3.1 Delegation of Functions

- Introduction

This section of the Constitution summarises which part of the decision-making process is responsible for which function. Further detail is set out in paragraph 3.2 (Officer’s Scheme of Delegation) of this Constitution.

The aim is to show which functions are the responsibility of the Council, the Area Planning Committees, Licensing Committee/Sub-Committee, the Governance and Ethics Committee and the Personnel Committee and which are the responsibility of the Executive. This section also clarifies which functions are the responsibilities of the Executive to a specified extent. Delegation to Partners is also included in this section.

The allocation of functions follows the Local Authorities (Functions and Responsibilities) (England) Regulations 2000, and as subsequently amended, referred to in the tables that follow as ‘The Function Regulations’.

The information is set out in tabular form as follows:

3.2 Officers' Scheme of Delegation

- Scope of Scheme

This Scheme sets out the extent to which the powers and duties of the Council shall be delegated to Officers. It encompasses both existing legislation (to include but not limited to primary and secondary legislation, Orders and regulations etc.) and shall be deemed to include references to amending, substituted or extending legislation in force from time to time.

Powers designated to a Head of Service under this Scheme of Delegation shall immediately transfer to a successor Head of Service following a transfer of any functions as a result of a restructuring of Council Services.

The Scheme operates under Sections 101 and 151 of the Local Government Act 1972, Section 9E of the Local Government Act 2000 and all other powers under which the Council exercises its functions.

The Scheme places an obligation on Officers to keep Members properly informed of action arising within the scope of these delegations.

For the purposes of Section 101 of the Local Government Act 1972 the Council may authorise an Officer of the Authority to commission and monitor work for and on behalf of the Council by people who are not Officers of the Authority. Such people will be bound by this Scheme and the obligations contained in it at all times when they are engaged on Council business.

The term "Officer" means any employee of the Council and includes any person engaged as a contractor, consultant or otherwise to perform the functions of an employee of the Council (and includes statutory officers, directors and managers).

- Consultation

In exercising delegated powers, Officers shall consult other Officers as appropriate and shall have regard to any advice given. Consultation in areas of financial, legal, personnel and property will be of paramount importance which includes the Council's strategic partners.

Officers shall liaise closely with the Executive on executive functions and the Chairmen of the Area Planning Committees and District Planning Committee

or Chairman of the Licensing Committee on regulatory functions and Group Spokesmen before exercising delegated powers in relation to any matter which is likely to be regarded as politically sensitive or contentious.

Officers shall inform the local Ward Member(s) when they exercise any delegated powers affecting their Ward and when the matter is likely to be regarded as politically sensitive or contentious.

It shall always be open to an Officer to consult the Executive, the Area Planning Committees, the Licensing Committee, Personnel Committee or the Leader before the exercise of delegated powers; or not to exercise delegated powers but to refer the matter to the Executive, the relevant Committee or to Council for decision.

- **Conditions of Delegation**

By this Scheme, and subject to the limitations and reservations contained in it:

- (a) Council authorises the Officers identified personally to exercise the powers specified herein; and
- (b) powers delegated to Directors and Heads of Service may be exercised by any other duly authorised Officer on their behalf.
- (c) Powers delegated to Heads of Service may be exercised by the appropriate Corporate Director or the Chief Executive.

If any case where the Officer given general authorisation to act considers that a new departure in policy is likely to be involved or if the implications are such that they consider, after consulting the Chief Executive, that reference should be made to Members, the matter shall be referred to the Executive or the relevant Area Planning Committee for consideration.

Exercise of delegated powers by Sub-Committees or Officers does not, by virtue of Section 101(4) Local Government Act 1972, prevent the Executive the Council or its Committees from exercising those functions or powers.

(Note: Directors and Heads of Service need to ensure that substantial matters dealt with under delegation are recorded.)

- **Overall Limitations**

Matters not Delegated

The Scheme does not delegate to Officers any matter:

- reserved to full Council by Standing Orders;
- reserved to the Executive or a Committee by the Scheme;
- withdrawn from delegation by the Scheme; and
- which may not by law be delegated to an Officer.

General Requirements

Any exercise of delegated powers shall comply with:

- any statutory restrictions;
- Rules of Procedure as contained in the Constitution;

- Policies and Plans approved by full Council, the Executive or the Council's committees; and
- Codes and Protocols.

Exercising Delegated Powers
