Supporting Information

1. Background

- 1.1 West Berkshire Council's Forward Plan, which is published monthly, sets out the key decisions that the Executive (either collectively or by Individual Executive Members) is expected to take over the next four months.
- 1.2 Key decisions are defined by the Government (Regulation 8 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2001) as:
- (1) Those which result in the Local Authority incurring expenditure which is, or the making of savings which are, significant having regard to the Local Authority's budget for the service or function to which the decision is related.
 - (2) Those which are significant in terms of its effect on communities living or working in an area comprising two or more wards or electoral divisions in the area of the Local Authority.
- 1.3 The introduction of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 in September 2012 replaced the 2000 Executive Access to Information Regulations. As a consequence a requirement to publish a rolling forward plan at least 14 days before the start of each month has been replaced by a requirement to publish 28 clear days' notice of any intended key decision. It should be noted that "clear days" means working days, from midnight to midnight, and excludes weekends and public holidays, so 28 clear days equates to around 5½ normal weeks.
- 1.4 On occasions, however, situations may arise where an urgent decision needs to be made in respect of an item that does not appear on the Forward Plan. There are two different ways in which this can be done:
- (i) the authority can take an urgent key decision without giving 28 days' notice where it is impracticable to give the full notice, provided that the authority gives at least five days' clear notice to all Members of the Overview and Scrutiny Management Commission, which can then call in the decision to check that it was genuinely urgent; or
 - (ii) where a key decision is so urgent there is not even time to give five clear days' notice, the authority can take the decision if the Chairman of the Overview and Scrutiny Management Commission has agreed that the key decision is urgent and cannot reasonably be deferred.
- 1.5 In addition The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 have introduced an entirely new requirement for the Council to publish 28 clear days' notice of the intention to hold a private meeting (or part of a meeting) of the Executive. This 28 day notice must be reinforced by a five day notice which sets out the reasons for the meeting to be held in private, details of any propositions received as to why the meeting should be open, and the Council's response. The response will be provided by the Monitoring Officer. The regulations again provide for an urgency procedure, under which the Council can decide the matter with shorter than 28 or five days' notice, provided

that it has first obtained the consent of the Chairman of the Overview and Scrutiny Management Commission.

- 1.6 There is currently one confidential item scheduled for the 27 March 2014 Executive meeting and the required notice is attached as an appendix and will be displayed at the Council. If any representations are received the five day notice will be issued on 19 March 2014.
- 1.7 The following items have been added to/deleted from the Forward Plan for March 2014, since it was last published:
- EX2792 West Berkshire Pupil Achievement 2013 – new item;
 - EX2781 Discretionary Council Tax Relief - the report is no longer necessary;
 - EX2741 Voluntary Sector - Prospectus Adult Social Care - delayed from the 13 February meeting;
 - EX2775 Annual Report on Complaints Activity in Children’s Social Care 2012-13 - delayed from the 13 February meeting;
 - EX2816 Trading Standards Shared Service Agreement Extension – delayed from previous meeting.
- 1.8 Details of decisions that Full Council, the Governance and Audit Committee and the Personnel Committee are going to take are also included for ease of reference. It should, however, be noted that the new requirements only apply to Executive meetings.
- 1.9 Publication of the Forward Plan remains a statutory requirement of the Local Authority. The Forward Plan, any General Exception Decisions Notices and Notices of Private Decisions have to be available for inspection and also have to be published on the Council’s website.
