will be placed electronically by the Contracts & Procurement Unit. All public notices and advertisements issued by the Council in respect of procurement shall be approved by the Contracts & Procurement Unit who will maintain a register of all advertisements placed.

Furthermore the advertisement to be placed in any UK trade magazine or journal may not contain more detail than the advertisement in the European Journal.

12.3.4 Public Procurement Regulations - Process Requirements

- (a) Estimates of contract value are net of VAT.
- (b) Aggregation rules apply so that a series of contracts for works of a similar character or services of the same type should be aggregated across the whole Council. Care must be taken that this does not breach the aggregation rules of the EU Directives. Guidance must be sought on the aggregation rules from the Head of Legal and Electoral Services. See also 12.2.4.
- (c) Although there are a number of procedures available under the EU procurement regulations, in all circumstances the Restricted Procedure shall be used unless approval is obtained from the Head of Finance and/or the Head of Legal and Electoral Services or such Officer as nominated by them. The Restricted Procedure is effectively "selective" tendering as prospective tenderers who express an interest in tendering are "screened" before being invited to tender. The Restricted Procedure requires not less than five (provided there are five suitably qualified tenderers) tenderers be invited to tender.
- (d) The Regulations cover the financial, technical, and economic qualifications, which should be taken into account in selecting

those tenderers who will be invited to tender. Officers must be very careful not to impose conditions which could be considered anti-competitive and that a European tenderer could not satisfy, for example, a condition that the tenderer must have a local office or prior inclusion on the Approved Supplier database.

- (e) Officers are reminded that, in tender documentation, wherever appropriate, a contact shall require a minimum standard compliance with British Standard Specification of British Standard Code of Practice issued by the British Standards Institution or Public Authority Standard. European equivalent standard must also be quoted and if there is no equivalent European standard then the words must be added "or other equivalent European standard will be accepted" or International standard recognised in another Member State. All contracts, so far as is practicable, shall require that goods and materials used in their execution shall have been produced in the UK, British Commonwealth or the European Community or any other Country having reciprocal trading agreements with the European Community. Council cannot reject an offer from a contractor on the basis that materials, goods or services offered do not comply with any standards set out in the tender documents if the contractor can prove to the Council that what they are proposing will satisfy the requirements of the technical specification in an equivalent manner.
- (f) The practice of nominating suppliers, sub-contractors or consultants in technical specifications must be justified by the subject of the contract and accompanied by the words "or equivalent". Approval for the use of this method must first be sought from the Head of Finance or nominated Officer and the Head of Legal and Electoral Services or nominated Officer.
- (g) The basis of award will be either 'lowest price' or 'the most economically advantageous tender'. The basis of the award must be set out in the Official Journal of European Union notice. Where the most economically advantageous tender is the basis of the award then the criteria, which will be used to assess, must be set out either in the Official Journal of European Union or the tender documentation. Please refer to 12.7.6
- (h) It is essential that Officers allow sufficient time for replies and vetting of tenders and evaluation of tenders. The procurement regulations provide minimum time periods which will also need to be built into the procurement programme. Timescales for the Restricted Procedure are the time between:

- (i) the advert in the European Journal and the return of expressions of interest (30 days or 37 days depending on the method of dispatch); and
- (ii) the sending out of the invitation to tender and its return (40 days).

These timescales can be reduced if a Prior Information Notice (PIN) has been issued (see 12.3.6), the OJEU is sent electronically, or the tender documents are available electronically. If you propose alternative timescales and alternative procedures please consult with the Head of Finance or Head of Legal & Electoral Service or such officer as nominated by them.

- (i) When expressions of interest are returned the Officers involved in the tendering exercise will have to leave sufficient time to analyse replies with regard to financial requirements and other technical and economic qualifications for selection. It is also important to ensure that the Officers who need to be involved in analysing the tenders are made aware of the timetable for the letting of the contract as early in the process as possible.
- (j) Where a contract that has been advertised is then let, the Head of Service concerned must ensure that a "Contract Award Notice" is sent to the European Journal within prescribed timescales of the date of award of the contract. The Contracts & Procurement Unit must be notified when a contract award has been made and will send a 'Contract Award Notice' to the OJEU electronically. There are notification requirement under the Public Contracts (Amendment) Regulations both to the successful and the unsuccessful tenderers. There are also "standstill" period requirements under the Regulations. Please seek further advice and guidance from the Head of Legal and Electoral Services or their nominated Officer.
- (k) Where presentations or interviews are to be used as part of the evaluation procedure for tenders this must be communicated to tenderers within the tender documents. Presentations and interviews should not be used to moderate the entire tender scores. Those officers, members and other stakeholders evaluating the interview or presentation should be informed that they are not selecting the supplier but are only marking that particular element of the tender. Evaluation Guidance and a presentation checklist are available from the Corporate Contract and Procurement Unit.

12.3.5 Procurement Regulations – Procurement techniques

The Procurement Regulations provide for the following procurement techniques:

- Electronic Auctions a repetitive process involving an electronic device for the presentation of new prices once tenders have been evaluated.
- Dynamic Purchasing Systems an electronic framework agreement where indicative bids to enter into the framework can be made at any time and which call-off is subject to a competitive tender.
- Framework agreements is an agreement or other arrangement between one or more contracting authorities and one or more economic operator (e.g. providers) which established terms (in particular the terms as to price and where appropriate, quantity) under which economic operators will enter into one or more contracts with a contracting authority in the period during which the framework applies.
- The Contracts & Procurement Unit will determine the use of these techniques in any procurement process.
- There are four main competitive procurement procedures under the Regulations:
- Restricted Procedure
- Open Procedure
- Competitive Dialogue
- Negotiated Procedure
- in all circumstances Restricted Procedure shall be used unless approval is sought from the Head of Legal & Electoral Services.

12.3.6 Prior Information Notice (PIN)

Prior to the commencement of each financial year, Heads of Service are required to examine projected expenditure for all new significant procurements (including any with an anticipated contract value more than £50,000) for the forthcoming year.

Heads of Service must provide a procurement programme (indicating contract values) to the Head of Finance or nominated Officer by the end of March this is also required by the 'Protocol for Member Involvement in Procurements over £50,000'. The Head of Finance or nominated Officer may decide that a "Prior Information Notice" (PIN) should be published in the European Journal for the year ahead for the whole Council for all relevant categories which exceed the EU thresholds as per Rule 12.3.2.

12.4 Prevention of Corruption

12.4.1 **General**

The public is entitled to demand of Local Government Officers conduct of the highest standard. Public confidence in their

integrity would be undermined were the least suspicion, however ill-founded, to arise that they could in any way be influenced by improper motives.

12.4.2 Member or Officer Interests

Where a Member or Officer of the Council has a personal or prejudicial interest, financial or otherwise in a contract or proposed contract, and is also involved in the process of letting or managing of that contract, this interest must be registered with the Monitoring Officer. In the case of a Member the interest must also be declared at the meeting of any committee, sub - committee or project board at which the Member is present and at which the contract or proposed contract is discussed. If the interest is prejudicial and the Member should leave the meeting and take no part in any discussions or seek to influence any decision.

In the case of ownership of shares Members should seek advice from the Head of Legal and Electoral Services as to the current level of share ownership accepted by the Standards Board as being *de minimus* for the purposes of declarations of interest.

12.4.3 Statutory Provisions

The following statutory provisions govern contracts and other matters:

- The obligations of elected Members to disclose interests in contracts and other matters and to refrain from speaking or voting thereon which are prescribed by Sections 94 to 98 and 105 of the Local Government Act 1972 and Section 19 of the Local Government and Housing Act 1989.
- The duty of Officers to disclose interests in contracts as required by Section 117 of the Local Government Act 1972.
- Section 117 also requires that "an Officer shall not, under cover of her/his office or employment, accept any fee or reward whatsoever other than her/his proper remuneration."
- An Officer who contravenes the provisions of Section 117 shall be liable on summary conviction to a fine and additionally will be the subject of disciplinary proceedings by the Council.
- The duty of Members and Officers to adhere to the Codes of Conduct contained in Part 14 (Codes and Protocols) of this Constitution.

