The Chairman also highlighted that his second charity quiz night took place on Thursday 25th April at St Bartholomew's School. The quiz was won by 'The Buena Vista Anti Social Club' from the Finance Service. The Chairman thanked the quizmasters Mr and Mrs Smyth who gave their time free for the event. He also thanked employees who organised the event which raised £885 for his nominated charity.

The Chairman stated that it had been a tremendous privilege to be appointed as the Chairman for the 2012/13 Municipal Year. A year that included the Queen's Jubilee celebrations, the Olympic torch through the District, the Olympic Games and the Paralympics, the Queens Garden Party at Henley, a total of four royal visits to the District, many events involving the Lord Lieutenant and High Sheriff of the County, events with the Mayors of other Unitary Authorities and the Towns in Berkshire, as well as numerous events involving sporting or charities of one sort or another.

It had also given him the opportunity to see first hand the brilliant work undertaken by an army of volunteers in the District to help their fellow residents. On behalf of the Council he thanked them unreservedly for their efforts. He also thanked all those people who had attended or contributed to events which had been organised to obtain funds for his nominated charity, Help for Heroes. The total raised was £3435 a significant sum in these difficult economic times.

(Councillor Keith Chopping in the Chair)

The new Chairman read and signed the Declaration of Acceptance of Office. Chopping thanked the Council for electing him and Councillors Jones and Neill for their kind words.

Councillor Chopping thanked the outgoing Chairman, Councillor Adrian Edwards, for the sterling work he had undertaken during his year of office. He also thanked Mrs Edwina Cooper for the support she had afforded to Councillor Edwards during his year in office.

COUNCIL - 14 MAY 2013 - MINUTES

Councillor Chopping then thanked the Council for bestowing the honour on him for a second time. He acknowledged that he would be following in the footsteps of the late Councillor Keith Lock who had also served two terms and that he would strive to emulate his excellent example.

Councillor Chopping reported that his chosen charity for 2013/14 was Children with Cancer. He had chosen the charity in remembrance of his own brother who had died of leukaemia when he was thirteen years old.

Councillor Chopping alerted Members to the fact that a special Council meeting would be held on the 06 June 2013. Contrary to custom and practice some of the appendices to the reports would be issued to Members in electronic format. Hard copies would be produced for Members that requested them and in addition copies would be available in the Group Support Offices and in the Members' Room. Members were supportive of this approach.

Councillor Jeff Brooks welcomed the new Chairman and thanked the outgoing Chairman and Vice Chairman for the excellent work they had undertaken.

68. **Appointment of Vice Chairman for the 2013/14 Municipal Year (C2510)**

The Chairman requested nominations for the position of Vice-Chairman of Council for the Municipal Year 2013/14. In response to this request Councillor David Holtby was nominated by Councillor Jeff Beck and the nomination was seconded by Councillor Paul Hewer. There were no further nominations for the position of Vice-Chairman.

Councillor Beck in proposing Councillor Holtby noted that his former role of Conservative Agent had provided him with an opportunity to garner a huge amount of knowledge about the District which would stand him in great stead for this role.

Councillor Hewer stated that Councillor Holtby had many great qualities including the ability to negotiate in difficult circumstance, was always willing to go the extra mile, he was a great champion for people especially the less fortunate, he was calm, mature, a good organiser and always professional. He was therefore certain that Councillor Holtby would fill the role of Vice Chairman diligently.

RESOLVED that Councillor David Holtby be appointed Vice-Chairman of Council for the Municipal Year 2013/14.

The Vice-Chairman read and signed the Declaration of Acceptance of Office. Councillor Holtby thanked the Council for electing him. He noted that this was a huge honour and he would support Councillor Chopping to the best of his ability. Councillor Holtby thanked the outgoing Chairman and Vice-Chairman for the work they had undertaken in the previous year.

He also welcomed Councillor David Allen and Councillor Gwen Mason to the opposition front bench.

72. **Appointment of and Allocation of Seats on Committees 2013/14 Municipal Year (C2512)**

The Council considered a report (Agenda Item 9) concerning the appointment of and allocation of seats on Committees.

MOTION: Proposed by Councillor Gordon Lundie and seconded by Councillor Pamela Bale:

‘That the Council:

1. notes that under paragraph 8 of the Local Government (Committees and Political Groups) Regulations 1990, notice has been received that the Members set out in paragraph 1.1 of this report are to be regarded as Members of the Conservative and Liberal Democrat groups respectively.

