Please give details of your representation(s) and include information as to why the application would be unlikely to promote any of the following objective(s):

**The Prevention of Crime and Disorder:**

Increase in traffic & people on Rectory Rd who are able to drink more for longer periods of time potentially leads to the risk of damage to property, & poor behaviour leading to fights, raised voices & abusive behaviour.

**Public Safety:**

Increase in traffic on a rural road being used by people who potentially could speed could lead to car accidents, & damage to cars parked outside properties. The road is unlit, more traffic could potentially injure walkers, cyclists & families who use the road to get to the Ridgeway

**The Prevention of Public Nuisance:**

Extending the licence will enable people to drink for longer & could lead to bigger parties leaving the club together. This has the potential to cause greater disturbance to people who sleep in properties with rooms facing Rectory Rd, because of noise from traffic & people talking.

**The Protection of Children from Harm:**

Increase in traffic. People unfamiliar with the narrow rural lane increases risk to children who walk & cycle on road. Noise disturbance can affect sleep & potentially affect school/exam performance.