12.5 Tendering - General Principles

12.5.1 Preliminaries

It is the responsibility of the Chief Executive, Corporate Directors and the Head of Service to ensure all purchases of goods and services and works comply with

- (a) legal requirements;
- (b) EU Directives
- (c) the Council Financial Rules of Procedure
- (d) any code, guidance or conditions approved by the Governance & Audit Committee, the Executive or the Council to the exercises of powers delegated by them.

12.5.2 Authority

All transactions must fall within the powers delegated to the Chief Executive or Corporate Director or the Head of Service or must have been approved by a decision (in accordance with the Council's Constitution) of the Executive, an authorised Member of the Executive, the Council or one of its committees or subcommittees.

No contract, agreement or other document shall be signed or sealed unless it gives effect to:

- (a) a decision or resolution (in accordance with the Council's Constitution) of the Executive, an authorised Member of the Executive or one of its committees or sub committees; or
- (b) a decision by an officer exercising delegated powers.
- (c) 12.1.13.provisions have been adhered to.

12.5.3 Contract Thresholds

There are four thresholds to be followed when letting an order or a contract depending on the estimated contract value. Detailed procedure notes are available from Head of Finance or nominated Officer. Contracts must not be disaggregated in order to avoid thresholds. Contract thresholds shall be based on the **TOTAL** value of the contract. For example a three-year contract of £50,000 per year is valued at £150,000. In circumstances where the aggregation of annual values is not required to comply with EU or UK legislation the Head of Finance or nominated Officer can approve that the annual value shall apply for threshold classification.

It is the responsibility of the Head of Service to ensure that the Council is receiving best value for money in accordance with the duty imposed under Section 3 of the Local Government Act 1999.

12.5.4 Threshold 1 - Contract Values

Less than £10,000 for single, non-repetitive orders ONLY – telephone quotes acceptable.

The Head of Service or their delegated Officers may place non-repetitive orders under the value of £10,000 for works, goods and services, without inviting written quotations. The Head of Service or their delegated Officers must maintain written records of telephone quotations.

12.5.5 Threshold 2 - Contract Values

Between £10,000 and £49,999 – written quotations required.

The Head of Service or their delegated Officers must obtain a minimum of three written quotations must be sought from appropriate sources.

12.5.6 Threshold 3 - Contract Values

Between £50,000 and EU threshold.

These must be let as a competitive tender with Member involvement and advertised or taken from the appropriate Select List. A minimum of five tenders are to be invited.

The Head of Service or their delegated Officers are responsible for ensuring that the Tender Procedure is followed. Approval is required for Revenue and Capital projects in accordance with Rule 11.8 contained in the Financial Rules of Procedure.

[Additionally, Members of the Council involved in the competitive tender must follow the current protocol for member involvement in procurement in contracts valued over £50,000, available from the Contracts & Procurement Unit.]

12.5.7 Threshold 4 – Contracts over EU Threshold

These must be let as a competitive tender in accordance with EU Regulations. Please note statutory timetable and the need to consult with the Contracts & Procurement Unit who will ensure that tenders are invited in full compliance with Tender Procedures and EU Public Procurement Law and UK legislation.

The Head of Service or their delegated Officers must consult with the Head of Finance or nominated Officer.

[Additionally, Members of the Council involved in the competitive tender must follow the current protocol for member involvement in procurement in contracts valued over £50,000, available from the Contracts & Procurement Unit.]

12.5.8 Invitation to Tender

For contracts of £50,000 and over, tenderers must be selected from the response to a public notice or advertisement .

12.6 Tendering Procedures

12.6.1 Introduction

The rules set out here apply to all contracts with a value of more than £50,000 (Threshold 3 and above).

12.6.2 Instructions to Tenderers

The Head of Service must ensure that the tendering instructions specified in this regulation are issued to every person invited to tender, or who requests tender documents.

Every tender sum must be calculated by reference to the specification and any departure from the tender document or tender which is submitted subject to any unacceptable reservation, qualification or condition by the person submitting them may be treated as grounds for disregarding the tender.

The date, time and place for the receipt of tenders must be specified. State the day of the week as well as the date. This is a good check to ensure you are requesting the return of the tender on a day the Council offices are open.

Tenders must be submitted on a form of tender prepared and supplied by the Council.

Tenders received after the date and time specified for receipt will be disregarded unless the Head of Legal & Electoral Services considers the circumstances to be exceptional.

Any other departure from these regulations may lead to the tender being disregarded.

The Council does not bind itself to accept the lowest or any tender, or to accept any tender in full.

Tenders must be submitted in a plain sealed envelope bearing details of the subject of the tender, and the date and time and place for its receipt, but no other name or mark which does or may identify the sender. It is essential that the correct Head of Service is named on the envelope so that tenders are forwarded to the correct destination on receipt

12.6.3 Receipt of Tenders

All tenders for contracts must be addressed to the relevant Head of Service. It is the responsibility of the Head of Service to ensure all tenders for contracts are retained in a secure place.

All tenders received shall be stamped upon receipt with the date and time of receipt.

Tenders that are received late or are delivered to the incorrect address shall be marked accordingly and then shall be retained securely unopened by the relevant Head of Service after the valid tenders have been opened for a period of at least six weeks, upon which, they shall be destroyed.

Tender envelopes bearing marks identifying the sender shall also be retained securely unopened by the relevant Head of Service after the valid tenders have been opened for a period of at least six weeks, after which, they shall be destroyed.

12.6.4 Opening of Tenders – Refers to Sections 2b, 5 and 8

Opening of tenders over £50,000 must be recorded on the standard form (Form F021). It is the responsibility of the Head of Service to ensure that a copy of the completed form is sent to Finance. The tender opening is arranged by the Head of Service.

The opening is to be in the presence of the Head of Service or a nominated representative, an elected Member, and a representative of Finance. The Head of Service shall complete the tender opening form.

The standard form must be certified as correct by the elected Member present and witnessed by all other Officers present.

12.6.5 Tender Opening - Confidentiality and Security

The information obtained at tender opening is confidential to those involved in the opening process, and those directly involved in the tender evaluation. This confidentiality must be maintained. If any questions arise as to a breach of confidentiality, the Monitoring Officer shall be consulted over the appropriate action. To assist with tender confidentiality opened tenders shall be kept securely in a locked cabinet/office until the contract has been awarded.

12.6.6 Tender Evaluation – Refers to Section 9

The Contract Notice will state that tender award will be on the basis of either:

- a) lowest price; or
- b) the most economically advantageous tender based on criteria stated in the tender documents.

In most cases the latter will have been used and the tender documentation will clearly state the award criteria to be adopted.

12.6.7 Alterations to Tenders

Alterations to a tender sum will not be permitted except as provided below.

12.6.8 Tenders Submitted for the Execution of Work

In the case of tenders submitted for the execution of work and based on priced bills of quantities or schedules of approximate or provisional quantities or schedules of work which are submitted with the tender and form part of the tender documents the effect of errors in totalling, extensions or calculations or other errors or omissions discovered in the tenders will be ascertained and the details notified in writing to the tenderer who will be given the opportunity of:

- (a) confirming the offer at the original amount; or
- (b) withdrawing the offer; or
- (c) amending the offer to correct genuine errors or omissions; or
- (d) in the case of agency contracts amending his/her tender in a manner directed by the employing authority.

The tenderer will be required to confirm in writing either agreement to offer standing at the original amount or withdrawal of offer or

agreement to the adjusted tender amount. This must be given in writing before the decision to award the contract is made.

Contractors failing to bid should be asked, when requested to return the tender documentation, why they decided not to bid. Their response should be recorded on the file and a copy forwarded to the Contracts & Procurement Unit for future reference.

12.6.9 Acceptance of Tenders

If the tendered price cannot be met from the allocated budget or the scheme has materially altered then the Corporate Board must consider and approve a written report prior to acceptance of tender and that report should confirm that the tender offers Best Value to the Council.

The Head of Service concerned shall make suitable arrangements for recording any action taken by him/her to ensure there is an adequate audit trail explaining the reasons for decisions.

