Dear Sir/Madam,

License Application Objection –former William Hill 11-13 Market Place
Newbury

I am concerned about the proposed Bingo Hall or premises at this address.

I am concerned that further premises of this kind in the street, particularly opening late, will be a source of crime and disorder.

It is likely to be a gathering place including for homeless and vulnerable people. Resulting in customers and others gathering in the area in the day and out of hours.

Regards,

Mr G. Spellman
