Appendix A

Those consulted and a summary of comments received (updated at the Individual Decision meeting ID2266, 28 April 2011).

Councillor Graham Jones (Leader of the Council) supported and welcomed the recommendations.

Councillor Brian Bedwell (Overview and Scrutiny Chairman) commented that the overall programme was good.

Ward Members – All Wards are affected and all Members were consulted, the following Members made comments, which have received formal responses and their comments will be taken into account with the updating and expanding of the programme:

Councillors Barbara Alexander, Pamela Bale, Brian Bedwell, Hilary Cole, Carol Jackson-Doerge, Alan Law, Tony Linden, Alan Macro, Gwen Mason and Julian Swift-Hook.

Councillor Keith Woodhams (Opposition Portfolio Holder) accepted that there were deadlines that needed to be adhered to, but wished it to be recorded that two days notice was insufficient time for Members to read a document, consult with each other and return comments. In response to this, the consultation period was extended by one week to the 28 April 2011.

Councillor David Betts said that he was happy that the extension to the 28 April 2011 gave sufficient time for comments. Cllr Betts took into account the comments taken, however ruled out waiting to sign the decision until after the 5 May 2011 due to it being essential to start work on these important schemes as soon as possible. Cllr Betts also asked that it was noted that these schemes were allocated on an evidential (not political) basis.
