

The Prevention of Crime and Disorder:

Late night events at this venue have in the past led to speeding cars along a 20mph residential road and to littering.

Public Safety:

Rectory Road is a narrow road which in many places is essentially a single track. Increased volumes of traffic are likely to increase the risk of an accident, particularly given that there is no pavement along

Rectory Road.

The Prevention of Public Nuisance:

The venue is situated in the most populated part of an otherwise exclusively residential road in a quiet rural village. Previous parties held at the venue can be heard from half a mile away.

The Protection of Children from Harm:

Please send or scan and email the completed form to be received by midnight 9th August 2016 to the Senior Licensing Officer at:

West Berkshire Council, Culture and Environmental Protection, Environmental Health & Licensing, Council Offices, Market Street, Newbury, Berkshire RG14 5LD
