Subject: Ref 22025 - Objection to possible licensing

Dear Sirs,

I am writing to lodge my objection of the proposal that the Mortimer Bistro should become licensed. As a direct neighbour of the property, we are already suffering with smells, people parking across our front gate/ on the pavement (despite double yellow lines), staff smoking and staring into our kitchen window and noise. The noise from the outside tables is already an issue, especially at the weekends, and giving people a drink will make it worse as it will last longer into the evening.

Surely, as there are already 3 public houses in the village that serve food there is not a need for a further licensed premises?

We would greatly protest at this premises being licensed.

Yours faithfully,

Mr Steve Murray