The appropriate Head of Service will be responsible for ensuring that:

- a) tenders are reviewed in a timely manner against the set criteria for accuracy and completeness;
- b) the examination is carried out by an employee independent of the tendering process;
- c) there is evidence of checks undertaken recorded on the tender documents.

12.7 Exceptions to Contract Rules of Procedure

12.7.1 **General**

An exception to the Contract Rules of Procedure is an authority to approve either partially or fully to let a contract without complying with one or more of the Rules. An exception to the Rules for contract may be granted subject to conditions. An exception cannot be granted where a breach of any UK or EU legislation would be incurred

Only the Head of Legal and Electoral Services and/or the Head of Finance or such officer as nominated by them may grant an exception to these Rules (see 12.8.2 below). Subject to statutory requirements applications for exception must be made in writing and in accordance with 12.8.2 and include an appropriate exception under 12.8.3 that is requested and the justification for the exception

An application for an exception to the Rules will not be granted without a cogent reason. A lack of time caused by inadequate forward planning is not a cogent reason and will not permit an exception to the Rules. If an application is granted, the appropriate Director and/or the Head of Service responsible for the contract

must demonstrate that the price obtained is not in excess of the market price and that the contract represents best value for money

12.7.2 Exception values and delegations

For all contracts up to £49,999 the Head of Finance or nominated Officer must approve the exception.

For contracts between £50,000 and EU threshold the Head of Finance or nominated Officer will consult with the Head of Legal and Electoral Services and the appropriate Corporate Director.

For contracts between EU threshold and £500,000 the exception will be dealt with by way of recommendation to the Corporate Board after consultation with the Head of Finance and with the Head of Legal and Electoral Services or such officer as nominated by them.

For contracts over £500,000 the Head of Finance and the Head of Legal and Electoral Services or such officer as nominated by them will make a recommendation to the Executive.

12.7.3 Exceptional circumstances

An exception to the requirements to follow the tender or quotation procedure **may** be granted in the following circumstances:

- (a) An unforeseen emergency arises and the work, service or supply is required urgently and would not therefore permit an invitation to tender or quote.
- (b) For justifiable technical reasons works, services, goods can only be obtained from one supplier;
- (c) Acquiring goods or services from a different supplier would result in incompatibility with existing goods and services or disproportionate technical difficulties;
- (d) The proposed contract is an extension to or a variation of the scope of an existing contract, if permitted by EU or UK legislation.
- (e) Government circular or legislation is in force which differs from these Contract Rules of Procedure.
- (f) Negotiated tender with existing contractor where it is desirable in the best interests of the Council that a tender shall be invited for the execution of works or the supply of goods and materials from a contractor already engaged by the Council for a particular reason(s) but subject to compliance with EU or UK legislation.
- (g) Contracts with professional persons in which the personal skill of those persons is of primary importance, and there would be no genuine competition but subject to compliance with EU or UK legislation.
- (h) Contracts for the supply of goods or materials and services if:

- (i) the goods or materials are sold at a fixed price and no reasonably satisfactory alternative is available;
 - the prices of the goods or materials are wholly controlled by trade organisations or government order, and no reasonably satisfactory alternative is available;
 - (iii) they are obtainable from only a limited number of Contractors, but in such case, a reasonable number of those Contractors shall be invited to submit tenders but subject to compliance with EU or UK legislation;
 - (iv) they are approved by a consortium of which the Council is a Member, except the Central Buying Consortium where the Council has adopted the Standing Orders of Hampshire County Council for the purposes of our membership and so purchases made through this route are exempt from these regulations;
 - (v) for other reasons there would be no genuine competition but subject to compliance with EU or UK legislation.
- (i) Where the work to be executed or the goods or materials to be supplied consists of repairs to, or the supply of parts for, existing proprietary machinery or plant.

12.7.4 Record Retention

Unsuccessful Tenders will be held securely by the issuing Service Unit for a period of not less than two years. After the stated period the tenders may be destroyed.

Expired Contracts may be archived upon expiry and may be destroyed after 6 years if the Contract is signed or 12 years if the Contract is under seal.

12.7.5 Contracts Register -

The Responsible Head of Service must formally notify the Head of Finance of the award of all contracts above £50,000 in value. This data shall be used to compile a register of Council contracts.

The data shall be used in the completion of the annual return of EU Procurement statistics and in collaborative opportunities with neighbouring authorities including those who are part of the Thames Valley Procurement Forum, the Berkshire Procurement and Shared Services Unit and Improvement and Efficiency South East .

The relevant Corporate Director approving the exceptions below at 12.8.6.1, 12.8.6.1 and 12.8.6.3 must do so with caution and where appropriate seek legal advice. These services usually fall into Part B of the Public Contracts Regulations 2006 which means that they are not subject to the full application of the Rules. However the onus is on the Council to seek to ensure that such contracts are not of interest to other member states and each contract need to be looked at on a case by case basis. If there is a lot of repeat

purchasing of similar types of services or even where a single package is of high value then such contracts could be of inter member state interest and must be advertised in the Official Journal of the European Union. Additionally there is an obligation to comply with the requirement of the Public Contracts (Amendment) Regulations 2009 which includes the placing of a transparency notice in the Official Journal of European Union. Furthermore there is a need to demonstrate value for money in public expenditure.

12.7.6 Social Services - Residential/Nursing Care

Subject to 12.8.6, the Corporate Director (Community Services) shall have authority to approve exceptions to these Contract Rules of Procedure where spot purchasing of residential/nursing care is restricted to providers who are included on the List of Residential and Nursing Care Accredited Providers, the conditions of which include prices specified by the Executive. Orders can be placed with a single provider.

(The Contracts & Procurement Unit needs a copy of the decision for the exceptions file.)

12.7.7 Social Services - Social Care Services

Subject to 12.8.6 the Corporate Director (Community Services) shall have authority to approve exceptions to these Contract Rules of Procedure where spot purchases of domiciliary care, is restricted to providers who are included on the Accredited List of Domiciliary Care Providers and the purchase is for an individual's care package which is under £250 per week. Orders can be placed with a single provider.

(The Contracts & Procurement Unit needs a copy of the decision for the exceptions file.)

Value for money aspects can be demonstrated in inviting single tenders from the voluntary sector, especially in the case of an organisation providing a specialist service.

The existing voluntary sector provider has entered into a long term lease or similar arrangement or has made substantial capital investment in a building for the express purpose of providing a service under contract to the Council.

12.7.8 Social Services - Children and Clients with Special Needs

Subject to 12.8.6 the Corporate Director (Children and Young People) shall have authority to approve exceptions to these Contract Rules of Procedure for individual spot purchases for residential care for children or clients with special needs, where urgency and service need are integral to the provision.

12.7.9 Educational Establishments

Where a Governing Body of a school intends to enter into a contract for works, supply of goods or services the Headteacher or such persons as delegated by h must follow these rules and must seek advice from the Head of Finance or nominated Officer regarding the restrictions imposed by EU and UK legislation.

Where a Governing Body of a school intends to enter into a contract for works, supply of goods or services up to a value of £10,000, the Headteacher/Governing Body may set lower financial thresholds in order to maintain tighter control.

In general terms where these rules refer to Head of Service these duties and responsibilities will become those of the Head Teacher/Governing Body.

12.7.10 Major Incident Plan

When a major incident is declared the Council's Major Incident Plan and/or Business Continuity Plan may be invoked. This in turn may lead to the need to incur additional unbudgeted expenditure. When this becomes necessary the Contract Rules of Procedure will be suspended and the Chief Executive, or an officer nominated by the Chief Executive, is then authorised to incur whatever expenditure is necessary in consultation with the Head of Finance.

A Corporate Director will act in the place of the Chief Executive if he/she is unavailable.

12.8 Engagement of Consultants

12.8.1 Definition

Consultants and advisors include any expertise, support, advice or formal consultancy that is obtained outside the Council for a fee or charge.

Consultants and advisors may be used in the following areas (and this list is not exhaustive):-

- Advice on value for money reviews and evaluating tenders
- Policy and Strategy reviews
- Organisational and service reviews
- Job evaluation
- Financial planning or analysis
- Feasibility studies
- Marketing and business planning
- Public relations
- Computer and IT strategy

- Managing change
- Senior staff recruitment, selection and training
- Individual staff management e.g. community care
- Project Management
- Specialist advice relating to architectural, design projects
- Construction and regeneration projects etc.

