2. MINUTES OF PREVIOUS MEETING DATED 7TH OCTOBER 2013

The minutes of the meeting on 7th October were approved.

Action

3. ACTIONS ARISING FROM PREVIOUS MEETING

Membership

Brian Jenkins has been elected to continue representing the Early Years PVI sector.

Appointment of Vice Chair

Peter Hudson was nominated and elected Vice Chair of the Schools' Forum.

School Formula Proposal 2014/15

The schools' formula 2014/15 approved at the last Schools Forum meeting was approved by the Council's Executive and submitted to the Education Funding Agency (EFA) before the deadline of 31st October 2013. Confirmation that the formula adheres to the financial regulations has been received from the EFA.

All action points were completed.

Funding of High Needs Students in FE Colleges

£709k has now been vired from HN Contingency to the FE Top Up budget.

Benchmarking Data 2013/14

The additional tables requested were emailed to members with this agenda. No further comments were made.

4. DECLARATIONS OF INTEREST

There were no declarations of interest.

5. MEMBERSHIP

Eileen Selsey, who is a governor at Park House School, has joined the Schools' Forum as an Academies Governor Representative.

Glyn Whiteford has resigned from the Schools' Forum and the academies are in the process of electing a new Academies Headteacher Representative.

There is still a vacancy for a Primary School Business Manager. Andy Higgs the Headteacher at Lambourn Primary School and chair of the Primary Heads Association is consulting with the other Primary Heads to fill the position.

6. GROWTH FUND

Claire White presented a report on the proposed payments to 10 schools that satisfy the criteria for pupil number growth funding or infant class size funding.

Both scenarios were calculated based on information obtained from the schools

and the higher of the two selected which resulted in estimated payments of £204k against a budget of £100k. The pupil number data will be checked against the October census data from the DfE prior to the payments being made. The over spend of £104k will either be funded by DSG under spend in 2013/14 or be first call on the DSG 2014/15.

DECISION: The release of the infant class size and growth funding was approved.

C White

7. Dedicated Schools Grant (DSG) BUDGET 2014/15 (verbal)

Claire White presented a verbal update on the DSG budget 2014/15. The October 2013 census data is due this week from the DfE which will allow the calculation of the Schools Block Funding and schools budgets 2014/15.

The Early Years Block will under spend in 2013/14 and the Early Years Steering Group will be requesting that this under spend be carried forward within the block in order to maintain hourly funding rates in 2014/15.

The financial pressure on the High Needs Block (HNB) funding in 2013/14 will need evaluating as the 2014/15 funding is fixed and continued pressure may result in either an over spend on the HNB or having to move funding from other blocks to support the HNB.

ACTION: A more detailed report on the DSG Budget 2014/15 will be brought to the next meeting of the Schools' Forum

S Coleman-Slaughter / C White

8. UPDATE ON HIGH NEEDS FUNDING ARRANGEMENTS 2014/15

lan Pearson presented the report on the High Needs Funding Arrangements 2014/15 and the current positions for mainstream schools, resource units, special schools, non maintained and independent special schools and Further Education (FE) colleges.

No changes are being proposed to top up funding rates in mainstream schools, resource units and special schools and no significant increases to the budget are expected.

The 2014-15 pre and post 16 places submission for special schools and resource units is due to be submitted to the DfE by 23rd December. There is no extra funding and any increase in our places would require a reduction in other LAs places at special schools and resource units.

The funding allocated by the Education Funding Agency is inadequate to meet the FE college placement costs estimated to be £893k in 2013-14. The Schools Forum has already agreed a one off virement of £709k from the High Needs Block Contingency to cover the shortfall in 2013-14. In 2014-15 there will also be the impact of adults up to the age of 25 seeking FE SEN funding for college education. Currently the estimated costs for FE college placements are £1.34m in 2014-15.

A report on SEN funding in Pupil Referral Units was requested but this will be

covered when the PRU Funding Arrangements paper returns to Schools' Forum.

9. UPDATE ON EARLY YEARS FUNDING

Maria Shepherd and Claire White presented the update on Early Years Funding. Currently the forecast for 2013/14 is an under spend of £530k due to a lower uptake of 2 year old funding, however the 2013/14 funding for 3 and 4 year olds is an estimate as 7/12 will be based on the January 2014 census.