3. agrees to the allocation of seats to the political groups in accordance with Section 15(5) of the Local Government Act 1989 as set out in Paragraph 3.4 and Table B.
4. In respect of the District and Area Planning Committees, the substitute Members are all drawn from Members representing wards within the Committee's area who are not appointed to the Committee.
5. notes the number of substitutes on Committees and Commissions be as set out in Paragraph 4.1 (Table C).
6. approves the appointment of Members to the Committees as set out in Appendix B and in accordance with the wishes of the political groups.
7. in accordance with Regulation 4, Schedule 3 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000, and the Local Authorities (Functions and Responsibilities) (England) (Amendment no.2) Regulations 2008, agrees the Council's Policy Framework for 2013/14 be as set out in Paragraph 6.1 and that any appropriate amendments be made to the Council's Constitution should this be necessary.
8. in accordance with Regulation 5, Schedule 4 of the Local Authorities (Functions and Responsibilities) (England) regulations 2000, approves that all other plans, policies and strategies requiring approval and not included in the approved policy framework be delegated to the Council's Executive.
9. agrees that Paragraph 2.6.5 of Article 6 of the Council's Constitution, setting out the Executive Portfolios, be amended to reflect any changes made at the Annual Council meeting.
10. agrees that the appointment of two non voting co-opted parish/town councillors be made to the Standards Committee.
11. agrees that two parish/town councillors and two independent members be appointed to the Standards Committee's Advisory Panel.
12. notes that the council has appointed James Rees and John Bingham to be its independent persons.
13. Agrees that authority be delegated to the Head of Strategic Support and the Head of Legal Services to amend the Council's Scheme of Delegation and Overview and Scrutiny Rules of Procedure to reflect the work of the Health Scrutiny Panel and the Resource Management Working Group being subsumed into the Overview and Scrutiny Management Commission.
14. Notes the Council's Calendar of meetings be amended to reflect that the Health Scrutiny Panel and the Resource Management Working Group have been subsumed into the Overview and Scrutiny Management Commission."

Councillor Gordon Lundie noted that this was an annual report and that it had not been amended significantly. The only significant change was the removal of the Health Scrutiny Panel and the Resource Management Working Group which would be subsumed into the Overview and Scrutiny Management Commission (OSMC) which had

COUNCIL - 14 MAY 2013 - MINUTES

been enlarged to take cognisance of this change. Time limited task and finish groups could be set up to underpin the work of the OSMC.

Councillor Jeff Brooks noted that his group supported all the recommendations in the report except recommendation two and he therefore requested that the recommendations could be voted on individually. Councillor Brooks thanked Councillor Brian Bedwell for the hard work he had put into making scrutiny successful and for the fair way in which he had chaired the meetings. He felt that it was important to grapple with the minutiae and felt that scrutiny had an integral role to play in doing this and he therefore asked Members to reconsider the deletion of the Health Scrutiny Panel (HSP) and the Resource Management Working Group (RMWG).

Councillor Gwen Mason noted her dissatisfaction with the proposal to disband the HSP. She felt that Councillor Quentin Webb had shown good leadership in the way he had conducted meetings which had produced significant outcomes.

Councillor Tony Vickers noted that paragraph 2.8 of the report articulated the need to reduce the number of meetings. He was not aware of this requirement and felt that if anything the number of public meetings should be increased. The time limited task groups referred to by Councillor Lundie would be held in private which would exclude members of the public from the process. He felt that the proposed arrangements would not allow the level of scrutiny into the Council's resources that was required.

Councillor Graham Jones thanked Councillors Brooks and Bedwell for the way that scrutiny had been undertaken in the past. He noted that since the inception of the HSP the landscape in respect of health had changed dramatically. A number of bodies including Healthwatch and the Health and Wellbeing Board had been set up and it was important to work in an integrated way and not duplicate work. He felt that scrutiny should be used as a tool for improving the way services were provided and was not about opposition. He therefore felt that scrutiny should therefore not be politicised and should be undertaken by back benchers in the main.

Councillor Gordon Lundie noted that to date a lot of the work undertaken by scrutiny had been excellent. However the main role of scrutiny was to hold the Leader of the Council, the Executive and Senior Officers to account and he did not feel that this was what was currently happening. He had therefore asked that the membership of the OSMC be increased to improve the Commission's ability to hold senior Officers and Members to account. He too was of the opinion that the Commission should be filled by back benchers and that scrutiny should not be used as a political tool. He stated that he currently did not fear scrutiny and that he should and that he would welcome the challenge in the future.

