Dear Sir,

Reference 10/01529/LQN

I write to object to the application by St. Bartholomews School, Andover Road, Newbury, RG14 6JP for a licence for premises to provide entertainment & supply alcohol.

It is a school and sends out a completely wrong message to its pupils about the consumption of alcohol especially as the proposal is to open the premises from 7am. How many of them will purchase alcohol for their younger siblings?

It is in the heart of a residential area and will lead to an increase in noise and anti-social behaviour as intoxicated patrons leave the premises especially at weekends.

The roads around the area become grid locked when parents arrive to pick up their children if the proposal goes ahead the area will become a complete car park with residents driveways blocked & no doubt we will be subjected to abuse if we ask the drivers to move their cars.

The whole idea is totally unacceptable and wholly inappropriate for this location.

Yours faithfully,

.....
