# West Berkshire Council Schools Funding for Primary Schools in Financial Difficulty 2016/17 **DRAFT**

---

## 1. Background

- 1.1 Under School funding reform, from April 2013 local authorities have been required to delegate to all schools the contingency previously held for schools in financial difficulty. Each phase in the maintained sector has the option of de-delegating this funding to continue to have this funding centrally retained.
- 1.2 At the Schools' Forum meeting held on **28<sup>th</sup> September 2015**, the primary school members of the Forum opted to continue to de-delegate this funding in **2016/17**. The amount totals **£115,110 in 2016/17**.
- 1.3 The Schools' Forum is required to set clear criteria for the allocation of this funding. The criteria for **2016/17** was reviewed and agreed by the Schools' Forum at its meeting on **28<sup>th</sup> September 2015** and is set out below.

## 2. Contingency for Schools' In Financial Difficulty Criteria (Maintained Primary Schools Only)

If a school has a deficit budget it may be allocated additional support funding. If a school can meet the following criteria, a bid for additional funding can be made by the school to be considered by the Schools' Forum:

1. The school has sought and followed the advice of the Schools' Accountancy Service prior to going into deficit
2. The school has (up to) a five year robust deficit recovery plan in place which has been discussed with and verified by the Schools' Accountancy Service.
3. Additional funding may be payable for one of the following exceptional unforeseen circumstances which has taken the school into deficit:
  - Short term downturn in pupil numbers - to maintain current staffing structure where evidence can be provided that the numbers are likely to recover within a 2 - 3 year period and where downsizing of staff and resultant redundancy costs in order to balance the budget on a short term basis would not be an efficient use of resources.

- Sudden permanent downturn in pupil numbers in a school causing concern (i.e. Ofsted category of notice to improve or worse) - to maintain current staffing levels on a temporary basis where to reduce the staffing levels immediately in order to balance the budget would be detrimental to the recovery of standards in the short term.
- Unforeseen sudden permanent downturn in pupil numbers - to cover staffing costs during a short term interim period whilst restructuring takes place and in order where possible to avoid redundancies (such as through natural wastage).
- Redundancy payments, where the staffing reductions are required in order to balance the budget, but these costs will put the school further into a deficit position which cannot be recovered over a 5 year period.

In order to access this funding, a school will need to complete and submit an application to the WBC Schools' Finance Manager who will arrange a panel (usually the next Heads Funding Group) to assess the application. The school will be invited to present their case in person to the panel and answer questions. The panel will also be provided with benchmarking information produced by Schools' Accountancy (which will be shared with the school prior to the meeting). The panel will recommend the amount and duration of the financial support to Schools' Forum for approval or not.
