

Summary of A4 Cycle Improvements - Thatcham taken on 18 June 2018

Part I

A4 Cycle Improvements - Thatcham (Item 1.)

Resolved that:

1. the proposals advertised in the recent consultation be implemented, albeit with a number of minor amendments to address comments made by respondents.
 2. The Traffic Regulation Orders required as part of the proposals be advertised in a separate statutory consultation, with any objections received being referred to the Executive Member for Highways and Transport in a further Individual Decision.
