Dear Sir or Madam,

I write to you as a concerned resident of Newbury. There is an application to open a 24 hour Gambling Parlour that is being described as a Bingo Club. It is not Bingo It is fruit machine gambling.

The premises at 11-13 Market Place is near five bars and a night club. This 24 hour gambling parlour will attract the customers spilling out of the pubs/clubs and cause noise and disruption to all near by.

When revellers leave the bars they go home, now they will have an option to stay all night. they will smoke and make noise outside this gambling parlour and prove a nuisance to all the people trying to sleep (especially with open windows)

There are many residential flats in Market Square.

I ask the council to please refuse this application.
