L	4.12.2017		Charity/Residents Association	We represent the residents of a development, a place with a strong community spirit in a lovely setting. Our development has become a target for theft, burglary, anti-social behaviour.	We would like to have a few signs on the development with the message that anti-social behaviour and vandalism will not be tolerated. Two or three cameras will be installed in central parts of the development with signs to inform about the area being monitored.	Over 760 households, over 800 residents.	10,000	10,000		
M	4.12.2017		A Residents Association	To review and upgrade the ageing present CCTV system to enable better coverage of the Community Centre inside and out and thereby improving the building and users' security and safety	To review and upgrade the ageing present CCTV system to enable better coverage of the Community Centre inside and out and thereby improving the building and users' security and safety	The local community and approximately 800 users per month	2,000	1,800		
N	4.12.2017		Parish council	Our CCTV system covering the village centre was removed in the council cuts last year. As a result we have seen an increase in petty crime and vandalism. The area is poorly lit with old incandescent street lighting.	We would like to upgrade the old lighting to more efficient and brighter LED ones. This will make the area safer and more secure for our parishioners.	All the residents in the village	9,500	7,500

R	4.12.2017		Charity	Our organisation is a safe and pleasant place for young people to attend in the local area.	After several incidents in the town centre and consultation with community groups, businesses and young people we would like to run a mobile youth bus.	100 young people, the general public, community agencies and businesses.	7,231.41	6,488.98		
S	4.12.2017		Charity	We are a lawn bowling club with a difference. Not only do we cater for the needs of our 50 members, most of whom are over 65, and opponents from around 30 other clubs but we welcome isolated and lonely residents from the local community.	Our green and premises are adjacent to a public house but is not overlooked apart from pub opening hours. It is in a conservation area and not easily observed by passers-by. Although our machinery is locked away it is expensive and loss or damage would be a serious blow to a club with limited resources like ours.	100	£3,600	£3,600