Temporary agency staff (for example, for social care work, to provide maternity cover, etc) are not consultants or advisors and should be procured using the corporate contract for agency staff.

12.8.2 Guidance

Corporate Procurement and Contracts Unit has produced Guidance on use of consultants and advisors. This can be obtained from that office. This incorporates a form which must be completed and signed by the relevant Head of Service.

12.8.3 Procurement Process

- All consultants and advisors must be procured under the applicable tendering Rules at 12.6 and 12.7.
- All consultants and advisors must enter into a written contract with the Council in a form to be approved by the Head of Legal and Electoral Services. Such contracts come under the contract for services under the Rules and appropriate procedures under 12.6 and 12.7 must be followed and recorded in writing.

12.8.4 General

A worker will always be employed on a contract of employment unless the circumstances of the engagement fully support an alternative arrangement. The Payroll Manager **must** be consulted because of the potential tax implications of these arrangements.

No consultants shall be engaged unless the costs can be met from the allocated budget for the scheme/project or contract. The costs do not need to be allocated specifically for employing consultants in the budget, any part of the budget may be used to employ consultants provided the overall budget is not exceeded.

12.8.5 Counsel

Within budget, the Head of Legal and Electoral Services shall have discretion to select Counsel, obtain Counsel's opinion and brief Counsel whenever it is considered expedient in the Council's interest to do so.

12.8.6 Evaluation against Predetermined Criteria

Tender bids will be evaluated against predetermined criteria relevant to the particular circumstances e.g.:

- Relevant/recent experience;
- Adequacy of resource/materials available;
- Quality of work;
- Reliability/timeliness;
- Comparable cost.

12.8.7 Appraisals of Work

Tenderers may be asked to submit appraisals of their work from other clients to assist in the evaluation.

12.8.8 Letter of Engagement/Contract

The letter of engagement/contract for services sent to the approved Consultant must contain all of the following clauses (unless exceptions are agreed by the Corporate Director). The Head of Legal and Electoral Services or nominated Officer will provide advice on the form of contract and negotiations and the Head of Finance or nominated officer will provide advice on financial risk issues.

12.8.9 Clauses for Letter of Engagement/Contract

- The Consultant must agree that all documents and materials produced as a result of their engagement under the contract are the property of the Council and that copyright in all documents and materials so produced vests with the Council.
- The Consultant will be responsible for the provision of all major items of equipment and materials necessary to complete the task.
- The Consultant will be free to engage others considered necessary to complete the task at his/her own expense – but such sub consultants must be approved by the Council and must have suitable professional indemnity insurance.
- The Consultant will be responsible for the correction of faulty or incomplete work at his/her own expense.
- The Consultant will be responsible for determining how the work will be done.
- The agreed fee will be paid upon satisfactory completion of the specified work (or in instalments upon complete stages as agreed).
- The Consultant will have no right to terminate the engagement until all contracted work is completed satisfactorily provided that the Council is not at fault in causing the termination.
- The Consultant will be personally liable for all claims against him/her emanating from, or connected with this engagement.

- The Consultant will be personally responsible for all tax and National Insurance liabilities arising from the engagement.
- The Consultant must have professional indemnity insurance of a minimum of £5,000,000.
- The Consultant must comply with these Rules of Procedure (and for the purposes of the Code of Conduct referred to in the Council Rules of Procedure, they shall be deemed to be an "Officer") subject to the modifications that the procedure to be followed in inviting and opening tenders shall be approved in advance by the appropriate Head of Service and the Head of Finance or nominated Officer.
- The Consultant must at any time during the carrying out of the contract, produce to the appropriate Head of Service or a designated representative, on request, all the records maintained by them in relation to the contract.
- The Consultant must on completion of a contract, transmit all records (or copies) to the appropriate Head of Service.

12.8.10 Commissioning Manager

The manager responsible for the running of the contract in the service area ("the Commissioning Manager") will be responsible for monitoring progress of the contracted work.

The Commissioning Manager must report to his/her Head of Service if there are indicators that the work may not be completed within specified time limits or to quality standards.

12.8.11 Termination of Contract

Decisions to terminate a contract with a consultant before completion must only be taken in consultation the Contracts & Procurement Unit, Head of Legal and Electoral Services and the agreement of the Corporate Director. Similarly, a decision to withhold agreed payment on completion of contracted work, or at an agreed stage, can only be made by the Corporate Director in consultation with the Contracts & Procurement Unit and the Head of Legal and Electoral Services.

12.8.12 Invoices

Invoices from the Consultant must be verified by the Commissioning Manager as being within the agreed contract terms, and must be endorsed by the Head of Service or his/her delegated Officer before being submitted for payment.

12.9 Entering into a Contract

12.9.1 Contract Form

All contracts entered into by the Council must be in writing in a form approved by the Head of Legal and Electoral Services or his

delegated Officer. Standard Forms of Contract must be used wherever possible.

Where a Standard Form of contract cannot be used, or a Standard Form is to be amended, the Form of Contract shall be prepared/amended by the Head of Legal and Electoral Services or his delegated officer. All Forms of Contract must specify inter alia:

- (a) the services, supplies, work, materials, matters or things to be provided, had, or done:
- (b) the price to be paid, with a statement of discounts or other deductions;
- (c) the time or times within which the contract is to be performed;
- (d) provision for the payment of liquidated damages, where the contractor fails to complete the contract or complete within the authorised timescales (where applicable);
- (e) a clause empowering the Council to cancel the contract in circumstances of corruption, and to recover any loss resulting from such cancellation;
- (f) a requirement for compliance with current legislation relating to health and safety at work, sex, race and disability discrimination and in general equalities legislation. Following is a non-exhaustive list of equalities legislation;
 - Equal Pay Act 1970 (Amended)
 - Sex Discrimination Act 1975;
 - Race Relations Act 1976;
 - Data Protection Act 1984;
 - Disability Discrimination Act 1995;
 - Human Rights Act 1998;
 - Freedom of Information Act 2000:
 - Race Relations (Amendment) Act 2000;
 - Employment Equality (Religion or Belief) Regulation 2003;
 - Employment Equality (Sexual Orientation) Regulation 2003;
 - Race Relations Act 1976 (Amendment) Regulation 2003;
 - Civil Partnerships Act 2004;
 - Environmental Information Regulations 2004;
 - Gender Recognition Act 2004;
 - Disability Discrimination Act 2005;
 - Disability Discrimination Amendment Act 2005;

- The Employment Equality (Sex Discrimination) Regulations 2005;
- Employment Equality (Age) Regulations 2006;
- Equality Act 2006;
- Racial and Religious Hatred Act 2006;
- (g) a clause requiring full indemnity of the Council (usually provided by Public Liability Insurance);
- (h) a clause requiring a performance bond (where applicable);
- (i) a clause requiring contractors to warrant that performance and functionality will not be affected by date or other information technology functions;
- (j) a clause which reflects the Council's environmental and sustainability policies (where appropriate);
- (k) a clause permitting the use of information for preventing and detecting fraud (where appropriate).
- (I) a clause requiring the contractor to supply sufficient information in a timely manner to enable the Council fully and properly to comply with requests for information under the Data Protection Act 1998, Freedom of Information Act 2000 and the Environmental Information Regulations 2004;
- (m) a clause requiring the contractor to keep details of the contractual arrangements confidential and not to disclose the same without the consent of the Council:
- a clause requiring contractors to co-operate with enquiries by overview and standards committees, Ombudsmen, the Standards Board for England, the Council's internal and external auditors, Government departments and the European Commission and other legally-empowered persons;
- (o) a clause detailing the liabilities and responsibilities relating to workforce matters where the Transfer of Undertakings (Protection of Employment) Regulations 2006 apply; and
- (p) in the case of the engagement of professional advisers, a requirement that the adviser shall at all times be fully covered by professional indemnity insurance and that, in relation to that contract, he or she shall confirm to the requirements of these Contract Rules of Procedure, the Council's Financial Rules of Procedure and any direction from the Council, the Executive, a Committee or duly authorised officer.

