Dear Sirs

Merkur Slots Bingo

I am concerned that the council should protect vulnerable people by refusing the application for a 24 hour bingo parlour to be called Merkur Slots in the former William Hill betting office at 11-13 Market Place.

There is a bookies (Corals) just yards away.

I think that it may cause disorder in this part of the town centre particularly being so close to so many bars and nightclubs nearby.

I would ask the Council to refuse the licence which has been applied for.

Yours
