1. Purpose

- 1.1 This document covers the requirements to publish information relating to the payment of employees, including those on senior salaries, within the Council under s38 of the Localism Act 2011 and the Code of Recommended Practice for Local Authorities in Data Transparency.
- 1.2 The statement includes information relating to the actual remuneration of senior officers during the last financial year (2012/13) and information on the policies on chief officer pay which will be effective from April 2013.
- 1.3 Full Council has approved the Pay Policy Statement.

2. Definitions used in this document

- 2.1 **Chief Officers**; the holders of the posts of Chief Executive and Corporate Directors; the posts of Monitoring Officer (Head of Legal Services) and Section 151 Officer (Head of Finance); the posts of Head of Service.
- 2.2 **Senior officers**; the Chief Executive, Corporate Directors, and Heads of Service
- 2.3 **Senior salary**; annual salary equal to or exceeding £58,200 (the minimum of the Senior Civil Service pay band)
- 2.4 **Lowest paid employee**; minimum of grade B on WBC pay scales (£12,787 per annum full time (37 hours per week) or 6.63 per hour). Notes on this definition are set out below;
 - 2.4.1 Grade A is no longer used in WBC. Minimum Grade B is equivalent to scale point 7 of the NJC pay scale for Local Government Employees.
 - 2.4.2 Apprentices aged 16-18, may be paid on the Government's National Minimum Wage. They have been excluded from this definition on the basis that they are in specific posts created for training purposes.
- 2.5 **Median salary**; £26,646 (full time equivalent). This is a measure of the 'average' salary for employees in the Council.
- 2.6 **Mean salary**; £26,903 (full time equivalent). This is an alternative measure of the 'average' salary for employees in the Council.

3. Pay Policy from April 2012

- 3.1 Job evaluation – employees below grade N
 - 3.1.1 The Hay (Local Government) job evaluation scheme is used to establish the grade for each post relative to all other jobs within the Council. The Job Evaluation procedure is used to evaluate all new jobs and to re-evaluate existing jobs where there have been significant changes.
 - 3.1.2 All jobs are assigned to a grade within the West Berkshire Council salary structure on the basis of the job evaluation score. The individual salary scale points are based on the National Joint Council for Local

Government Employees (Green Book) salary scale. See Appendix D for details.

3.2 Salary structure – employees on Grade N and above

3.2.1 Heads of Service are all paid on Grade N. They constitute the second tier of management and may be allocated new responsibilities as required to meet the needs of the Council at this level, within their grade. Heads of Service report to either a Corporate Director or the Chief Executive (Head of Paid Service).

3.2.2 Corporate Directors are paid on the Corporate Director grade and the Chief Executive is paid on a specific grade for this post. All three may be allocated new responsibilities as required to meet the needs of the Council within their grade.

3.3 Salary on appointment – all employees

3.3.1 Appointments will normally be made to the minimum point of the grade. Managers may take into account the previous experience and skills of the employee to offer appointment above the salary minimum for the post.

3.4 Incremental progression – all employees

3.4.1 Up to grade M, each employee progresses through the grade band for the posts by the award of one increment (or spinal column point (SCP)) on 1st April each year until the maximum of the grade band is reached, subject to 6 months service in the grade band (whether that band has been attained by appointment, promotion or regrading).

3.4.2 Any existing employee who is appointed to a new post within the Council whose salary, on 1st April, would otherwise be less than one column point in excess of the salary they would have received on that day in their old grade band, will be entitled to an increment on that day even if he/she has not been 6 months in the new post.

3.4.3 An increment may be withheld if an employee is subject to formal disciplinary or capability procedures during the year leading up to the 1st April and this decision has been communicated to the employee and recorded as part of those proceedings.

3.4.4 An additional increment may be awarded in any one year to an employee, at the discretion of the Head of Service, on the grounds of special merit or ability, provided the maximum of the grade is not exceeded.

3.5 Incremental progression – employees on grade N and above

3.5.1 Managers on Grade N (Heads of Service) and above can only progress through the increments within the grade if their performance, as assessed at the annual appraisal, is rated as satisfactory, good or excellent.

3.6 Additional payments – all employees

- 3.6.1 Payment for additional hours, undertaking higher responsibilities, non-standard working arrangements, market supplements and other exceptional circumstances will be made, where applicable, in accordance with the relevant [West Berkshire Terms and Conditions of Service](#)
- 3.6.2 Car allowance payments for new senior managers ceased to be paid from November 2007. Some senior employees who were already in receipt of such allowances continue to receive them on a protected basis whilst in post. Essential car users (defined as those who travel at least 2500 business miles per annum or for whom a car is essential for the performance of the job) receive an allowance in line with NJC rates.
- 3.6.3 The Council does not operate a separate bonus scheme for its Chief Officers, nor does it provide any other benefits or make any payments outside those which are detailed in Appendix B or in the Terms and Conditions of Service referred to above.

4. Pay ratios in the Council

- 4.1 It is the Policy of the Council to ensure that the ratio of the salary of the highest paid officer and the lowest paid officer is well below the 20:1 ratio recommended as a maximum in the terms of reference for the 2011 Hutton Review of Fair Pay in the Public Sector.
- 4.2 As at 1st April 2012, pay ratios within the Council stand as follows;
- Highest:lowest = 11:1
 - Highest:median = 5:1
- 4.3 This is based on the following salary packages;
- Highest paid (maximum CX plus car allowance) = £138,418
 - Lowest paid (minimum grade B) = £12,787
 - Median (average) = £26,646

5. Review

- 5.1 This policy will be reviewed at least annually and more frequently if necessary to respond to any changes.
- 5.2 The Personnel Committee is responsible for recommending the policy statement for approval by full Council.
