It is intended that the Applicant's premises will have in the order of 180 covers internally. The proposed premises will open as a public house providing a substantial quality food offering and limited regulated entertainment, as identified on the deposited plans. Application will be made for a permit for AWP machines.

Application for Planning Permission is pending for the site.

The layout is proposed in accordance with the plans deposited with the Licensing Authority with this application, being: -

The premises will have the benefit of residential accommodation which will include the Manager's accommodation on the first floor.

The premises seek to be able to sell to residents and supply their bona fide guests 24 hours per day, as per the non standard timing sought in accordance with the usual permission permitted historically.

At this stage, it is proposed that the premises will have key external areas identified on the plans being garden areas and a terrace patio area which areas are intended to have the benefit of waitress service (as appropriate).

On opening the premises will trade under one of the applicant's brands as a quality food lead outlet. There will be high levels of service and some waitress provision to the dining areas.

Other licensable activities, in particular regulated entertainment will be ancillary to the provision of food and alcohol. It is anticipated that any such regulated entertainment will be provided on an occasional basis only and limited to 12 occasions per year, although likely to be significantly less.
