Supporting Information

1. Background

- 1.1 Twice each year the Speed Limit Task Group carefully considers the introduction or amendment of speed limits that have been requested by Members, Parish or Town Councils, members of the public or officers. These requests are assessed with regard to the Department for Transport Circular 1/2013 (setting local speed limits), the character and nature of the road, the recorded injury accident record and any available traffic survey data.
- 1.2 The Speed Limit Task Group, which met on 20th May 2013, is comprised of the following members:
- Councillor Graham Pask,
 - Councillor Gwen Mason,
 - Andrew Garratt, Principal Traffic & Road Safety Engineer,
 - Alan Dunkerton, Speed Management Co-ordinator,
 - Chris Hulme, Thames Valley Police Traffic Management Officer.
- 1.3 The Task Group considered a total of 9 requests for an amendment or introduction of a speed limit at the following locations:
1. Turnpike Road, Thatcham - extension to 30mph speed limit,
 2. Hambridge Road, Mill Lane, Boundary Road (north) and Kings Road – request for a 20mph speed limit,
 3. Frouds Lane, Aldermaston – request for lower limit,
 4. A340 Aldermaston village – extension to 30mph speed limit
 5. Reading Road (north of Welshman’s Crossroads) – request for a lower limit,
 6. Burghfield Bridge, Burghfield - extension to 30mph speed limit,
 7. Outside The Downs School, Compton – request for a 30mph speed limit,
 8. Bishops Green Road, Greenham – request for a 30mph speed limit,
 9. Mortimer Lane, Mortimer – review of speed limit.

2. Speed Limit Process

- 2.1 If the recommendations contained in this report are approved then the individual sites will be taken forward to the statutory consultation stage, which means that the formal and public consultation of a speed limit can be undertaken. This will include consulting a wide range of statutory consultees together with the appropriate parish/town council and local members, and local residents by the way of a notice published in the local newspaper, notices erected on site and publication on the Council’s web site.
- 2.2 A report of any comments and objections received during the formal consultation together with an officer’s recommendation will be presented to the Executive Member for Highways, Transport (Operations), Emergency Planning, Newbury Vision for Individual Decision. Should the proposal to introduce or change a speed limit be considered appropriate then that proposal will be implemented.

3. Recommendations

- 3.1 The Task Group considered all the above requests and recommended that the following are progressed to the statutory advertisement and consultation stage:
1. Turnpike Road, Thatcham - extension to 30mph speed limit,
 2. Hambridge Road, Mill Lane, Boundary Road (north) and Kings Road – request for a 20mph speed limit agreed in principle but further issues to be investigated and agreed by the task group before it can be advertised,
 4. A340 Aldermaston village – extension to 30mph speed limit on the A340 to the north and south of the village,
 6. Burghfield Bridge, Burghfield - extension to 30mph speed limit,
- 3.2 The Task Group recommended that no further action is taken on the following requests with regard to the speed limit, but further measures should be considered where shown below:

 5. Reading Road (north of Welshman's Crossroads),
 7. Outside The Downs School, Compton – investigate additional signing improvements,

- 3.3 All the persons requesting the speed limit amendments will be informed of the Executive Member's decision.
- 3.4 Subject to there being no objections received to the statutory consultation for individual Traffic Regulation Orders for each speed limit, the advertised restrictions will be introduced.

SPEED LIMIT REVIEW – 20th May 2013

Speed Limit Request	Ward Member	Comments
Turnpike Road, Thatcham	Jeff Beck	Having attended and participated in the Meeting held on 20th May 2013, I completely agree with the 3.1 Recommendations as set forward for Items 1. Turnpike Road and 2. Hambridge Road.
	David Goff	To date no response has been received, however any comments will be verbally reported at the Individual Decision meeting.
Hambridge Road, Mill Lane, Boundary Road (north) and Kings Road, Newbury	Roger Hunneman	I note the recommendation in section 2 page 2. and I am happy with discussing the issues by e-mail by the Task Group rather than having to wait for the next Speed Limit Review meeting . However Cllr Allen and myself would like it to be made clear - as is mentioned in the update on page 5 of the draft report - that we would like the 20mph speed limit to be introduced on Mill Lane, Boundary Road North and Kings Road as it was understood by us at the meeting that there was broad agreement on these roads. In the meanwhile Hambridge Road to be assessed for measures to reduce traffic speeds, something that the residents there are very keen to see.
	David Allen	Although Councillor David Allen attended the speed limit review meeting, no response has been received to date. However any comments will be verbally reported at the Individual Decision meeting.
The Frouds Lane, Aldermaston	Irene Neill	The review of Frouds Lane needs to be carried out as soon as possible.
A340 Aldermaston village	Irene Neill	I am pleased to have the A340 change accepted.
Reading Road (north of Welshman's Crossroads)	Irene Neill	Although Councillor Irene Neill attended the speed limit review meeting, no response has been received on this request to date. However any comments will be verbally reported at the Individual Decision meeting.
