Long term clients (ASC)

QvQ
-1%

Bar chart showing Long term clients (ASC):
- 2016/17: Q1 1,598, Q2, Q3, Q4
- 2017/18: Q1 1,589

Reported as snapshot, not year to date.
Data before 2016/17 has not been provided as it is not comparable due to the implementation of the Care Act, where we reviewed work flow with the previously joint MH team. This identified a cohort of clients that previously were captured as receiving 'long term professional support'. A decision was made post April 2015 that their support was primarily health focused, they would not be reviewed under Care Act eligibility and were closed.
