

Dear Sirs

LICENSING ACT 2003

Application Reference No. : 12/020003/LQN

Name of Premises: The Victoria Arms

Premises Address: 54, Victoria Road, Mortimer, Reading RG7 3SE

We object to the above application on the grounds of excessive noise nuisance late at night and into the early hours of the morning.

We live approximately 200 yards from the premise which back onto Croft Road and have suffered from excessive noise from these premises on previous occasions.

We note that only on Sundays is there any reference to the music being indoors and therefore assume that on all other nights the application is for music to be played **outdoors** as well. This means that loud music could be played outdoors on Friday and Saturday until 01.00 and until 12.00 Mondays to Thursdays. Modern music is generally loud in nature and has lots of bass i.e. loud drum beats. These low frequency notes travel large distances and can cause problems with sleeping particularly in the summer months when many people like to sleep with their windows open. The premises are located in a quiet residential area and the noise will adversely affect many local residents, especially those with young children.