12.9.2 Contract Presentation

Contracts under £5,000 shall be in writing on an official order signed by the designated purchasing Officer.

Between £5,000 and £50,000 contracts and one-off purchases shall be in writing in the form of a contract approved by the Contracts & Procurement Unit unless it is a standard form of contract with a specification attached if necessary.

All contracts over £50,000 to EU threshold - the form of contract must be approved and signed by the Head of Legal and Electoral Services who shall retain all relevant contract documents. The Head of Legal and Electoral Services must witness the affixing of the common seal of the Council to any such contract.

EU and over - the form of contract must be approved and signed by the Head of Legal and Electoral Services who shall retain all relevant contract documents. All contracts over the EU threshold will be sealed.

12.9.3 Standard Clauses

Every contract shall include wherever possible the standard clauses set out in Form F020A (available from the Contracts & Procurement Unit).

In every written contract for the execution of work or the supply of goods, materials or services, a clause shall be inserted to secure that the Contractor shall be prohibited from transferring or assigning directly or indirectly to any person or persons whatsoever, any portion of this contract without the written permission of the Council.

12.9.4 Sub-letting

Sub-letting of any parts of the contract except to the extent permitted in writing by the appropriate Head of Service shall be prohibited.

The contractor shall be responsible for the observance of this Regulation by sub contractors employed in the execution of the contract.

12.9.5 Provision for Liquidated Damages

Every contract which is estimated to exceed £50,000 in value or amount, and is for the supply of services, execution of works (or for the supply of goods or materials by a particular date or series of dates) shall provide for liquidated damages unless the Head of Legal and Electoral Services and/or the Head of Finance or nominated Officer determines that such a provision is not required. The amount to be specified in each such contract shall be determined by the Head of Service concerned in consultation with the Head of Legal and Electoral Services and the Head of Finance or nominated Officer.

12.10 Legal Considerations

12.10.1 Relaxation of Indemnities

No relaxation of full indemnities releasing the Council from all liability whether provided by public liability insurance or other instrument should be allowed unless authorised in writing by the Head of Legal and Electoral Services or the Risk Manager, the Head of Finance or nominated Officer.

12.10.2 Risk Assessments

Where a contract is estimated to exceed £50,000 in value or amount and is for the execution of works (or for the supply of goods or materials by a particular date or series of dates) the relevant Head of Service must undertake a risk assessment, in conjunction with the Head of Finance or nominated Officer to determine whether a Performance Bond or other suitable security should be required from the tenderers. This is to provide sufficient security for the due performance of the contract. A record of the risk assessment must be retained on the contract file for inspection.

Where it is felt necessary, such bonds required shall be for an amount equal to 10% of the value of the contract, and shall be taken up by the contractor with an insurance company, bank or other recognised financial institution approved by the Council. The bond shall be released on practical completion of the work.

12.10.3 Contractor's Indemnities and Tax

It is a general principal that all contracts must "hold harmless" West Berkshire Council, its Members and Officers, against any loss or claim, however caused, arising from any contract and/or its execution, and that the Contractor will indemnify West Berkshire Council against all losses/demands/claims howsoever arising.

12.10.4 Need for Insurance

Every contract should be assessed for risk. If the risk assessment identifies the need for insurance the Head of Service must:

- in consultation with the Head of Finance or nominated Officer set adequate levels of insurance cover. This includes employer's liability, public liability and any other as determined by the needs of the particular contract;
- (b) in consultation with the Head of Finance or nominated Officer ensure that the required insurances are in fact held by the contractor and that the policies concerned are renewed, if necessary, during the period required;
- in consultation with the Head of Finance or nominated Officer who must ensure the contractor's status under the Inland Revenue Construction Industry Tax Deduction Scheme (for construction contracts);

(d) in consultation with the Head of Finance set a consultants' professional indemnity insurance (for Consultancy agreements), minimum £5,000,000 cover unless the Risk Manager feels that a greater amount is required if so determined by the risk assessment process.

12.10.5 Sealing of Documents

The Common Seal shall be in the Custody of the Head of Legal and Electoral Services and kept in a safe place at his/her discretion.

The Common Seal of the Council may be affixed to any document that has been approved by a resolution of the Council; or of the appropriate Committee or an Officer to which the Council or the Executive has delegated its powers on its behalf, provided that a resolution of the Council or of the appropriate Committee or Officer where that appropriate Committee or Officer has the appropriate authority authorising the acceptance of any tender, the purchase, sale, letting or taking of any property, the issue of stock, the presentation of any petition, memorial or address, the making of any rate, contract or order, or any other matter or thing, shall be a sufficient authority for sealing any document necessary to give effect to the resolution.

Provided also that the Common Seal of the Council may be affixed to any:

- (a) Petition to be presented to Parliament against the promotion of any Bill or confirmation of any Provisional Order which the Council opposes.
- (b) Mortgage in respect of a loan arranged by the Head of Finance or nominated Officer under the powers of Heads of Service approved by the Council.
- (c) Incomplete form of transfer for the duly authorised sale of securities by the Council as necessary for the purposes of dealing with stocks and shares in accordance with the Stock Transfer Act 1963.

12.10.6 Affixing of Seal

The affixing of the seal shall be attested in writing by the Head of Legal and Electoral Services, or an Officer duly designated by him/her in accordance with the delegated powers conferred by the Council. An entry of every sealing of a document shall be made and consecutively numbered in a book to be provided for the purpose and shall be signed by the person attesting the sealing.

12.10.7 Signature of Documents

Where any document will be a necessary step in legal proceedings on behalf of the Council it shall, unless any enactment otherwise requires or authorises or the Council shall have given the necessary authority to some other person for the purpose of such proceedings, be signed by the Head of Legal and Electoral Services.

Where it becomes necessary to execute any document on behalf of the Council not required by law to be under Seal, the Head of Legal and Electoral Services or an Officer designated by him/her in accordance with the delegated powers conferred by the Council shall be deemed to have authority to sign such a document accordingly. A register of such documents shall be kept by the Head of Legal and Electoral Services or Officer duly designated by him/her.

12.11 Contract Administration

12.11.1 Payment by Instalments

Payments to contractors on account of contracts shall be made on a certificate issued by the Head of Service (or private architect, engineer or consultant where engaged by the Council) as appropriate or by another Officer nominated by him/her in writing for the purpose. Each payment must be checked by a colleague and the check should be evidenced by initialling. Within each Service an **independent** sampled check should be done, on a rotation basis, of 5% of interim payments.

12.11.2 Variation to Contracts

Subject to the provisions of the contract in each case every variation shall be authorised in writing by the Head of Service (or private architect, engineer or consultant) and Head of Finance or by another Officer nominated by him/her in writing for the purpose.

Any such extra or variation shall include the estimated additional cost arising from the variation and the method of payment to be applied i.e. contractual rates, agreed rates or reimbursable/daywork (please note that payment on a reimbursable/daywork basis should only be used when an item cannot be physically measured/quantified). When calculating the cost of variations cross referencing to Bill of Quantities rates or daywork sheets etc must be completed so as to provide a clear audit trail. Where rates used depart from those in the contract or others previously agreed notes should be made for the reason for their use.

Where the extra or variation, or total of extras or variations to date, exceed 10% of the contract sum or £50,000 whichever is the greater the approval of the Head of Finance or nominated Officer shall be required. Any variation with a financial implication should be discussed with the group accountant.

12.11.3 Final Certificate and Statement of Account

As soon as possible after practical completion and before issuing the final certificate under a contract, the Head of Service or consultant concerned shall obtain from the Contractor a full and detailed final account contract statement in respect of the claim for the whole work, materials and things executed and delivered under the contract, with such receipted vouchers as may be necessary. Any adjustments made must be recorded and notes must be made of queries, discussions and actions taken during the process of calculating and agreeing the final account. The Head of Finance or nominated Officer shall be notified of the name of the account, the date the final sum is due, the final value of contract and the tender value.

The final certificate must be checked by the Head of Service or a person nominated by them and they should ensure that all defects have been actioned and documented.

