The Prevention of Crime and Disorder:

It will increase amount of time for consumption of alcohol and more likely to create loud behaviour (disturbance) in the area

Public Safety:

Increase of traffic - visitors to Club are less likely to observe speed limits and driving conditions on this narrow road

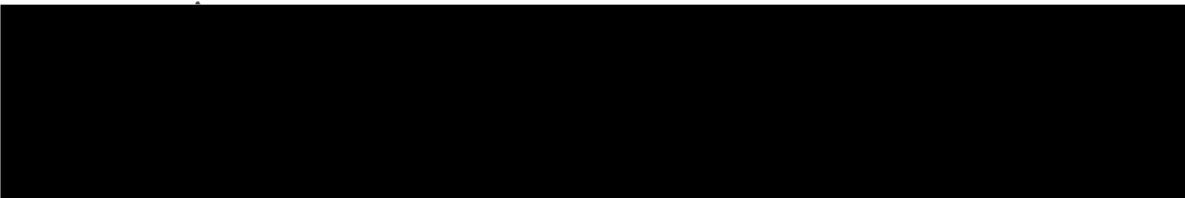

Increase of large vehicles to evening events; Increase of lorries (large vehicles) ~~to~~ ~~over~~ ~~delivered~~ ~~and~~ ~~service~~ Requirement of evening events.

Prevention of Public Nuisance (cont)

Plus the application suggests the Club will actively seek to hold more events and so, it is not only traffic very late at night but on a regular basis. This undoubtedly creates disturbance to residents from traffic noise and lights, as already experienced during the Christmas period.

I am returning a Representation form herewith and wish to make the following additional comments which the form does not allow for:

The Club was established as a Golf Club, not as an entertainment venue that would be more suited to an urban area. Rectory Road, Streatley is in the middle of an Area of Outstanding Natural Beauty, a quiet rural area.

It is disappointing that the Golf Club did not write to residents regarding this application. I live between Wantage Road and therefore do not pass the Club on any regular basis. It is only thanks to a neighbour that I have heard about this application.

Your sincerely
