Executive Summary

1. Introduction

- 1.1 The workload of the Standards Committee has declined over the last few years. Officers have therefore been asked to look into merging the Governance and Audit and Standards Committees of the Council in order to streamline governance arrangements.
- 1.2 In addition The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015 have recently been enacted which require the Council to make changes to the Constitution to include certain provisions relating to the potential dismissal or disciplining of the Head of Paid Service, Monitoring Officer or S151 Officer. As part of the procedural changes required a panel needs to be set up to advise on matters relating to the dismissal of these Officers. The Act requires at least two Independent Persons who have been appointed under section 28(7) of the Localism Act 2011 to be appointed to the panel. The roles of the Independent Persons therefore needs to be updated.

2. Proposals

2.1 It is proposed that:

- The two Committees are merged to form a Governance and Ethics Committee;
- A revised set of terms of reference of the Governance and Ethics Committee be adopted;
- The membership of the revised Governance and Ethics Committee to comprise ten members (eight District Councillors appointed on a proportional basis and two co-opted non-voting Parish/Town Councillors);
- The structure of agendas be arranged so as to ensure that the Parish Councillors would only need to attend the Standards element of the meeting;
- The Advisory Panel and Independent Persons to be retained;
- The role of the Independent Persons be updated to include the requirements set out in The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015;
- Authority be delegated to the Monitoring Officer to amend all relevant parts of the Constitution to reflect the new governance structure;
- Authority be delegated to the Head of Strategic Support to amend the timetable of meetings for 2015/16.

3. Equalities Impact Assessment Outcomes

3.1 This item is not relevant to equality.

4. Conclusion

4.1 Although the merge of the two Committees will not generate significant financial savings this merger will assist the Council with streamlining its governance arrangements. The Governance and Audit Committee is therefore invited to consider and if appropriate endorse Officer's recommendations to combine the

Governance and Audit Committee and Standards Committee to create a Governance and Ethics Committee, as detailed above.

Executive Report

1. Introduction

- 1.1 The Council, in its constitution, delegates its work in relation to challenge and independent assurance of the Risk Management Framework and associated internal control to the Governance and Audit Committee.
- 1.2 At present, the main roles of the Governance and Audit Committee are to challenge and provide independent assurance on the Risk Management Framework and associated internal controls of the Council, consider and make recommendations to the Council on proposed changes to the Constitution, review the Council's financial statements and review the external auditors' annual audit letter.
- 1.3 The Governance and Audit Committee met five times in the 2014/15 Municipal Year. This Committee currently comprises eight Members appointed on a proportional basis.
- 1.4 The main roles of the Standards Committee are promoting and maintaining high standards of conduct by Councillors and co-opted Members; assisting Councillors and co-opted Members, to observe the Members' Code of Conduct; advising the Council on the adoption or revision of the Members' Code of Conduct; monitoring its operation; advising and training Councillors and co-opted Members on matters relating to the Members' Code of Conduct; granting dispensations to Councillors and co-opted Members on requirements relating to interests; ensuring arrangements are in place under which allegations of misconduct in respect of the members' Code of Conduct can be investigated, to review such arrangements appropriately; and to exercise the above in relation to the Parish and Town Councils in the District.
- 1.5 The Standards Committee also has a role in considering and recommending improvements to the relevant sections of the Constitution covering the conduct of Councillors and ethical standards of the Council.
- 1.6 The Standards Committee met five times in the 2014/15 municipal year; the first was to elect the Chairman and vice-Chairman and four subsequent meetings in the main to receive the quarterly Standards Reports. Two of these meetings were held virtually. This Committee currently comprises eight members comprising six District Councillors and two non-voting cop-opted Parish Council representatives. The District Councillors are appointed on a proportional basis.
- 1.7 The number of complaints about Councillors has reduced over the last few years although the workload associated with dealing with and avoiding complaints by Officers is still high. In addition, due to introduction of the revised procedures in 2012, the number of complaints being investigated has reduced significantly. The Standards Committee is only required to consider complaints where the matter has been investigated and a potential breach of the relevant Code of Conduct is identified by the investigator.
- 1.8 Due to the reduced workload of the Standards Committee it is proposed that the Governance and Audit and Standards Committees be merged to create a new Committee to be known as the Governance and Ethics Committee.

