

Dedicated Schools Grant Monitoring Report

2017/18 – Month 3

Report being considered by: Schools Forum

On: 17/07/2017

Report Author: Ian Pearson

Item for: Discussion By: All Forum Members

1. Purpose of the Report

- 1.1 This report sets out the current financial position of the services funded by the Dedicated Schools Grant (DSG), highlighting any under or over spends.

2. Recommendation(s)

- 2.1 That the report be noted.

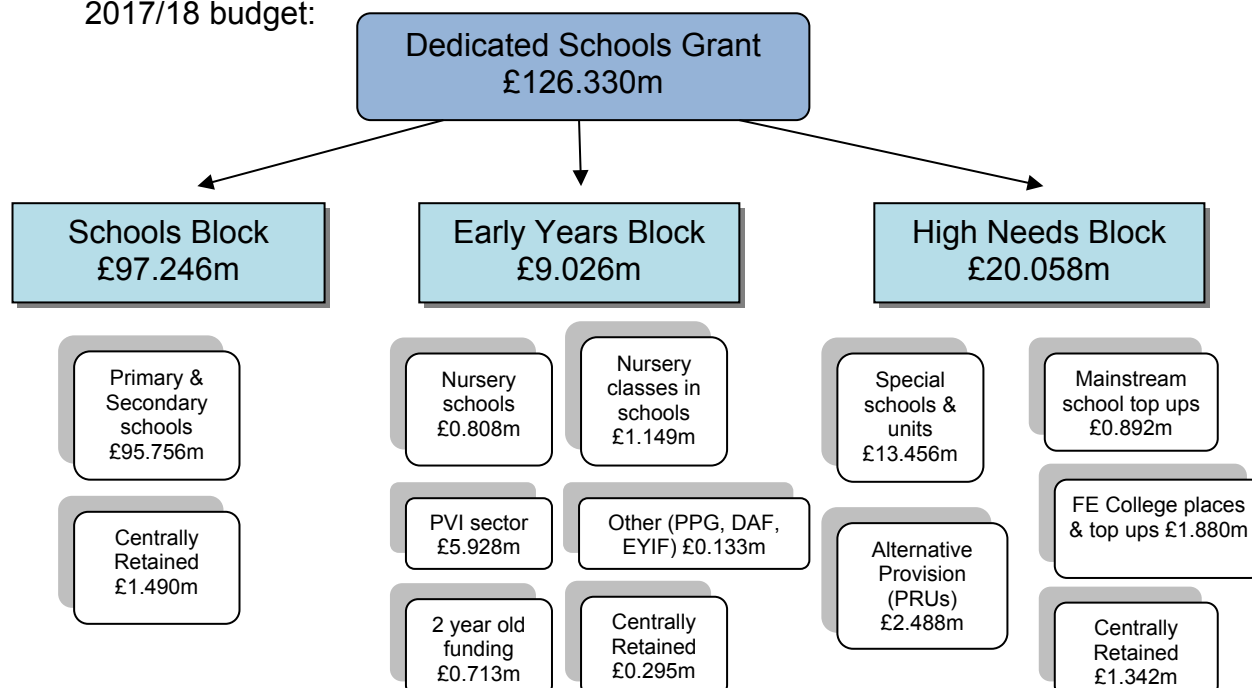

Will the recommendation require the matter to be referred to the Council or the Executive for final determination?

Yes: ☐

No: ☒

3. Background

- 3.1 The Dedicated Schools Grant (DSG) is a ring fenced specific grant which can only be spent on school/pupil activity as set out in The School and Early Years Finance (England) Regulations 2017.
- 3.2 The grant is split into three funding blocks. Although separate allocations are received for each, the blocks themselves are not ring fenced.
- 3.3 The following diagram shows what is funded out of each of the three blocks in the 2017/18 budget:

Notes:

1. The figures above include expected net overspend of grant totalling £0.350m. The actual in-year grant allocation is £125.980m
2. The main centrally retained services are:
Schools Block – licences for all schools, growth fund for schools, school admissions service
Early Years Block – quality monitoring & compliance, eligibility checking, sufficiency & sustainability planning
High Needs Block – ASD advisory support, Home Tuition, Engaging Potential, therapy services, sensory impairment support, inclusion support, applied behaviour support, vulnerable children support, early intervention
3. The figures include funding to Academies and post 16 high needs place funding which form part of our allocation but not our budget as they are paid direct by the EFA – this totals £35,021k.