The Early Years Steering Group will seek to carry forward to 2014/15 the under spend from 2013/14 to maintain the funding rates in 2014/15 when the universal provision funding ceases and to continue with the trajectory building of 2 year old places. No changes to the Early Years Single Funding Formula are being proposed.

The Steering Group is also reviewing the method of allocating deprivation funding to ensure that it is reaching the settings with the most deprived pupils.

The Schools' Forum will make a decision on Early Years Funding at the March 2014 meeting.

10. UPDATE ON PUPIL REFERRAL UNIT (PRU) FUNDING ARRANGEMENTS 2014/15

lan Pearson presented the update on the PRU funding arrangements. It had been proposed that the charge each term to schools for the Alternative Curriculum should increase from £1000 per pupil per term in 2013-14 to £1500 per pupil per term in 2014-15 and that the financial support to primary schools reduce from 50% of the cost in 2013-14 to 25% of the cost in 2014-15.

At the Heads Funding Group it was decided to set up a separate Heads meeting to review the current year arrangements and proposals for 2014/15 with the Heads of the Alternative Curriculum and Reintegration Service.

The Schools Forum was concerned that schools may decide it is cheaper to exclude pupils and supported the review meeting.

ACTION: Special meeting of HFG to take place in January with proposals brought back to Schools' Forum.

I Pearson

11. UPDATE ON SCHOOLS IN FINANCIAL DIFFICULTY

Clare Warren presented the update on Schools in Financial Difficulty. There were 3 schools with a budgeted deficit for 2013/14; Parsons Down Juniors, The Willows and John O'Gaunt and each school's current forecast is to finish the financial year close to budget. There are 18 schools who budgeted a deficit for 2014/15 when they set their 3 year budget plan in July 2013 (down from 34 schools last year); these schools are currently being reviewed and offered support.

No primary schools to date have submitted requests for financial support from the schools in financial difficulty contingency.

12. DSG BUDGET MONITORING MONTH 7

Shannon Coleman-Slaughter presented the report on the DSG cost centres as at 31st October 2013. The DSG is currently forecast to be under spent by £877k, mostly in the High Needs Block.

ANY OTHER BUSINESS

Schools Forum Operational & Good Practice Guide

The Schools Forum Operational and Good Practice Guide was issued to all members to review and posted on the public website.

There were a few ideas that it was felt the Schools' Forum may wish to consider from section 2 of the document:

2.18 Schools Forums can consider adopting a flexible arrangement for time immediately prior to the meeting for training, clarification of agenda items or discussion between members.

Whilst a session before meetings are sometimes arranged for training purposes the members felt that the reports were well written and that good communication meant that the drop in session arrangement was not required.

2.29 The use of nameplates for Schools Forum members.

The members prefer to do their own introductions at the start of the meeting.

The members were also reminded of the importance of reports back to the groups that they represent.

CAPITA Conference on School Funding Reform

The conference in January on School Funding Reform will be attended by the following members:

Patricia Brims

Irene Neill

John Tyzack

Ian Pearson

Claire White

Meeting closed 6:25 p.m.

Date of next meeting: Monday 20th January 2014

Time: 5pm

Venue: Shaw House

Wes	West Berkshire Schools' Forum						
Title of Report:	Estimate of Dedicated Schools Grant (DSG) Funding and Draft DSG Budget for 2014/15						
Date of Meeting:	9 th January 2014						
Contact Officer(s)	Claire White, Shannon Coleman-Slaughter, and Ian Pearson						
For Decision							