In accordance with the request made by Councillor Brooks the Chairman agreed that the recommendations would be voted on in three separate blocks.

Recommendation one was put to the meeting and duly **RESOLVED**.

Recommendation two was put to the meeting and duly **RESOLVED**.

Recommendations three to fourteen were put to the meeting and duly **RESOLVED**.

73. **Adjournment of Meeting**

The meeting was adjourned at 8.08pm.

RESOLVED that the meeting of Council be adjourned to enable the various Committees to determine their Chairmen and Vice-Chairmen.

74. Recommencement of Meeting

The meeting was reconvened at 8.19pm

75. Standards Committee Annual Report 2012/13 (C2508)

The Council considered a report (Agenda Item 12) which provided Members with an update of the activity undertaken by the Standards Committee over the previous Municipal Year.

MOTION: Proposed by Councillor Dominic Boeck and seconded by Councillor Gwen Mason:

That the Council:

- “1. notes the content of the report.
2. circulates the document to all Parish/Town Councils in the District for information.”

Councillor Dominic Boeck in introducing the item reported that the revised Standards regime appeared to be operating well and he thanked David Holling for his input that had ensured a smooth transition.

The Motion was put to the meeting and duly **RESOLVED**.

76. Public Health - Scheme of Delegation (C2651)

(Councillor David Rendel declared a personal interest in Agenda item 13 by virtue of the fact that his wife was a GP. As his interest was personal and not a disclosable pecuniary interest he determined to take part in the debate and vote on the matter).

(During the discussion of this item Councillor Tony Vickers declared a personal interest in Agenda item 13 by virtue of the fact that his wife was a member of Healthwatch. As his interest was personal and not a disclosable pecuniary interest he determined to take part in the debate and vote on the matter).

The Council considered a report (Agenda Item 13) concerning proposals that the Council's Scheme of Delegation be updated to reflect the new Public Health duties placed on the Council in accordance with the Health and Social Care Act 2012.

MOTION: Proposed by Councillor Jeff Beck and seconded by Councillor Gordon Lundie:

That the Council:

“delegates authority to the Head of Strategic Support to update the Council's Constitution (Scheme of Delegation) to reflect the Council's duties in relation to Public Health.”

Councillor Jeff Beck in introducing the report noted that a range of public health functions had transferred to the Council on the 01 April 2013. As a consequence there was a need to update the Council's Scheme of Delegation to reflect this change. The matter had been considered at the Governance and Audit Committee on the 29 April 2013 where the proposals had been agreed,

Councillor Tony Vickers explained that he had abstained from voting on this matter at the Governance and Audit meeting as the report did not set out the actual amendments that would be required.

Councillor Graham Jones noted that paragraph 2.2 of the report set out the functions that would be transferred to the Council and these would be incorporated into the Scheme of Delegation. Councillor Gordon Lundie explained that the actual amendments were scheduled to be considered by the Governance and Audit Committee but that this report

COUNCIL - 14 MAY 2013 - MINUTES

sought approval for the Head of Strategic Support to draft the changes. He was delighted to see public health functions returning to local authorities. He felt that although it was a vast area of work it brought with it a great number of opportunities which he welcomed

Councillor Beck noted Councillor Vickers' concerns which he had raised at the Governance and Audit Committee but acknowledged that this was work in progress and the final draft of the Scheme of Delegation would be brought back to Governance and Audit Committee to scrutinise.

The Motion was put to the meeting and duly **RESOLVED**.

77. **Amendment to the Constitution - Part 7 Speaking Rights at Planning Meetings (C2641)**

The Council considered a report (Agenda Item 14) concerning a proposal to amend speaking rights for adjoining Parish Councils at Planning Committee meetings.

MOTION: Proposed by Councillor Jeff Beck and seconded by Councillor Tony Vickers:

That the Council:

“amends the Regulatory and Other Committees Rules of Procedure (Paragraphs 7.13.3 and 7.13.4) which deal with the procedure for dealing with and the time allowed in respect of speaking rights at Planning Committee meetings”.

Councillor Jeff Beck reported that there were occasions at planning meetings where adjoining parishes might be significantly impacted on by an application. The Constitution currently did not permit them to have an individual speaking slot at the meeting. Members of the Planning Policy Task Group, at a meeting on the 25 January 2013, had asked that this situation be revisited. The proposed amendment would permit them an individual slot to speak at meetings where there was a fundamentally different outcome of either refusal or approval.

Councillor Alan Macro stated that although he was supportive of this change to the Constitution he also wished to see this speaking right extended to adjoining Ward Members.

