Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives.

Please give details of your representation(s) and include information as to why the application would be unlikely to promote any of the following objective(s):

The Prevention of Crime and Disorder:

We are already plagued by littering and noise from late night customer to the garage. People stop by our properties eat what they have bought and dump their litter. This also occurred with the Little Schezaun. Having a place that sells alcohol for on and off sales till the hours is not going to detract from the running arguments that already occur or discourage drink driving

Public Safety:

There will be a significant change to traffic flow close to a pedestrian crossing which will undoubtedly lead to blocking of the crossing as well as hard braking and rapid acceleration

The Prevention of Public Nuisance:

There is very little quiet time living on the A4. This predominately occurs between midnight and 4 am. This operating period will cut into this quiet time disturbing residents sleep patterns and rest.

The Protection of Children from Harm:

This is a Junk food establishment between two schools.