1. School Funding Settlement 2014/15

- 1.1 The Department for Education (DfE) announced the School Funding Settlement for 2014/15 on 18th December 2013. There has been no change to the funding rates compared to 2013/14 the settlement is cash flat per pupil.
- 1.2 As in 2013/14, DSG funding is split into 3 funding blocks, each calculated in a different way. The blocks are not ring fenced, though provide a guideline on how the funding should be allocated, and where possible the aim should be to maintain this.
- 1.3 The breakdown of the funding for the 3 blocks is shown in Appendix A. Currently, only the Schools Block is confirmed, the other two blocks are still provisional
- 1.4 The **Schools' Block** contains funding delegated to mainstream primary and secondary schools (reception to year 11), and the few central services which can continue to be centrally retained. It excludes funding for resource unit pupils and top up funding for high needs pupils in mainstream schools. The Schools' Block Guaranteed Unit of Funding (GUF) for 2014/15 remains at £4,359. There were a total of 21,849 relevant pupils in the October 2013 census figures for primary and secondary schools after adjustments for resource unit places and reception uplift, and the Schools' Block DSG has been confirmed as £95.150m. This is after an additional lump sum of £33k has been added towards delegated Newly Qualified Teachers (NQT) statutory induction funding, and a reduction of £123k for the carbon reduction commitment energy efficiency scheme no longer required to be paid on behalf of schools.
- 1.5 The **Early Years Block** contains funding for 3 and 4 year olds funded via the Early Years Single Funding Formula, funding for the most deprived 2 year olds, plus centrally retained expenditure on children under 5. The actual 2014/15 GUF for 3 and 4 year olds remains at £3,911. Our initial DSG allocation is £5.703m based on the January 2013 census. This will be updated in the Summer based on the January 2014 census, with the final allocation for 2014/15 being confirmed in the Summer of 2015 based on 5/12 of the January 2014 census, and 7/12 of the January 2015 census. Funding for 2 year olds

has also been added to the DSG as a total amount, £1.317m based on the DfE estimate of number of 2 year olds eligible and reflecting the extension of the entitlement to 40% from September 2014. Transitional funding received in 2013/14 totalling £364k which represented 50% of the 90% funding floor for 3 year olds has now been removed.

1.6 The High Needs Block contains funding for Special Schools, Pupil Referral Units, Resource Units, top up funding for high needs pupils in mainstream schools, funding for high needs pupils in non maintained special schools, post 16 high needs top ups for students in all settings including Further Education Colleges, plus centrally retained budgets for SEN support services. The funding is fixed at the 2013/14 level plus an additional £448k for the full year adjustment of Academies/Further Education which commenced September 2013. There will be a further adjustment following the place number review, and the final allocation will be notified in March 2014.

2. Estimated DSG Funding and Budget Requirement 2014/15

2.1 The following table provides the current DSG allocation notified for 2014/15, compared to an estimate of the budget requirement. The breakdown of the budget, split between the three blocks is shown in Appendix B.

	GUF	Pupil No's	DSG Funding £'000	Budget Estimate £'000	Headroom/ (Shortfall) £'000
Schools	£4,359	21,849	£95,150	£94,970	£180
Block		(actual Oct 13)			
Early Years	£3,911	1,458	£7,019	£7,052	(£33)
Block		(actual Jan 13)			, ,
High Needs	n/a	n/a	£17,036	£16,565	£471
Block					
Likely Carry			£877		£877
Forward from					
2013/14					
Total			£120,082	£118,587	£1,495

- 2.2 The budget requirement in respect of the schools block is set at £94,970 providing headroom of £180k. The Early Years Block cannot realistically be determined until after the January census, but at this stage it is assumed there will be no significant shortfall. The provisional High Needs Block is currently estimated at £16,565 providing headroom of £471k. Total funding for 2014-15 inclusive of the forecast 2013-14 underspend is £120,082k with a budget requirement of £118,587k creating headroom of £1,495k.
- 2.3 The anticipated under spend for financial year 2013-14 is forecast at £877k. The period 9 forecasting for the DSG and the Council as a whole, at the time of this report has not been finalised, but it is not anticipated to be any significant variance on the position stated.
- 2.4 The DfE has also announced the pupil premium grant (PPG) rates for 2014/15. The rate for pupils eligible for free school meals (Ever6) will be £1,300 for primary pupils and £935 for secondary pupils. The Children looked

after rate will increase to £1,900, and the rate for Service Children (Ever3) will remain at £300. This is approximately £900k of additional funding for West Berkshire pupils. The final PPG funding allocations for 2014/15 will be based on the January 2014 census.

