Report being considered by: Schools Forum
On: 30/10/2017
Report Author: Ian Pearson
Item for: Discussion By: All Forum Members

1. Purpose of the Report

- 1.1 This report sets out the current financial position of the services funded by the Dedicated Schools Grant (DSG), highlighting any under or over spends.

2. Recommendation(s)

- 2.1 That the report be noted.

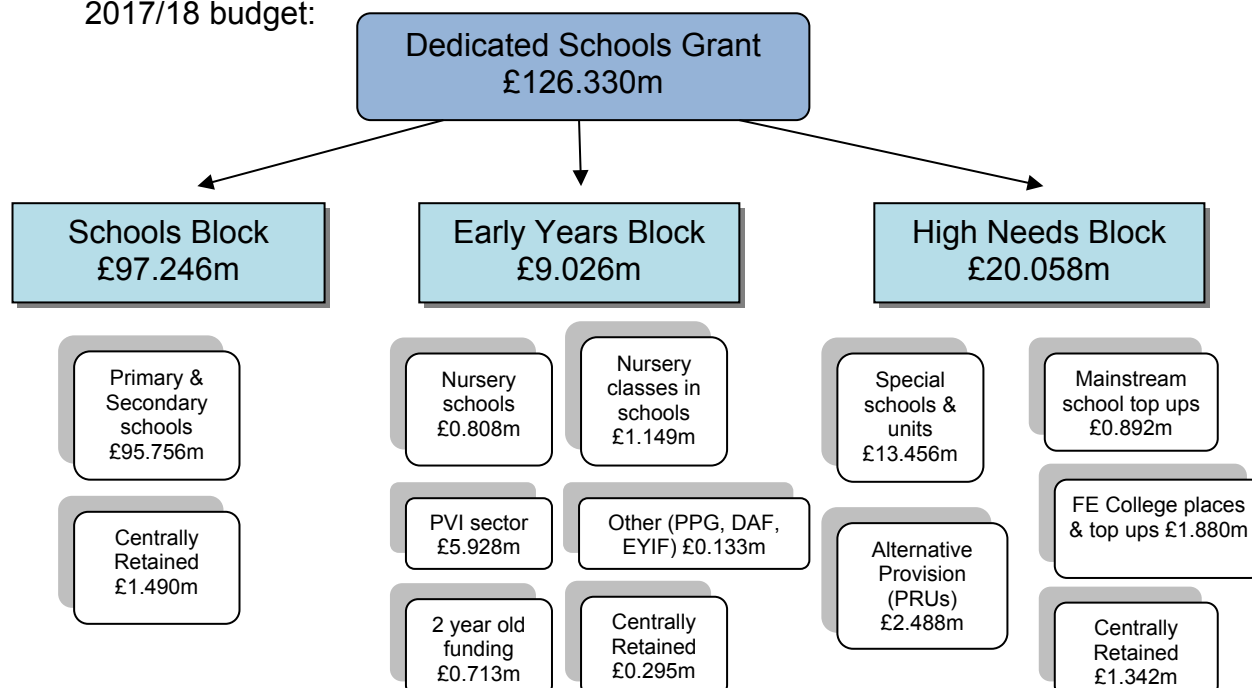

Will the recommendation require the matter to be referred to the Council or the Executive for final determination?

Yes: ☐

No: ☒

3. Background

- 3.1 The Dedicated Schools Grant (DSG) is a ring fenced specific grant which can only be spent on school/pupil activity as set out in The School and Early Years Finance (England) Regulations 2017.
- 3.2 The grant is split into three funding blocks. Although separate allocations are received for each, the blocks themselves are not ring fenced.
- 3.3 The following diagram shows what is funded out of each of the three blocks in the 2017/18 budget:

Dedicated Schools Grant Monitoring Report 2017/18 – Month 6

Notes:

1. The figures above include expected net overspend of grant totalling £0.426m. The actual in-year grant allocation is £125.904m
2. The main centrally retained services are:
Schools Block – licences for all schools, growth fund for schools, school admissions service
Early Years Block – quality monitoring & compliance, eligibility checking, sufficiency & sustainability planning
High Needs Block – ASD advisory support, Home Tuition, Engaging Potential, therapy services, sensory impairment support, inclusion support, applied behaviour support, vulnerable children support, early intervention
3. The figures include funding to Academies and post 16 high needs place funding which form part of our allocation but not our budget as they are paid direct by the EFA – this totals £35,020k.

