<b>Title of Report:</b>	<b>High Needs Place Funding 2016/17</b>
<b>Date of Meeting:</b>	<b>28th September 2015</b>
<b>Contact Officer(s)</b>	<b>Jane Seymour</b>
<b>For Discussion</b>	

## **1. Background**

- 1.1 Place funding is allocated by the Education Funding Agency for children and young people with high level needs who are under 16 and attend a special or resourced school.
- 1.2 Place funding is also allocated by the Education Funding Agency for young people with high level needs who are over 16 and attend a mainstream school, special school, resourced school or FE College.
- 1.3 Place funding in 2015/16 was based initially on place funding allocated by the EFA in 2014/15. A process was put in place by the EFA for Local Authorities to make "exceptional" requests for planned place numbers in 2015/16 over and above 2014/15 numbers. The EFA stated that exceptional planned place requests were unlikely to be agreed unless either (a) actual numbers in 2014/15 were significantly higher than the planned places (at least 10% higher), or (b) a significant number of new places were needed as a result of a change in infrastructure such as a new school.
- 1.4 West Berkshire Council made the following requests for increases to planned places through the exceptions process.

<b>School/setting</b>	<b>14/15 Planned Places</b>	<b>Places requested for 15/16</b>	<b>Places agreed by EFA for 15/16</b>
Brookfields	218	230	218
The Castle	147	156	147
Trinity ASD Resource	0	4	0
West Berkshire Training Consortium	0	6	4
Newbury College	68	100	91

- 1.5 All requests were refused apart from the addition of 4 planned places for the West Berkshire Training Consortium and the addition of 23 planned places for Newbury College.
- 1.6 The Council made a formal challenge to this decision but the EFA was unwilling to make any changes to planned place numbers for 2015/2016. Many other Local Authorities had similar experiences of the exceptional planned place process.

### 3. High Needs Place Funding 2016/17

- 3.1 The EFA has notified Local Authorities that it will base 2016/17 financial year place funding on the place funding allocated for 2015/16. There will be no opportunity for Local Authorities to request additional planned places as there was last year.
- 3.2 The total number of planned places in 2016/17 will therefore remain the same as in 2015/16. Local Authorities will have the flexibility to move planned place funding between institutions, in line with any changing patterns of need, but there will be no overall increase in planned place funding.
- 3.3 Any places which need to be funded over and above the current total of 609 (574) will therefore represent a pressure on the High Needs Block.
- 3.4 The SEN Assessment Team is currently in the process of reviewing place funding requirements for 2016/17. This process will involve consideration of actual numbers of high needs pupils in placements, intelligence about possible changes of placement in 2016/17 and views from the schools / institutions themselves about their likely numbers.
- 3.5 There has been a shortfall this year in planned place funding for Brookfields, The Castle, Trinity ASD Resource, Newbury College and Speenhamland PD Resource. However, there has been over provision of planned place funding at some other establishments, with the net shortfall being 7 places currently.
- 3.6 Numbers at The Castle and Brookfields continue to rise and are likely to further exceed planned place numbers in 2016/17, which will be an additional pressure on the High Needs Block.
- 3.7 It is anticipated that the Trinity ASD Resource will take 2 or 3 more children in September 2016.
- 3.8 Newbury College numbers are likely to fluctuate this term and could increase.
- 3.9 As some institutions have more planned places than they require, a decision will need to be taken for 2015/16 as to whether some of the "surplus" planned places are reallocated. However, this is likely to be difficult for small resourced units as they may then be unable to fund the required basic level of staffing to run the resource.

- 3.10 A more detailed report on 2016/17 planned place requirements will be brought to the next Heads' Funding Group and Schools Forum.