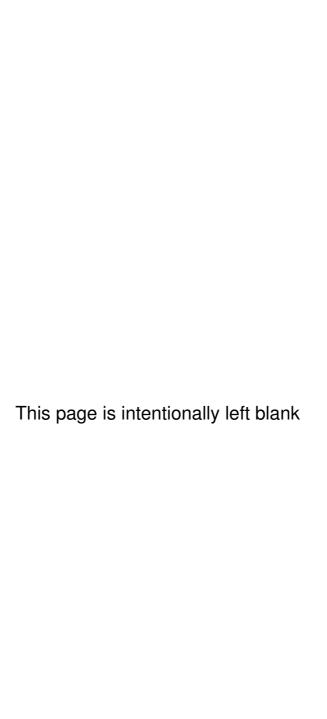

3. Next Steps

- 3.1 The Schools Block DSG is confirmed and the funding rates for school budgets are required to be approved by the Schools' Forum and submitted to the DfE by 21st January (next report on this agenda).
- 3.2The Early Years budget is being considered by the Early Years Steering Group and will be set according to current year take up once the January census data is available. No change to the overall funding rates is being proposed but this will only be possible by carrying forward the current year underspend to meet the shortfall in the reduction in funding. The assumption is that any in year growth will be met by an equivalent increase in DSG.
- 3.3 The High Needs Budget including the SEN Support Service budgets are provisional and work on these budgets is not yet complete. Top Up funding for high needs pupils in schools and pupil referral units, funding for high needs pupils in non maintained special schools, and post 16 high needs top ups for students in all settings including Further Education Colleges will be finalised for March 2014.
- 3.4 The final proposals for the early years and high needs budgets will be brought to the March meeting of the Schools' Forum for final review and agreement.

Recommendation: To agree the next steps as outlined above

NET POSITION

West Berkshire Schools' Forum							
Title of Report: School Formula & School Budget for 2014/15							
Date of Meeting:	20 th January 2014						
Contact Officer(s)	Claire White						
For Decision	1						

1. Background

- 1.1 The formula for 2014/15 was agreed by Schools' Forum on 7th October 2013 and approved by the Council's Executive on 17th October 2012 without any change. It was submitted to the Education Funding Agency (EFA) by the deadline of 31st October.
- 1.2The EFA accepted the submission as being compliant, and no changes are required to the formula. However, now that the data from the October 2013 census is available, and we have received our final Dedicated Schools Grant (DSG) allocation for the Schools Block for 2014/15, the final funding rates need to be set, and submitted to the EFA by 21st January 2014.

2. Final Proposed Funding Rates for Schools Formula

- 2.1 Appendix A provides a breakdown of the funding and rates per factor that were used for the submission to the EFA in October 2013 using October 2012 census data, compared to the funding and rates now using October 2013 census data.
- 2.2To arrive at these revised funding allocations and rates for 2014/15 the following has been carried out:
 - 1. Used the same per pupil funding rates but applied to the actual number of pupils in the October 2013 census.
 - 2. Used the actual 2013/14 non domestic rates costs per school.
 - Recalculated the funding rates for the other factors based on the October data, leaving the total quantum of funding for each of these factors the same; so for example, if the number of pupils qualifying for deprivation funding has gone up, the funding rate per pupil needs to be adjusted downwards.
 - 4. The same funding cap of 2.4% has been applied, even though the cost of the minimum funding guarantee has gone up.
- 2.3 The base funding allocations is then compared to the actual DSG being received within the schools block, less the centrally retained funding. The following table summarises the position:

Schools Block DSG Funding	95,149,760
Less Growth Fund/Falling Rolls Fund	-370,000
Less other Centrally Retained	-398,290
Funding Available for Schools	94,381,470
2014/15 Formula Allocations	-94,201,370
Balance	180,100

