Where the hackney carriage is used for pre-booked journeys the fare shall be calculated from the point in the district at which the hirer commences their journey in accordance with the Local Government (Miscellaneous Provisions) Act 1976 section 67. If a hackney carriage is booked by telephone, text, email or other electronic means a booking fee may be charged by prior arrangement only

If the journey takes the taxi outside the West Berkshire Council area the driver MUST still charge in accordance with the above scales unless they have agreed otherwise with the hirer before the journey has started. These are the maximum fares chargeable and any lesser fare agreed before commencement of the journey still applies.

Congestion Charge, ULEZ, or any tolls will be applied for any journey where such charges or tolls are incurred. These charges would not appear on the meter.

The driver must carry an assistance dog at no extra charge - Equality Act 2010, section 168

Any comments about a taxi or a driver should be directed to <u>Licensing@westberks.gov.uk</u> quoting if possible the taxi plate number and or the driver's badge number
