

Resources Fees & Charges Proposals – 2016/17

1. Introduction

1.1 The Council has chosen not to increase discretionary fees and charges in 2016/17 since inflation is running at around 0% other than in exceptional circumstances.

In reality, however, officers look for every opportunity to maximise income, accepting that:

- Fees and charges can have a direct impact on usage and take up of services;
- In some circumstances the Council is providing services in direct competition to the private sector. Where this is the case, price is likely to have a direct link with demand and it is important that the Council does not 'price itself out of the market';
- Raising fees and charges can in some instances work against the Council's social inclusion agenda by effectively discriminating against those who are less able to pay;
- For some services there is a clear expectation that fees and charges will reflect the costs incurred in providing the service. The Council may open itself to legal challenge if the increases it makes cannot be justified.

1.2.1 Within the Resources Directorate the main services and functions to which fees and charges apply are detailed in the specific proposals section below.

2. Specific Proposals

2.1 Registration Services

Registration fees are largely controlled by statute. Regular benchmarking exercises are undertaken in order to ensure our charges are commensurate with the other Berkshire authorities.

2.2 Electoral Services

These charges are statutory, set by Government and the Council has no discretion to vary.

2.3 Land Charges

There has been increasing private sector competition in the area of Land Charges in recent years. As a result of this competition the Council has improved its performance. However, it should be noted that any improvement in turnaround times of the searches has to be delivered to the private sector as well.

From 1st July 2007 a new fee structure was introduced to comply with new legislation which requires the Council to only recover cost incurred in service delivery.

2.4 Legal Fees

It is proposed to increase the Team Leader charge and add a cost for Trainee Solicitors. There has also been the addition of Fees for Commons Registration which came into effect nationally on 15th December 2014.

Social Care Training

- 2.5 The Government provides funding for care sector training and we use this funding to deliver a comprehensive joint training programme for staff and people working in the private and voluntary care sector. Anyone can access the training. The grant funding enables charges to local and accredited social care providers to be subsidised, hence the lower rate fee. Charging is essential to make the funding go further and ensure people book on courses and turn up. We have applied an increase to our charges to recognise increasing costs.

The Department of Health requires Councils to work closely with its partners on joint training and to facilitate improved standards of care through training initiatives; therefore some joint training will have the same charges as the partners involved and will sit outside this charging policy
