146	21/05/20	Include any other business as an item on future agendas	Gordon Oliver	WBC	COVID-19 Review	<b>Rejected.</b> AOB is not allowed for Council meetings, because it is a requirement that an item be specifically placed on the agenda for discussion. Members of the public have a legitimate expectation to know what is being discussed and therefore if they wish to attend the meeting to listen to that discussion. It is incumbent on members of a committee to prepare in advance for a meeting in order to make an informed decision on the matter. Where an urgent item for a decision arises outside the timeframe for inclusion on an agenda there are urgency procedures that can be employed to deal with the matter.
147	21/05/20	Matt Pearce to liaise with Kamal Bahia regarding engaging communities and identifying priorities	Matt Pearce	WBC	COVID-19 Review	<b>Ongoing.</b> The Health and Wellbeing Conference was organised for 11 September, with public and local stakeholders invited. Work is ongoing with Community United to engage with BAMER communities to identify issues and potential solutions, which will inform the Joint Health and Wellbeing Strategy. The Health and Wellbeing Engagement Group is also seeking to engage young people from sixth forms and Newbury College separately.