The Head of Finance or nominated Officer may, to the extent he/she considers necessary, examine any final account contract statement and be entitled to make all such enquiries and receive such information and explanations as may be required in order to satisfy him/herself as to the accuracy of the account.

12.11.4 Claims from Contractors

Claims from contractors in respect of matters not clearly within the terms of any existing contract shall be referred to the Head of Legal and Electoral Services or nominated Officer and, where necessary, to the Head of Finance or nominated Officer for financial consideration before a settlement is reached.

12.11.5 Reporting of Final Contract Costs

A contract close-out report should be sent to the Corporate Contract and Procurement Manager detailing the contractors performance during the term of the contract.

The estimated final cost of a contract shall be reported to the Executive within four months of the issue of the practical completion certificate comparing the probable final and originally estimated costs, together with an explanation of any differences.

[Note: The Contracts & Procurement Unit can be contacted on (01635) 519860 or email procurement @westberks.gov.uk.]

12.11.6 Performance Management

Each Head of Service must ensure that consistent and robust monitoring takes place of all contracts in their Service and that this is fully recorded. Where possible a performance management clause must appear in all contracts at the time of procurement making performance management a contractual obligation.

A protocol for member involvement in procurement in contracts valued over £50,000

2007

A protocol for member involvement in procurement in contracts valued over £50,000

Background

Following agreement by the Executive Committee of the Council in May 2005 officers were asked to develop a protocol outlining how Member involvement can be ensured in procurement decisions over £50,000 in value.

Principles

The protocol is based upon the following principles:

- 1) The protection of the personal integrity of Council members and officers.
- 2) Ensuring the financial and probity interests of the Council are protected
- 3) Ensuring decisions are based on complete and sound financial information and advice from appropriate professional staff
- 4) Ensuring decisions are in accordance with the Council's agreed processes and standards
- 5) Protecting the Council, its members and officers from undue pressure or inappropriate contact from contractors and parties with a commercial interest in a transaction
- 6) Delivering a swift and efficient process that will not prejudice the needs of West Berkshire citizens and delivery of the statutory duties of the Council
- 7) Empowering officers to act appropriately in emergency circumstances

The Council's Constitution- The Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these decisions are efficient, transparent and accountable to local people. Some of these processes are required by law, while others are a matter for the Council to choose.

Download a full copy of the Constitution from the West Berkshire Council Website at www.westberks.gov.uk

European Tendering Legislation- For up to date guidance on the community rules on the public procurement of services, please click on: http://europa.eu.int/comm/internal_market/publicprocurement/docs/guidelines/services_en.pdf. Public supply and service contracts with a total value over £144,371 are subject to the European Community rules as are Public Works Contracts with a value of over £3,611,319.

Member Involvement

Both the Portfolio Holder or the Shadow Portfolio Holder from a service have an open invitation to be involved in any procurement over £50,000. To facilitate this process both the Portfolio Holder and Shadow Portfolio Holder must review the Service Procurement Planner (see Appendix A) provided by the relevant Head of Service at the beginning of each financial year and indicate in which

procurement exercises they wish to be involved, and to what extent. The form breaks down the procurement process in line with the stages indicated in the current Project Management Methodology.

Once agreement has been reached the Service Procurement Planner must be signed, copied and forwarded to the Corporate Contract and Procurement Manager.

Should procurements over £50k be identified later in the financial year these will be added to the forward plan, be discussed with the Portfolio Holder and Shadow Portfolio Holder and an amended Service Procurement Planner must be signed and sent to the Corporate Contract and Procurement Officer.

The procurement exercises identified in the Planner should be used to initiate member involvement at the right time. Where members have indicated they wish to be involved it is assumed they will follow the process through from that stage right through to the completion of the Authorisation Form.

Authorisation process

Should a Portfolio Holder or Shadow Portfolio Holder not wish to be involved actively in a particular procurement exercise, they can either, indicate they do not want to be involved at all, or opt to be informed of the decision made at Gate 3 and asked for their agreement on the Authorisation Form (see Appendix B).

When an Authorisation Form is issued, both members will have five working days from the date of submission (which will be sent electronically and as hard copy to Market Street) to approve or reject the proposal. In the event there is no response in this time the contract will commence as proposed.

Where the proposal is rejected by either party, the appropriate party will complete the appropriate part of the Authorisation Form and contact the officer involved to detail their concerns with the proposal and agree an alternative approach. Every effort will be made to accommodate both the Portfolio Holder and Shadow Portfolio Holder's views, however in case of conflict the Portfolio Holder's view will prevail

Both the Portfolio Holder and Shadow Portfolio Holder will notify the officer involved in writing if they are likely to be unavailable for any period of time and will allocate an alternative named member to oversee the process. If a deputy has not been arranged the officer should send the Authorisation Form to the Group Leader or their deputy.

Annual Review

This protocol will be reviewed on an annual basis by all parties concerned to ensure the principles of member involvement are met to the satisfaction of the stakeholders.

Exclusions

The process outlined above will not apply to emergency situations. What constitutes an emergency for a particular service needs to be agreed between the HoS and the respective Portfolio Holder and Shadow Portfolio Holders.

Please note that this protocol does not apply to Adult Social Care for which service a service specific and pre-existing protocol is in place.

Tired of chasing suppliers for quotations?

Work smarter not harder. Use Corporate Procurement Unit's Quick Quote facility.

What is it?

Quick Quote is an online quotation facility which allows users within West Berkshire Council to obtain competitive quotes electronically for low value requirements.

How does it work?

Details of the quick quote are created online and sent to a selected list of suppliers, who can then complete the required details and submit their quotation using the secure tender post-box.

When would I use it?

When the value of the requirement is no greater than £50k Quick Quote simply records details of the quotations issued and ensures that they comply with section 12.5 of the Contract Rules of Procedure.

How do I get access?

Access to the Quick Quote facility is available through the <u>Procurement Portal</u> located in <u>Procurement</u> on the Council's intranet. All users must register on the Portal in the first instance and should contact Charlie Piechniczek in the Corporate Procurement Team, Legal & Electoral Services, Market Street on extn. 2965. Charlie will give you details on how to register and take you through the Quick Quote function.

A Quick Quote manual is available for download from the Procurement webpage.

Suppliers respond to the Quick Quote via the tender post-box. This allows suppliers to quickly and efficiently provide details of their quotation and record details of the opportunities they have responded to.

There are currently around 50 Quick Quote users. Here are some comments from some who have tried and tested the system:

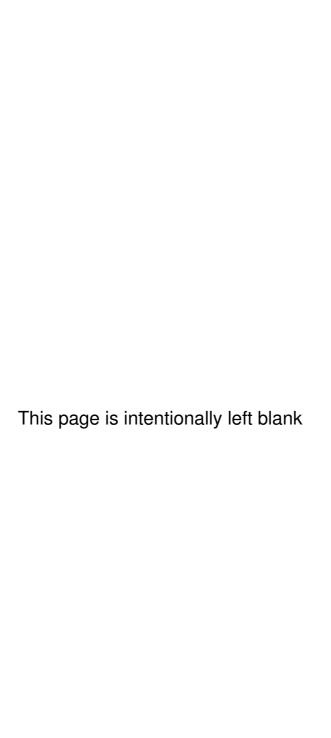

"A tool that has streamlined a previously paper and labour intensive process."

Geoff Palmer, Projects Officer

"The portal has already proven to be a valuable procurement tool. It is secure, fair and user-friendly."

Stephen Robbie, Projects Officer

"A very useful tool for most of us once you get used to using it." Andy White, Building Surveyor

Quick Quote facility

What is Quick Quote?

Quick quote is an online quotation facility which allows Users to obtain competitive quotes electronically for low value requirements. Details of the quick quote are created online and sent to a selected list of suppliers, who can then complete the required details and submit their quotation using the secure tender post-box.

When would I use the Quick Quote facility?

Users would use this function to obtain online quotes from suppliers when the value of the requirement is <£50,000. Using the online quick quote facility ensures that Users can easily record details of the quotations they have received which, complies with section 12.6 of the Contracts Rules of Procedures

Suppliers respond to the quick quote via the tender post-box. This allows suppliers to quickly and efficiently provide details of their quotation and record details of the opportunities they have responded to.