- 1.9 Following the enactment of the Localism Act 2011 the Council amended the Standards processes and procedures. The revised governance structures included the appointment of an Advisory Panel and it is proposed that this panel be retained.
- 1.10 Under Section 28 of the Localism Act 2011 the Council has to appoint at least one Independent Person who is consulted before any decision is made to investigate an allegation against any Member of the Council or any Parish Councillor. It is proposed that this arrangement is also retained.
- 1.11 The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015 have recently been enacted which require the Council to make changes to the Constitution to include certain provisions relating to the potential dismissal or disciplining of the Head of Paid Service, Monitoring Officer or S151 Officer. As part of the procedural changes required a panel needs to be set up to advise on matters relating to the dismissal of these Officers. The Act requires at least two Independent Persons who have been appointed under section 28(7) of the Localism Act 2011 to be appointed to the panel. The roles of the Independent Persons therefore need to be updated.

2. Proposed Revised Terms of Reference

- 2.1 The purpose of the Governance and Ethics Committee will be to provide effective challenge across the Council including maintaining high standards of conduct and provide independent assurance on the risk management framework and associated internal control environment to Members and the public, independently of the Executive.
- 2.2 It is proposed that the functions of the Governance and Audit Committee and Standards Committee be combined to create the proposed terms of reference for the Governance and Ethics Committee set out in Appendix A.

3. Membership

- 3.1 It is proposed that, in line with the Governance and Audit Committee, the Governance and Ethics Committee shall consist of ten members comprising eight Councillors, reflecting the political balance of the Council and two co-opted non voting Parish/Town Councillors. The Parish Councillors would only be invited to attend the meeting when Standards matters were due to be discussed. Agendas would be structured so that Standards items would be considered at the start of the meetings in order that Parish Councillors would be able to leave the meetings at that point should they wish to.

4. Independent Persons

- 4.1 Under Section 28 of the Localism Act 2011 the Council has to ensure it has appointed at least one Independent Person who is consulted before any decision is made to investigate an allegation against any Member of the Council or any Parish/Town Councillor. It was agreed at the Full Council meeting on the 27 September 2012 that the Independent Person may be consulted directly either by the person who has made the complaint or the person the complaint has been made about. Two Independent Persons were therefore appointed in order to ensure that a conflict situation did not arise. It is proposed that this arrangement is retained.

4.2 It is proposed that in order to accommodate the requirements of The Local Authorities (Standing Orders) (England) (Amendment) Regulations 2015 the role of the Independent Persons be expanded to include a requirement to sit on a panel where the potential dismissal or disciplining of the Head of Paid Service, Monitoring Officer or S151 Officer is discussed. This panel would make a recommendation to Full Council.

4.3 For the avoidance of doubt a person is not considered to be "independent" if:-

- a) They are or have been, within the last five years, an elected or co-opted Member or officer of the Council or of any Parish Council's within this area. This also applies to committees or sub-committees of the various Councils.
- b) They are a relative or close friend of a current elected, or co-opted, Member or officer of the Council or any Parish Council within its area, or any elected or co-opted member of any committee or sub-committee.
- c) The definition of relative includes the candidate's spouse, civil partner, grandparent, child etc.

5. Role of the Advisory Panel

5.1 The membership of the Governance and Ethics Committee would be appointed on a proportional basis. Current legislation excludes independent members and Parish Council representatives from sitting and voting on Standards Committees. The Advisory Panel makes recommendations to Standards Committee in regards complaints and investigations about both District and Parish Councillors.

5.2 It is therefore proposed that the Governance and Ethics Committee would continue to be supported by the Advisory Panel for the following reasons;

- in order to minimise accusations of political bias;
- and as West Berkshire Council has responsibility for dealing with complaints against elected and appointed members of Parish/ Town Councils.

5.3 It is proposed that the current membership of the Advisory Panel comprising eight members be retained. This would include two members of the Administration, two members of the Opposition, two Parish and two Independent members and is chaired by an independent member

6. Savings

6.1 This amalgamation of the two Committees will generate a small saving (refreshments and travel for 4 meetings a year of approximately £300per annum).

8. Conclusion

8.1 The Governance and Audit Committee is invited to consider the Officer's recommendations to combine the Governance and Audit Committee and Standards Committee to create a Governance and Ethics Committee, as detailed above and if appropriate make a recommendation to Full Council.
