Executive Summary and Report

- 4.2 Section 38 of the Localism Act 2011 requires local authorities to publish an annual pay policy statement. The method of publication is at the discretion of the authority, but it is expected to comply with the principles set out in the Local Government Transparency Code. The statement must be approved by full Council.
- 4.3 Council approved the annual publication of the statement, in principle, on 1st March 2012. This report seeks approval for publication of the 2019 Pay Policy Statement (attached at appendix C) with effect from 1st April 2019.
- 4.4 The statement should set out the policies in relation to;
- (1) Remuneration of its chief officers
 - (2) The remuneration of its lowest paid employees (and our definition and reasons for defining it)
 - (3) The relationship between the remuneration of its chief officers and those who are not chief officers
- 4.5 The definition of chief officers includes the Chief Executive, the Monitoring Officer, the Section 151 Officer, Executive and Corporate Directors, as well as those who report directly to any of these post holders. Thus, in West Berkshire Council, this definition would include all Heads of Service.
- 4.6 Chief Officer remuneration includes salary, bonuses, performance-related pay, fees or allowances (including as returning officer), benefits in kind, etc. The policy should also state how chief officer salary will be determined on appointment and any arrangements for payments upon leaving office.
- 4.7 The Pay Policy Statement for 2019 has been updated to reflect the new National Joint Council pay scales to be implemented on 1st April 2019.
- 4.8 *The figures in the policy statement in italics will be revised once the pay award has been implemented, as their calculation relies on the HR information system.*

5. Conclusion

- 5.1 The Pay Policy Statement attached as Appendix C should be published on the Council website with effect from 1st April 2019, to comply with our statutory duty under the Localism Act.

6. Appendices

- 6.2 Appendix B - Equalities Impact Assessment
- 6.3 Appendix C –Draft Statutory Pay Policy 2019

Data Protection Impact Assessment – Stage One

The General Data Protection Regulations require a Data Protection Impact Assessment (DPIA) for certain projects that have a significant impact on the rights of data subjects.

Should you require additional guidance in completing this assessment, please refer to the Information Management Officer via dp@westberks.gov.uk

Do you need to do a Data Protection Impact Assessment (DPIA)?

	Yes	No
<p>Will you be processing SENSITIVE or “special category” personal data?</p> <p><i>Note – sensitive personal data is described as “data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, and the processing of genetic data, biometric data for the purpose of uniquely identifying a natural person, data concerning health or data concerning a natural person’s sex life or sexual orientation”</i></p>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

<p>Will your project or system have a “social media” dimension?</p> <p><i>Note – will it have an interactive element which allows users to communicate directly with one another?</i></p>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Will any decisions be automated?</p> <p><i>Note – does your system or process involve circumstances where an individual’s input is “scored” or assessed without intervention/review/checking by a human being? Will there be any “profiling” of data subjects?</i></p>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<p>Will your project/system involve CCTV or monitoring of an area accessible to the public?</p>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

If you answer “Yes” to any of the above, you will probably need to complete [Data Protection Impact Assessment - Stage Two](#). If you are unsure, please consult with the Information Management Officer before proceeding.

Equality Impact Assessment - Stage One

We need to ensure that our strategies, policies, functions and services, current and proposed have given due regard to equality and diversity as set out in the Public Sector Equality Duty (Section 149 of the Equality Act), which states:

- “(1) A public authority must, in the exercise of its functions, have due regard to the need to:**
- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;**
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; this includes the need to:**
 - (i) remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;**
 - (ii) take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it;**
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it, with due regard, in particular, to the need to be aware that compliance with the duties in this section may involve treating some persons more favourably than others.**
- (2) The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities.**
- (3) Compliance with the duties in this section may involve treating some persons more favourably than others.”**

The following list of questions may help to establish whether the decision is relevant to equality:

- Does the decision affect service users, employees or the wider community?
- (The relevance of a decision to equality depends not just on the number of those affected but on the significance of the impact on them)
- Is it likely to affect people with particular protected characteristics differently?
- Is it a major policy, or a major change to an existing policy, significantly affecting how functions are delivered?
- Will the decision have a significant impact on how other organisations operate in terms of equality?
- Does the decision relate to functions that engagement has identified as being important to people with particular protected characteristics?
- Does the decision relate to an area with known inequalities?
- Does the decision relate to any equality objectives that have been set by the council?