How do I get Access?

Access to the Quick Quote facility is available through the Procurement Portal located in Procurement on the Intranet. All Users must register on the Portal in the first instance, please contact Charlie Piechniczek in Central Procurement Team at Faraday Road on 01635 519965 who will take you through the process and provide you with a Quick Quote manual.

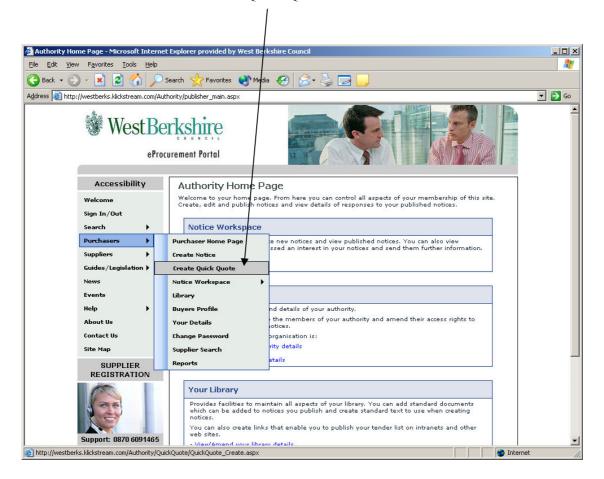

Procedure for Creating Quick Quote

Log into the Portal through http://westberks.klickstream.com/ and insert your email address and password.

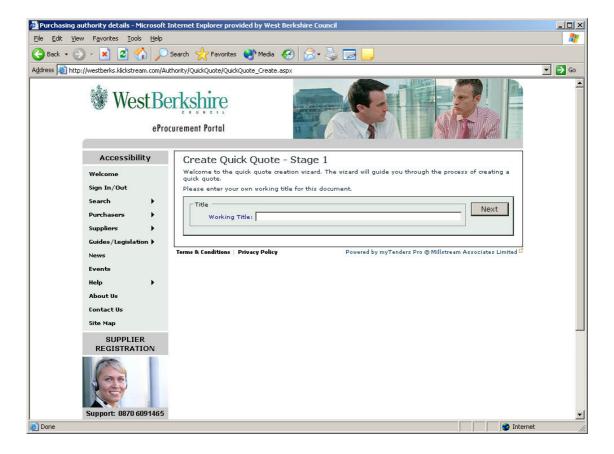

Step 1

Click on 'Purchasers' then 'Create Quick Quote'

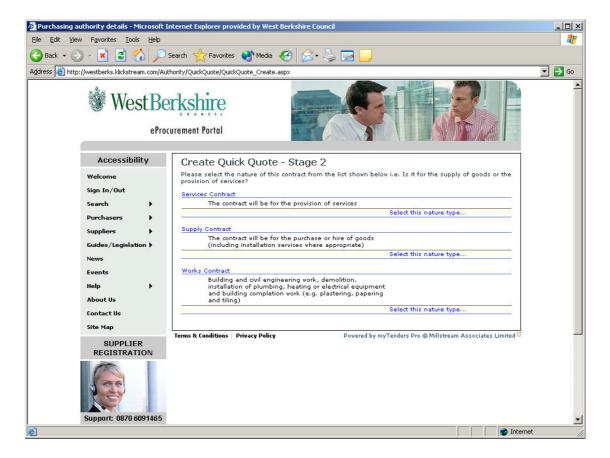

Insert title of Project.

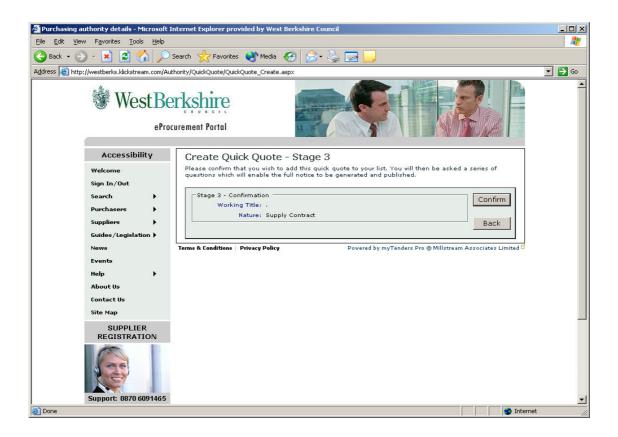

Select type of Contract – 1. Supply 2. Services or 3. Works

Click 'Confirm' to proceed.

This screen provides you with a list of questions that you will be asked to complete, click 'next'.

Complete as requested including a contact name and telephone number, click 'next'.

This screen requires an exact description of goods or services to be provided. Please ensure where appropriate this includes any specifications/standards suppliers must comply with, click 'next'.

Quantity of overall goods/service is required in this screen, click 'next'.

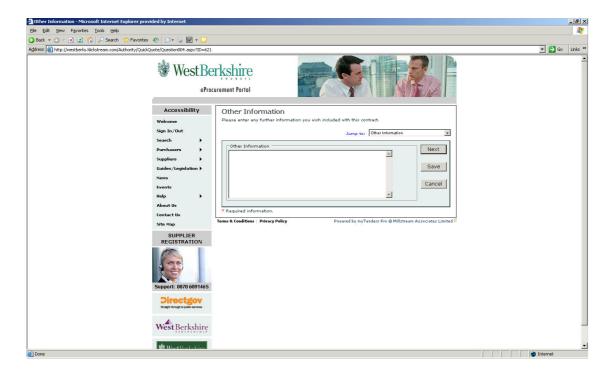

Deadline date and time need to be inserted in this screen.

Depending on the scope of the goods/service, please ensure you allow sufficient time for suppliers to compile their quotations, taking into account any holiday periods. Click 'next'.

Insert any additional information you may feel relevant eg. You may require suppliers to attend a site visit before submitting their quotation. Click 'next'.

In this screen you must select a commodity code/s relating to your requirement. Click on 'add' to select codes, and then click 'next'

This next screen will ask you if you want to attach any documents relating to your enquiry that suppliers will be able to download from the Portal eg. This may be a sketch or a plan.

Also, this will manage any questions that come in from suppliers, where your answer will be sent to **all** suppliers quoting. Click 'next'.

If you click on additional documents in the previous screen then you will be requested to attach them here. Click 'next' once attached.

If you clicked to include Questions & Answers in step 12 you will need to complete these fields which instructs the Portal where to send them. Click 'next'.

Here you need to nominate one or more Users who will be responsible for unlocking the tender post box after the deadline date/time for tender returns. Click 'next'

You have now completed your enquiry. Several options are available here 1. Preview your notice. 2. Distribute notice or 3. Publish later.

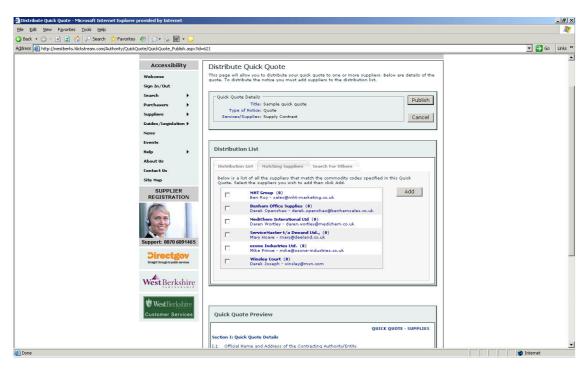

If you decide to distribute now then click the link.

By clicking distribute notice in step 16 you now need to select your suppliers you wish to invite to quote.

In the distribution list (Matching Supplier tab) you will be given a list of Suppliers who have registered on our Portal for the commodity codes you selected in step 11. Please select a minimum of 3 from the list, click 'add' then click 'publish'. This will then send the enquiry direct to these Suppliers.

