

Written submission from N.A. Dodson - Supporter

Tadley as you are all aware as one supermarket Sainsbury's, Tadley being a Town would benefit having another supermarket to give the town's population more choice where they shop. West Berkshire council seems to have no problem granting planning for housing e.g Tesco's boundary hall site but seem to close their eyes when something that might benefit the community of Tadley .Are you singing front the same hymn book as AWE that old chestnut roads traffic can't cope. What a feeble excuse