3.4 Overspends, unless funded from outside the DSG, are carried forward and top sliced from the following year's DSG allocation. Under spends must be carried forward to support the school's budget in future years.

3.5 The Authority and Schools' Forum are responsible for ensuring that the DSG is deployed correctly according to the Regulations, and monitoring of spend against the grant needs to take place regularly to enable decision making on overspends/underspends and to inform future year budget requirements.

4. Monitoring Position as at Month 6 (30 September 2017)

4.1 The forecast under or over spend position at the end of September is shown in Table 1 below. A more detailed position per cost centre is shown in Appendix A.

4.2 The budgeted over spend of £844k on DSG in 2017/18 was approved by the Schools' Forum in March 2017, after consideration of the three year position, as it was forecast that the over spend could be paid back over two years (assuming costs overall do not significantly increase and our DSG allocation remains at a similar level). The budgeted overspend in 2017/18 has now been reduced by £40k to £804k, because the final amount of grant brought forward from 2016/17 was £80k higher than expected, but this was offset by the claw back of 2016/17 early years funding and other minor adjustments made by the DfE in July 2017.

4.3 Explanations for variances per funding block are summarised in the following paragraphs.

5. Schools Block

5.1 Table 2 sets out the current position of the Schools Block. At this stage in the year, no variance is forecast. The main risk of over spend in this block is in relation to business rates (as schools are funded according to their actual rates bill). There is a small budgeted overspend due to the 2016/17 carry forward of over spend arising from rating revaluations during the year.

Table 2 – Schools Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	64,286,490	64,286,490	0
Support services	333,800	333,800	0
Schools Block DSG	-64,593,080	-64,593,080	0
Net Position	27,210	27,210	0

6. Early Years Block

6.1 Table 3 sets out the current position of the early years block. The early years block is difficult to predict due to the volatile nature of both early years block funding (the final grant allocation will be determined by the January 2018 census), and payments to providers (payments are made according to actual number of hours of provision each term). The budgeted overspend is due to last year's grant not meeting the payments made to providers, and is planned to be repaid over a three year period.

Table 3 – Early Years Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	8,982,690	8,982,690	0
Support services	43,690	43,690	0
EY Block DSG	-8,739,610	-8,739,610	0
Net Position	286,770	286,770	0

6.2 Summer term payments to providers have been made and are on line with the budget set, so no variance is forecast at this point in time. We will aim to report any forecast variance arising from the Autumn term payments at month 7.

7. High Needs Block

7.1 Table 4 sets out the current position of the High Needs Block.

Table 4 – High Needs Block

	Current Budget £	Current Forecast £	Variance £
Expenditure	17,517,790	17,528,620	10,830
Support services	145,640	145,640	0
HN Block DSG	-17,172,790	-17,172,790	0
Net Position	490,640	501,470	10,830

- 7.2 A variance of 11k is now reported in respect of the Sensory Consortium. These additional costs relate to pupils with HI or VI who have either moved in to the area or who have moved from specialist to mainstream provision and whose needs for teacher of the deaf or teacher of the visually impaired support cannot be met from the Sensory Consortium core service. It is therefore necessary to purchase additional sessions to top up the core service
- 7.3 High needs top up budgets were set according to the number of placements in the Spring term, and no variance from budget is yet forecast. However, there is a strong possibility that forecast expenditure may change in the second half of the autumn term, or in the spring term, due to funding following the pupil.

8. Conclusion

- 8.1 There is currently only a small overspend of £11k forecast in the High Needs Block. However there is a strong possibility that further variances may arise on the budgets for high needs top ups and early years payments in the second half of the autumn term, or in the spring term.
