TOTAL TOTAL STATE OF THE STATE

See See See See See See See See See

Always likely to be disorder during parties lok of alcohol is street. Will be hard to mention party as area is isolated lear from law enforcement. Public Safety: Having large amount of intexitated people near family homes is unsuitable, even more so here as area is isolated. Also already busy country roads will not be ideal for large numbers of partygoers coming. I going. There is inadequate parking at facility as well so partygoer will likely park on road. The Prevention of Public Nuisance: Lord music will keep anake readents in Surrounding area, especially, considering hillding is not sound proofed. Main, there will be no falice in surrounding area, especially, considering hillding is not sound proofed. Main, there will be no falice in surrounding area to ensure time from protecals are kept le partygoers don't continue making noise past curfewed turthermore, with psychiatric hapital howby, loud sound will likely keep amake residents who need sleep. The Protection of Children from Harm: They will be families making into the estate in the flats being built. The loud music will be no party hours furthermore, children e will be likely keep them awake Into early hours furthermore, children bring in close pleximity to drunk individuals where palice police are far. Away is also dangerous.	The Prevention of Crime and Disorder:
Public Safety: Having large amount of interciated people near family homes is unsuitable. Pyth more so here as area is isolated. Also already busy country roads will not be ideal for large numbers of partygoers coming. I going. There is inadequate parking at facility as well so partygoer will likely park on road. The Prevention of Public Nuisance: Loud music will keep awake radents in surrounding area, especially, considering building is not soundproofed. Hain, there will be no folice in surrounding alter to ensure time frace protocals are kept l partygoers don't continue making noise past current Turthermore, with asychiatric hapital newby loud sound will likely keep amake residents who need sleep. There will be families moving into the estate in the flats being built. The loud music will be unsuitable for the children e will be likely keep them a wake into party hours. Furthermore, children being in close pionimity to drunk individuals where paid police are far. Signed:	Always likely to be disorder during parties the lok of alrohol is served. Will be hard to monitor party as area is isolated L
Having large amount of intexitated people near family homes is unsuitable, even more so here as area is isolated. Also already busy country roads will not be ideal for large numbers of partygoers coming. I going. There is incideguate parking at facility as well so partygoer will likely park on road. The Prevention of Public Nuisance: Loud musil will keep awake radents in Surrounding area, especially, considering hilding is not sound proofed. Again, there will be no folice in surrounding after to ensure time from protocals are kept I partygoers don't continue making noise past current truthermore, with psychiatric hopital newby, loud sound will likely keep awake residents who need sleep. The Protection of Children from Harm: There will be samilies moving into the estate in the flats being built. The loud music will to early hours. Furthermore, children being in close pluximity to drunk individuals where paine police are far. Away is also dangerous.	- Barrian - Company - Comp
roads will not be ideal for large numbers of partygoers coming. I goinge There is inadequate parking at facility as well so partygoer will likely park on road. The Prevention of Public Nuisance: Laid Music Will keep awake radents in surrounding area, especially considering building is not soundproosed. Main, there will be no falite in surrounding area to ensure time from protocals are kept le partygoers don't continue making hoise past carfews. Furthermore, with psychiatric hopital newby, loud sound will likely keep awake residents who need sleep. There will be families moving into the estate in the flats being built. The loud music will to be unsuitable for the children le will to likely keep them awake into early hours. Furthermore, children being in close playinity to drunk individuals where police are fur. Away is also dangerous.	Public Safety:
Loud music will keep anake radents in Surrounding area, especially considering hillding is not so undersocial frain, there will be no folice in surrounding area to ensure time frake protocals are kept lephtygoers don't continue making hoise past area protocals are kept lephtygoers don't continue making hoise past area protocals are kept lephtygoers don't continue making hoise past area anake residents who need sleep. The Protection of Children from Harm: They will be samilies making into the estate in the flats being built.