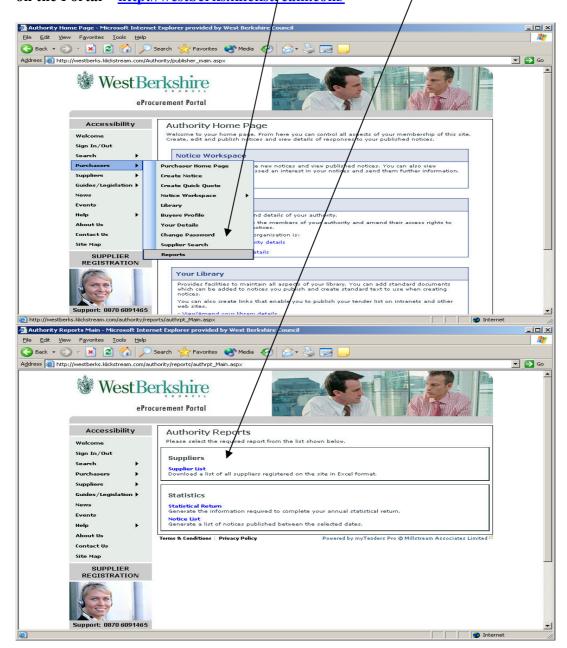

Important Note on Suppliers

Suppliers that have registered on the WBC Portal may not necessarily have been through our approval process (which is normally carried out for large projects). Users should therefore satisfy themselves that, any suppliers they commit to, can provide the goods/services in question to the standards and delivery required. Should you require further information on this please contact the Procurement Unit on Tel: 01635 519860 or email procurement@westberks.gov.uk

Prior to creating a quick quote Users can check suppliers that have already registered on our Portal by going to reports then click on Supplier list. If Users require a specific supplier that is not listed then they should prompt them to register on the Portal – http://westberks.klickstyeam.com/

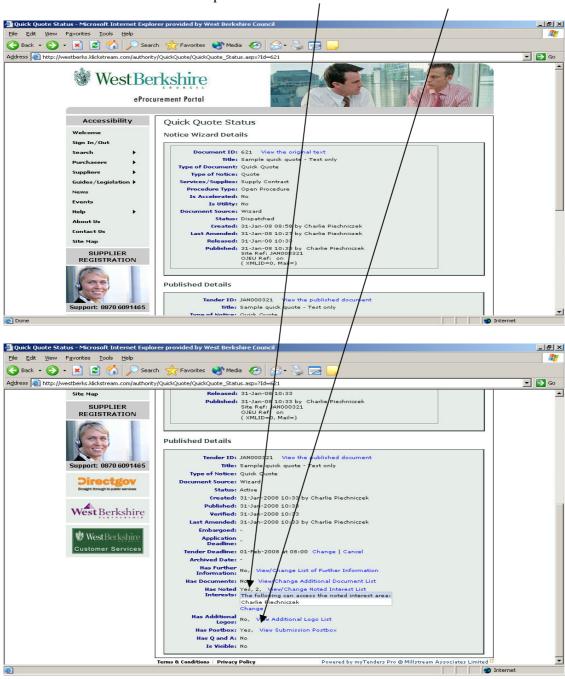

Users will also need to ensure that any new Suppliers they intend to procure from are set up in the Agresso System, using the appropriate 'Request for New Supplier Form'.

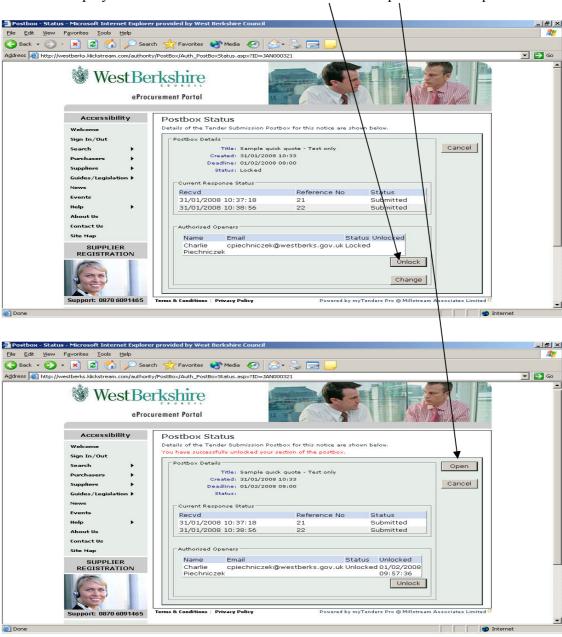

Return of quotations

Once the tender return date/time has lapsed, Users who were nominated to unlock the tender post box in step 15 will be prompted by an email to log in to the Portal and unlock. You can see in this screen that 2 quotes have been received. Click on 'Has Post Box'.

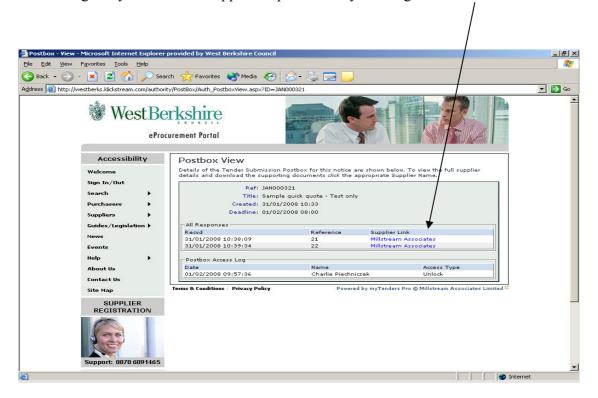

This then displays the Post Box status. Click 'unlock' then 'open' to reveal quotations.

This then gives you access to Supplier's quotations by clicking on the links.

Procurement Assessment

Background

In a meeting between West Berkshire and IESE on 23 April 2010, IESE was asked to conduct a health check of the procurement function in West Berkshire. This document sets out in more detail the process we envisage to be followed and the information we would like to receive.

Objectives

- Assess general procurement situation in West Berkshire
- Highlight areas/opportunities for savings
- Highlight areas/opportunities for improvement and reduction of risks.

Process

The assessment aims to follow the following process:

- 1. <u>Preparation / desk research</u>: at this stage IESE will ask for information and documentation as set out below to help give an understanding of the procurement situation and where possible opportunities may be found.
- 2. <u>Assessment / Interview</u>: at this stage IESE aims to visit West Berkshire to conduct a number of interviews with key personnel involved in procurement. These interviews will be used to find out more detail and ensure views and experience from staff is taken into account. The information will be compared with and used in addition to the information gathered in phase 1. The exact interview questions will be produced when we have received the information in stage 1. Interviews are expected to last between 1 and 2 hours.
- 3. <u>Conclusion / Report:</u> at this stage IESE will produce a report that will be sent to West Berkshire and we will present our findings in a formal presentation.

Information requested for stage 1

To enable IESE to get a good overview in the situation in West Berkshire and to help inform stage 2 and 3, we would like to receive the following information for stage 1:

Strategy & Organisation:

- Copy of your Procurement strategy
- Copy of your Organisational structure and the place of procurement

 Copy of a role description of the Procurement department if available (e.g. advisory, operational)

Staff:

- Number of staff and number of people in formal procurement role if available
- Procurement levels of staff (junior, senior etc) and training staff has received
- Overview of other departments involved regularly in procurement activities (e.g. legal) and how they are involved

Performance:

- Overview of Contracts register, including which frameworks are used.
- Spend data *
- Procurement risks identified in corporate risk register and mitigating actions
- Procurement work plan
- Any savings made from procurement in 09-10 and previous years (08-09 & 09-10)
- Performance management system used in assessing procurement staff and in contract management

(* to use SpikesCavell data if possible and ready)

Process & Systems:

- Copy of your Contract Standing Orders / Financial Standing Orders
- Information on what Electronic Procurement platforms (E-P) are used (e.g. Etendering, E-invoices, E-auctions).

Preparation for stage 2

IESE would like a list of key procurement contacts (both procurement staff and staff in other departments – including job titles). From this, we would like to suggest a number of staff to be participating in interviews for stage 2. Please also highlight key staff that you would like us to speak to as part of this process. Once a number of staff have been selected, we hope you could provide us with some dates suitable for stage 2 interviews. We hope you can facilitate the coordination of interviews on the same day or at least over a limited number of days.
