Dear Sir/Madam

Licence Application Objection – former Wm Hill 11-13 Market Place Newbury

I am concerned about the proposed bingo hall or premises at this address.

I am concerned that further premises of this kind in the street, particularly opening late, will be a source of crime and disorder.

It is likely to be a gathering place including for homeless and vulnerable people. Resulting in customers and others gathering in the area in the day and out of hours.

I urge you to refuse the licence applied for.

Yours