- 3.4 Overspends, unless funded from outside the DSG, are carried forward and top sliced from the following year's DSG allocation. Under spends must be carried forward to support the school's budget in future years.
- 3.5 The Authority and Schools' Forum are responsible for ensuring that the DSG is deployed correctly according to the Regulations, and monitoring of spend against the grant needs to take place regularly to enable decision making on overspends/underspends and to inform future year budget requirements.

4. Monitoring Position as at Month 3 (30 June 2017)

- 4.1 The forecast under or over spend position at the end of June is shown in Table 1 below. A more detailed position per cost centre is shown in Appendix A.

Table 1

	Total Net Budget	Forecast (under) / over spend					Change from last report
		Month Three	Month Five	Month Seven	Month Nine	Month Ten	
	£'000	£'000	£'000	£'000	£'000	£'000	£'000
DSG Block							
Schools Block (inc ISB)	64,286	0					
Early Years Block	8,983	0					
High Needs Block	17,518	0					
Total Net Expenditure	90,787	0					
Support Service Recharges	523	0					
Total Expenditure	91,310						
DSG Grant Expected	-90,546	0					
Net Position	764	0					

- 4.2 The budgeted over spend on DSG is as per the decision made by the Schools' Forum when the budget was set in March 2017, now adjusted by £80k for the better than expected carry forward of grant from 2016/17. This decision was taken after

consideration of the three year position whereby it was forecast that the overspend can be paid back over two years assuming costs overall do not significantly increase and our DSG allocation remains at a similar level.

- 4.3 Explanations for variances per funding block are summarised in the following paragraphs.

5. Schools Block

- 5.1 Table 2 sets out the current position of the Schools Block. At this stage in the year, no variance is forecast. The main risk of over spend in this block is in relation to business rates (as schools are funded according to their actual rates bill). There is a small budgeted overspend due to the 2016/17 carry forward of deficit arising from rating revaluations during the year.

Table 2 – Schools Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	64,286,490	64,286,490	0
Support services	333,800	333,800	0
Schools Block DSG	-64,593,080	-64,593,080	0
Net Position	27,210	27,210	0

6. Early Years Block

- 6.1 Table 3 sets out the current position of the early years block. The early years block is difficult to predict due to the volatile nature of both early years block funding (the final grant allocation will be determined by the January 2018 census), and payments to providers (payments are made according to actual number of hours of provision each term). The budgeted overspend is due to last year's grant not meeting the payments made to providers, and is planned to be repaid over a three year period.

Table 3 – Early Years Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	8,982,690	8,982,690	0
Support services	43,690	43,690	0
EY Block DSG	-8,775,110	-8,775,110	0
Net Position	251,270	251,270	0

- 6.2 Summer term payments to providers have been made and are on line with the budget set, so no variance is forecast at this point in time. The final grant for 2016/17 has still not been notified, and a small claw back of £20k to £30k is expected.

7. High Needs Block

- 7.1 Table 4 sets out the current position of the High Needs Block, which is currently showing no variance.

Table 4 – High Needs Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	17,517,790	17,517,790	0
Support services	145,640	145,640	0
HN Block DSG	-17,176,560	-17,176,560	0
Net Position	486,870	486,870	0

- 7.2 Top up budgets are the high risk budgets in this block due to funding following the pupil. These budgets were set according to the number of placements in the Spring term, and have not changed significantly in the Summer term, as would be expected.

8. Conclusion

- 8.1 There are currently no significant variances, though it is not usually until the Autumn term when changes to high risk budgets such as high needs top ups and early years payments become apparent.

9. Appendices
