

**BRIMPTON PARISH PLAN DRAFT RECOMMENDATIONS/ACTIONS FOR PC/WBC**

Action no.	PP Ref Section	Draft Recommendations/Actions	Priority H/M/L	Time Frame	Start Date	Planned Finish Date	Project Manager/Lead Partner	Other Partners	Justification/Comments	Completed
1	Household	Publicise bulk buying oil schemes via PC website	M	Medium term	01/10/2019	01/10/2020			61% of households said they would be interested in a bulk buying scheme	
2	Household	Investigate ways to improve mobile reception in the parish	H	Medium term	01/10/2019	01/10/2020			Only 13% of households felt mobile reception was "Good". This figure reduces to 3% in Brimpton Common and 0% in Hyde End Lane and Other areas outside the village.	
3	Household	Lobby WBC and Gigaclear to ensure project is successfully completed	H	Immediate					Only 20% felt broadband was "Good". This figure reduces to 14% in Brimpton Common and 9% in Hyde End Lane and other areas outside the village	
4	Personal	Discuss with parishioners what would make people feel more part of the community.	L	On-going					30% feel partially part of the community and 9% do not feel part of the community. Other actions such as events at Village Hall and Church, improvements to Footpaths, signing up for the PC update email may help improve this	
5	Education	Investigate other transport options to and from secondary schools.	M	Long term					There are a number of free text comments about poor bus service for secondary school children in the Education and Transport section	
6	Church	PCC to investigate other uses for the church (ongoing) and promote events		No action by PC			Refer to PCC		PCC Matter	
7	Church	Investigate land for parking to encourage wider use of Church and school in conjunction with Village Hall.	M	Long term					Many free text comments about parking for church. Respondents feel it would be used more for events/services if better parking	
8	Transport	Explore other transport options for parish by asking WBC to convene a meeting with all transport providers	M	Long term					More people would use bus if better timetable and frequency. 83% of people using the bus were unhappy about timetable and 44% of people about routes. Also many free text comments from current non bus users about this.	
9	Transport	Carry out more in-depth survey of speeding in the parish and discuss results with WBC	H	Medium term	01/10/2019	01/10/2020			79% of respondents see speeding as a threat to their safety as a road user.	
10	Transport	Review with WBC what can be done to make junctions safer.	H	Medium term	01/10/2019	01/10/2020			76% felt there were major danger spots on the parish roads. Many of the free text comments were to do with the junctions.	
11	Transport	Investigate ways in which the PC can work with WBC and landowners to keep hedges, verges, ditches and road surfaces in good order	M	Medium term	01/10/2019	01/10/2020			43% saw overgrown hedges and verges as a threat to their safety as a road user	
12	Building	Support proposals (subject to compliance with planning regulations and the Village Design Statement) to build up to 10 small private houses over 10 years, affordable to first time buyers and people wishing to downsize, primarily through infilling.	M	Long term					67% felt the number of houses should increase in next 10 years by less than 10 houses. 71% said there was a requirement for affordable housing and 61% said private dwellings	
13	Building	Review settlement boundary	M	Long term					38% of respondents agreed the settlement boundary should be reviewed (33% disagreed and 19% were unsure)	
14	Building	Request WBC to pay more attention to enforcing planning conditions	L	Immediate	01/07/2019	30/09/2019			21% felt planning conditions/rules were not enforced properly (50% not sure and 29% said they were). There were quite a few free text comments with specific examples	
15	Health	Promote "Good Neighbour" Scheme.	L	On-going					There appeared to be interest for this and quite a few people said they would help with it. An informal scheme already occurs	
16	Crime	Encourage residents to be more vigilant towards fly tipping and litter	H	On-going					Not sure what additional action can be taken by PC for this? 21% of respondents said they have been directly affected by this	
17	Crime	Campaign to make residents more mindful of noise	M	On-going					21% said they have been directly affected by noise and many free text comments mentioned this.	
18	Landscape	Report to WBC the need for further training for refuse collectors re litter dropped from recycling boxes	M	Immediate	01/07/2019	30/09/2019			Many of the free text comments mentioned litter, "the curse of Brimpton". Also a number of people mentioned that they had seen problems when refuse collectors collected the rubbish and recycling.	
19	Crime	Continue with community litter picking events	M	On-going					As above	
20	Crime	Advertise MOD Police Project Servator on PC website	M	Immediate	01/07/2019	30/09/2019			A fifth of people have been directly affected by burglary and theft.	

21	Crime	Pursue Neighbourhood Watch in Brimpton village and Hyde End Lane	M	No action by PC			Refer to PCC		More than half of the respondents were either aware of NWS or would like to know more about it.
22	Facilities	Investigate feasibility of ideas for Village Hall	M	No action by PC			Refer to VHC		68 people provided ideas
23	Facilities	Review suggestions for Recreation Ground	M	No action by PC			Refer to RGT		52 free text ideas were given
24	Facilities	Encourage better promotion of events held at Village Hall	L	No action by PC			Refer to VHC		Mentioned a few times in the facilities free text comments
25	Comms	Encourage parishioners to sign up for Update update email on PC website and Facebook page	L	On-going					56% felt communication from PC had improved and this was largely down to the JH's PC update email.
26	Comms	Provide link to Parish Magazine digital copy from Brimpton Parish Council website	L	Immediate	01/07/2019	30/09/2019			97% of respondents read the Parish Mag but some people did mention it was hard to find online.
27	Comms	More publicity of PC website and Facebook page.	M	On-going					70% of respondents say they have never used the PC website and 78% say they have never used the PC facebook page
28	Local Gov	Develop closer working relationship with District Councillor	M	On-going					45% of respondents did not know who the District Councillor was
29	Local Gov	Provide short biographies of all Parish Councillors and District Councillor on Brimpton Parish Council website. (Started)	M	Immediate	01/07/2019	30/09/2019			Suggestions made in free text comments
30	Local Gov	Discuss with WBC how recycling opportunities can be extended	M	Immediate	01/07/2019	30/09/2019			This request was made by a few respondents
31	Landscape	Organise a local workforce.	L	No action by PC					Free text suggestions. Comments by PC This is unlikely to succeed due to a number of factors. Local jobs are better approached through specific task forces or volunteers (e.g. litter picks)
32	Landscape	Review public rights of way in the parish and look to expand network of footpaths and cyclepaths via discussions with local major landowners.	H	Long term					95% of respondents say they use the public rights of way and 68% agreed they would support the creation of new footpaths.
33	Landscape	Publicise existing Mount Charity Permits which give access to "Permit Routes", an extension to the existing footpath network, via PC website	H	Medium term	01/10/2019	01/10/2020			Some of the permit routes connect up the other footpaths
34	Landscape	Publish existing public rights of way on Parish Council website	H	Immediate	01/07/2019	30/09/2019			Need to publicise all routes more as they are our most used facility
35	Landscape	Continue to oppose gravel extraction plans	H	On-going					The biggest concern by far for the parish is gravel extraction. 76% of respondents said it concerned them.