- 2.4 The result is that there is approximately £180k of funding left in the Schools Block. The options are as follows:
 - 1. Don't use and add to the high needs contingency. There is likely to be a significant underspend in the high needs contingency in 2013/14 that can be carried forward. Any underspend in the schools block centrally retained budgets for 2013/14 must also be carried forward but cannot be allocated to schools during 2014/15. Therefore it would be best to allocate to schools as much as possible at this stage, particularly if there is likely to be enough funding available for the high needs block.
 - 2. Increase the per pupil funding rate. This is the preferred option as all schools benefit equally, it provides a small increase towards pay award increases, and it reduces reliance on the minimum funding guarantee.
 - 3. Add to the quantum of any of the other funding factors. This will target funding to specific schools only.
- 2.5 The Heads Funding Group have considered these options and recommend utilising all the schools block funding for schools by adding to the per pupil rate (AWPU).
- 2.6 Appendix B1 details the funding changes for each school based on the current AWPU rates and Appendix B2 details the funding changes if the AWPU is increased by £14 (costing £178k).

Recommendation: Add £14 to the per pupil (AWPU) rate for both primary and secondary pupils

<u>Appendices</u>

Appendix A – School Formula Funding 2014/15

Appendix B1 – School Funding Allocation Summary School by School 2014/15 – no change to AWPU

Appendix B2 – School Funding Allocation Summary School by School 2014/15 – increase AWPU

West Berkshire Schools' Forum						
Title of Report:	DSG Monitoring 2013-14, Month 9					
Date of Meeting: 20 ^h January 2014						
Contact Officer(s)	Ian Pearson, Shannon Coleman-Slaughter					
For Discussion						

1. Background

- 1.1 The main source of funding for schools is the Dedicated Schools Grant (DSG). It is a ring fenced specific grant and can only be used on school/pupil activity.
- 1.2The grant is split into three funding blocks. The schools block is calculated by multiplying a guaranteed unit of funding per pupil (set by the DfE) by the actual pupil numbers from the October census count (so October 2013 census for 2014/15 budget); the early years block is calculated by multiplying a guaranteed unit of funding 5/12 from the January 2013 early years census, and 7/12 from the January 2014 early years census; the high needs block is a fixed sum based on the actual budget set by the Council in 2012/13.
- 1.3 The Local Authority is required to use national formula factors but applies local rates to distribute funding to schools.
- 1.4 Centrally Retained Overspends, unless funded from outside the DSG, are carried forward and top sliced from the following year's DSG allocation. Underspends must be carried forward to support the school's budget in future years.
- 1.5The Authority and Schools' Forum are responsible for ensuring that the DSG is deployed correctly, and monitoring of spend against the DSG needs to take place regularly to enable decision making on overspends/underspends and to inform future year budget requirements.

2. Monitoring Position as at Month 9 (31st December 013)

2.1 The following is the position as at the end of December 2013. A further analysis per cost centre is shown in Appendix A:

	Total Budget £m	Actual Spend Forecast £m	Forecast Outturn
			Variance £m
Schools Block (inc ISB)	66.337	66.337	0.0
Early Years Block	7.061	7.061	0.0
High Needs Block	16.392	15.063	-1.329
Total Net Expenditure	89.790	88.461	-1.329
Support Service Recharges	0.720	0.720	0.0
Total Expenditure	90.511	89.181	-1.329
DSG Grant	90.511	90.511	0
Net Position	0	-1.329	-1.329

- 2.2 The Schools Block inclusive of the ISB is forecasting a year end position of on line.
- 2.3 The Early Years Block is forecasting a year end position of on line.
- 2.4 The High Needs Block is forecasting a year end position of £1,329k under spent. Within the High Needs Block the Top Up cost centres are forecasting a pressure of £247k. The High Needs Contingency is currently forecasting a year end position of £939k under spent this is post a virement of budget from contingency of £709k as agreed at the School's Forum on 7th October 2013 into the Top Up cost centres. The net forecast position for the Top Up cost centres, including the contingency, is £692k under spent at the year end.
- 2.5 The High Needs Block non-top up or place funding cost centres are forecasting an under spend of £637k. £309k is on the Non-LEA Special School cost centre due to a reduction of costs and revision of commitments. £400k is recoupment income relating to 2012-13. There is a £70k pressure on home tuition.
- 2.5 Appendix A details all under and over spends forecast within the High Needs Block.
