Summary of Individual Executive Member Decisions taken on 31 July 2014 (continued)

Proposed pedestrian crossing on Reading Road, Burghfield (Item 3.)

Individual Decision No: ID2795
Portfolio Member: Councillor Pamela Bale, Portfolio Holder for Highways, Transport (Operations), Emergency Planning, Newbury Vision

Resolved that:

- Given the responses to the public consultation and the number of signatures on the petition, it is recommended that a formal crossing facility is not introduced on the Reading Road at The Forge Garage.
- Given the results of the pedestrian survey and that there is a safe crossing point approximately 100 metres away, it is recommended that a formal crossing facility is not introduced at present on Reading Road south west of its junction with Holmdene.
- In terms of the area between Holmdene and the roundabout, based on current information a crossing in this location cannot be justified, however if the play area on Auclum Green is developed then the situation will be reviewed.
- The petition organiser be informed of the decision.

This decision is eligible to be 'called-in'. However, if the decision has not been 'called-in' by 5.00pm on 7 August 2014, then it will be implemented.
