Subject: 1401060-LQN - Wokefield Park License Application

Dear sir,

We would like to object to the Wokefield Park license application which applies to extend the current alcohol & entertainment hours.

We already suffer considerable traffic down Goodboys Lane late at night from Wokefield Park & this will only extend later into the early hours if this application is approved.

We also hear considerable noise from fireworks on a regular basis - will this license also extend the hours in which fireworks can be let off?

We feel that the existing license hours are more than sufficient as they already extend to 01:00 in the morning. There is already significant traffic leaving the site after this time so extending the hours to 02:00 will see traffic leaving the venue up to 02:30+ which is unreasonable for local residents.

Kind regards,

Debbie & Andy Fisher