AMENDMENT: Proposed by Councillor Alan Macro and seconded by Councillor Julian Swift-Hook:

That the Council:

“amends paragraph 7.13.3 of the Council's Constitution by the insertion of the two lines set out in italics below:

The following procedure shall apply in respect of each item where any of the aforementioned persons are present:

- Introduction of item by Officers;
- Representations by Parish/Town Council representative (s);
- Members' questions to Parish/Town Council representative (s);
- Representations by Adjoining Parish/Town Council representative(s) (when formally consulted or as agreed by the Chairman and Development Control Manager (or his representative) in advance of the meeting);
- Members' questions to Adjoining Parish/Town Council representative(s)
- Representations by objector(s);
- Members' questions to objector(s);

COUNCIL - 14 MAY 2013 - MINUTES

- Representations by supporter(s);
- Members' questions to supporter(s);
- Representations by applicant or agent.
- Members' questions to applicant or agent;
- *Representations by Adjoining Ward Member(s);*
- *Members' questions to Adjoining Ward Member(s);*
- Representation by Ward Member(s)
- Members' questions to Ward Member(s)
- Members' questions to Officers
- Consideration of application by Members.

[Note 1: Questions raised as part of the above process may only be asked to clarify a statement made and not to introduce new business.]

[Note 2: For the avoidance of doubt and in accordance with the Council's custom and practice, should the Committee consider an application affecting more than one Parish and/or Ward, the Chairman, with the agreement of the Committee, may allow additional speakers/representatives from the relevant Ward and/or Parish.]"

The meeting was adjourned from 8.32pm to 8.44pm to give Members an opportunity to consult on the proposed amendment.

Councillor Alan Law informed the Council that he would be supporting the amendment albeit reluctantly. He was concerned about the erosion of the Chairman's discretion by these types of amendments to the Constitution. Councillor Graham Pask echoed Councillor Law's concern but noted that the instances where this would arise would not be very frequent. Councillor Brooks thanked Members for their apparent support for the amendment which he felt was necessary in order to ensure the avoidance of any doubt at meetings when these situations arose.

Councillor Paul Bryant, as Chairman of a Planning Committee, welcomed the suggestion. He noted that planning meetings were quasi judicial meetings and he therefore supported any proposals that would reduce accusations of unfairness where the chairman used their discretion. Councillor Julian Swift-Hook felt that this was a sensible change and was only likely to be used when major applications were discussed.

The Amended Motion was put to the vote and declared **CARRIED**.

Councillor Jeff Beck thanked Councillor Macro for the amendment. Discussion then returned to the substantive motion. The Motion was put to the meeting and duly **RESOLVED**.

78. Re-profiling of Highways and Transport Capital Programme (Urgent Item)

The Council considered a report (Agenda Item 15) which sought approval for re-profiling of the Highways and Transport capital budget allocation.

MOTION: Proposed by Councillor Pamela Bale and seconded by Councillor Alan Law:

That the Council:

“approves this proposal.”

COUNCIL - 14 MAY 2013 - MINUTES

Councillor Pamela Bale in introducing the item thanked Councillors Chopping and Law for the work that they had put into developing the proposal. She opined that this was an innovative way to meet the unforeseen demand that had arisen due to circumstances that were outside the control of the Council. The inclement weather in the previous autumn and winter had a significantly worse impact on the condition of the Districts roads than could have been foreseen. The proposal was to bring forward £1.39m of capital funding previously scheduled for future years into the current year's capital programme. This would allow Officers to add an additional 28 sites to the current programme agreed via Individual Decision in March 2013. Without this change the Council would be required to spend around £450k on repairs on these sites in any event. In addition the reprofiled budget would also allow additional work to be undertaken on ten roads already identified in the current year's programme.

Councillors Woodhams and Brooks welcomed the proposal but were concerned that funding would be required in subsequent years to undertake similar work. They wondered where this funding might come from, if it was required which they felt would be likely.

Councillor Gordon Lundie noted that the deterioration in the condition of the roads was as a consequence of challenging weather conditions and was not due to any under investment in this area.

Councillor Alan Law informed the Council that bringing forward the funding was cost neutral and would only have a small impact of around £8k on cash flow. He therefore felt that this was a good investment as it would reduce future maintenance costs.

Councillor Pamela Bale felt that this was a good news story and was a necessary step to address an emerging issue. It was important to invest now in order to save future costs. She would revisit next year's budget once the condition surveys, which were undertaken in the autumn, had been completed.

The Motion was put to the meeting and duly **RESOLVED**.
