PLEASE FIND ATTACHED A PETITION GIVEN TO ME BY ONE OF MY RESIDENTS NAMELY

Mr T Joyce
1 Sandown Avenue
Calcot
Reading
RG31 7DR RG31 4RB

which voices the concerns of residents regarding the application by BP Garage on the A4 in Calcot, to sell alcohol 24 hours a day.

I do support the concerns of the residents regarding the possible disruption to their lives which the granting of this license will generate.

Yours sincerely

B N Bedwell

Global UK Fuel for BP Calcot ~Express Shop and Garage, Bath road Calcot, Reading

We, the undersigned, object strongly to the Application for variation of licensing hours, to enable alcohol to be sold for 24 hours a day, Monday to Sunday inclusive at the above Establishment..

This will encourage anti social behaviour, public nuisance, crime and disorder for nearby residents when they will be trying to sleep. The Calcot Priory flats overlook this Shop/Garage forecourt and this will be detrimental to the value of the properties and to the well being of the residents, who are all elderly.
