

Summary of Individual Executive Member Decisions taken on 5 September 2019

Part I

Compton 20mph Speed Limit Consultation (Item 1.)

Individual Decision No:	ID3710
Portfolio Member:	Councillor Richard Somner, Portfolio Holder for Transport and Countryside

Resolved that the Executive Member for Transport and Countryside approves the proposals as set out in Section 9 of this report and as follows:

- That the scheme continues to statutory consultation as per the original proposal.
- Should Compton Parish Council support any suggested amendments these will be investigated and implemented if officers are confident they will work while controlling the speed of the traffic to that expected in a 20mph zone/limit and unlikely to become a cause for objection.
- That the respondents to the consultation be informed accordingly.

However, in view of the local interest in the project, the statutory consultation will not commence until after a public meeting has been held at which officers will explain the proposals and answer questions from residents. Any objections or further suggestions which may be made in response to the statutory consultation will be considered and reported at a further Individual Executive Member Decision in due course.

This decision is eligible to be 'called-in'. However, if the decision has not been 'called-in' by 5.00pm on 12 September 2019, then it will be implemented.
