Supporting Information

1. Background

- 1.1 Twice each year the Speed Limit Task Group carefully considers the introduction or amendment of speed limits that have been requested by Members, Parish or Town Councils, members of the public or officers. These requests are assessed with regard to the Department for Transport Circular 1/2006 (setting local speed limits), the character and nature of the road, the recorded injury accident record and any available traffic survey data.
- 1.2 The Speed Limit Task Group, which met on 29th August 2012, is comprised of the following members:
- Councillor Graham Pask,
 - Councillor Gwen Mason,
 - Andrew Garratt, Principal Traffic & Road Safety Engineer,
 - Alan Dunkerton, Speed Management Co-ordinator,
 - Chris Hulme, Thames Valley Police Traffic Management Officer.
- 1.3 The Task Group considered a total of 6 requests for an amendment or introduction of a speed limit at the following locations:
1. A4 Padworth - Update on Call in of 50mph speed limit,
 2. Frouds Lane, Aldermaston - request for a 30mph,
 3. B4000 between A4 and Stockcross Village, Speen - request 50mph and extending 30mph towards Wickham,
 4. Aldworth Road, Compton - request for extension of 30mph east of railway bridge,
 5. Ilsley Road, Compton - request for 40mph speed limit,
 6. A4 Halfway - request for 30mph speed limit,

2. Speed limit Process

- 2.1 If the recommendations contained in this report are approved then the individual sites will be taken forward to the statutory consultation stage, which means that the formal and public consultation of a speed limit can be undertaken. This will include consulting a wide range of statutory consultees together with the appropriate parish/town council and local members, and local residents by the way of a notice published in the local newspaper, notices erected on site and publication on the Council's web site.
- 2.2 A report of any comments and objections received during the formal consultation together with an officer's recommendation will be presented to the Executive Member for Planning, Transport Policy, Property, Highways & Transport (Operational) for Individual Decision. Should the proposal to introduce or change a speed limit be considered appropriate then that proposal will be implemented.

3. Recommendations

- 3.1 The Task Group considered all the above requests and recommended that the following are progressed to the statutory advertisement and consultation stage:

1. A4 Padworth – agreed with the introduction of the 50mph speed limit, which is subject to ID 2470(A),
 4. Aldworth Road, Compton – extension of 30mph east of railway bridge,
- 3.2 The Task Group recommended that no further action is taken on the following requests with regard to the speed limit, but further measures should be considered where shown below.
2. Frouds Lane, Aldermaston – reconsider when the A340 rail bridge is open,
 3. B4000 between A4 and Stockcross Village, Speen – investigate measures to reduce traffic speeds,
 5. Ilsley Road, Compton,
 6. A4 Halfway.
- 3.3 All the persons requesting the speed limit amendments will be informed of the Executive Member’s decision.
- 3.4 Subject to there being no objections received to the statutory consultation for individual Traffic Regulation Orders for each speed limit, the advertised restrictions will be introduced.

Appendices

Appendix A – EIA Stage 1

Appendix B - Ward Members comments

APPENDIX A

Equality Impact Assessment – Stage One

Name of item being assessed:	Speed Limit Review – August 2012
Version and release date of item (if applicable):	2 October 2012
Owner of item being assessed:	Andrew Garratt – Principal Traffic & Road Safety Engineer
Name of assessor:	Andrew Garratt
Date of assessment:	2 October 2012

1. What are the main aims of the item?
The main aim of this item is for the Executive Member to approve the recommendations of the speed limit task group following its meeting on 29 th August 2012. Approval of the recommended speed limits means that they can be formally advertised.

2. Note which groups may be affected by the item, consider how they may be affected and what sources of information have been used to determine this. (Please demonstrate consideration of all strands – Age, Disability, Gender, Race, Religion or Belief and Sexual Orientation.)		
Group Affected	What might be the effect?	Information to support this.
Local Residents	Improved road safety.	Lower vehicle speeds.
Elderly Pedestrians	Improved road safety.	Slower speeds will make safer environment.
Persons with less mobility	Will feel safer using the public highway.	Slower speeds will make safer environment.
Child pedestrians	Improved road safety.	Slower vehicle speeds will give motorists more time to react to an unexpected situation.
Further comments relating to the item: N/a		

3. Result (please tick by double-clicking on relevant box and click on 'checked')	
<input type="checkbox"/>	High Relevance - This needs to undergo a Stage 2 Equality Impact Assessment
<input type="checkbox"/>	Medium Relevance - This needs to undergo a Stage 2 Equality Impact Assessment
<input type="checkbox"/>	Low Relevance - This needs to undergo a Stage 2 Equality Impact Assessment
<input checked="" type="checkbox"/>	No Relevance - This does not need to undergo a Stage 2 Equality Impact Assessment

For items requiring a Stage 2 equality impact assessment, begin the planning of this now, referring to the equality impact assessment guidance and Stage 2 template.
