

Summary of Individual Executive Member Decisions taken on 31 January 2012

Part I

Porchester Road/Newtown Road Petition (Item 1.)

Individual Decision No: ID2389
Portfolio Member: Councillor David Betts

Resolved that:

- (1) the kerb build-outs at the junction with Porchester Road be realigned to create a shallower radius. To achieve this would cost in the region of £2,500 and could be carried out as part of the 2012/13 traffic and road safety programme;
- (2) no further action at present is taken on the parking restrictions for Newtown Road as they are included as part of a parking scheme that is subject to an Individual Decision in February 2012;
- (3) Porchester Road be included as part of the parking reviews programmed for 2012/13;
- (4) residents of Porchester Road be contacted to determine if they require the introduction of access protection markings at their own cost should a scheme not be introduced following the parking review in 2012/13;
- (5) the petition organiser be informed of the decision.

This decision is eligible to be 'called-in'. However, if the decision has not been 'called-in' by 5.00pm on 8 February 2012, then it will be implemented.
