2020/21 – Month Ten

Report being considered by: Schools Forum on 8th March 2021

Report Author: Ian Pearson

Item for: Information **By:** All Forum Members

1. Purpose of the Report

- 1.1 To report the forecast financial position of the services funded by the Dedicated Schools Grant (DSG), highlighting any under or over spends, and to highlight the cumulative deficit on the DSG.

2. Recommendation

- 2.1 That the report be noted.

Will the recommendation require the matter to be referred to the Council or the Executive for final determination?	Yes: <input type="checkbox"/>	No: <input checked="" type="checkbox"/>
---	-------------------------------	---

3. Background

- 3.1 The Dedicated Schools Grant (DSG) is a ring fenced specific grant which can only be spent on school/pupil activity as set out in The School and Early Years Finance (England) Regulations 2018. The Local Authority and Schools' Forum are responsible for ensuring that the DSG is deployed correctly according to the Regulations. Monitoring of spend against the grant needs to take place regularly to enable decision making on over spends/under spends and to inform future year budget requirements.
- 3.2 There are four DSG funding blocks: Schools Block, High Needs Block, Early Years Block and Central Schools Services Block. The funding for each of the four blocks is determined by a national funding formula.

4. 2020/21 Budget Setting

- 4.1 The 2020/21 Dedicated Schools Grant allocation is £138m. This includes £41m which funds Academies and post-16 high needs places which is paid direct by the Education and Skills Funding Agency (ESFA) to schools. The DSG budget for 2020/21 has been built utilising the remaining grant of £97m.
- 4.2 The schools block is ring fenced but the Local Authority can transfer up to 0.5% of the funding out of the schools block with Schools Forum agreement. The other blocks are not subject to this limitation on transfers. For the 2020/21 budget, Schools Forum agreed to transfer 0.25% of the Schools Block funding to the High Needs Block amounting to £263k.

4.3 The DSG expenditure budgets required for 2020/21 total £99m, which is £2m more than the funding available. As a result, a £2m in-year efficiency target has been set against this in order to balance the DSG budget. £1.2m of the target is allocated to the High Needs Block and £0.8m to the Early Years Block in accordance with the 2020/21 budget agreed by Schools Forum at the meeting held on 09/03/2020.

4.4 There is a brought forward deficit on the DSG of £1.691m.

5. Month Ten Forecast (31 January 2021)

5.1 The forecast position at the end of January is shown in Table 1. A more detailed position per cost centre is shown in Appendix A.

5.2 The Month Ten forecast shows an in-year forecast deficit of £1m. This comprises £200k saving against in-year expenditure and an unmet £1.4m efficiency target. Adjustments to the DSG funding in year has reduced the overall deficit to £1m in year. When added to the cumulative deficit of £1.691m, the forecast year end deficit on the DSG is £2.7m.

6. Schools Block

6.1 There are no forecast variances within the Schools block at Month Ten. There is however a risk of overspend in this block due to business rates, where properties may be revalued (as schools are funded according to their actual rates bill).

6.2 De-delegated budgets within the Schools Block will be forecast as on line during the year. Any over or under spends are carried forward as part of the 2021/22 budget setting process as balances are only attributable to these specific services and cannot be allocated generally across the DSG. The de-delegated balances are detailed below:

Schools Block De-Delegated balances	1.4.2020	change in reserves	Q3 position	31.3.2021 Est
	£k	£k	£k	£k
Schools in Financial Difficulty	(200)	0	28	(172)

EMTAS	(41)	0	10	(31)
Therapeutic Thinking	(2)	0	0	(2)
Total balance	(284)	0	38	(246)

7. Early Years Block

- 7.1 The Early Years Block is forecasting a £170k overspend at Month Ten; an in year underspend of £48k against expenditure and a £217k overspend against the in-year efficiency target. Additional grant of £577k has been received relating to the Early Years Block, as shown in Table 1.
- 7.2 Due to the nature of the volatility in this block, it is difficult to forecast as the funding (the final grant allocation will be determined by the January 2021 census), and payments to providers (payments are made according to actual number of hours of provision each term) are unpredictable.

8. Central Schools Services Block

- 8.1 The Central School Services Block is forecasting an under spend of £22k at Month Ten. This comprises a £22k in-year under spend on staffing.

9. High Needs Block

- 9.1 The High Needs Block is forecasting an in-year under spend of £130k but the efficiency target of £1.2m remains unmet. The variances against top up areas have remained unchanged since Q3. The remaining main variances against expenditure are as follows:

- £134k savings have been achieved on the Disproportionate High Needs costs and the Medical Home Tuition service, which transferred in-house in Sept 2019.
- £50k saving on Vulnerable Children. This is because there haven't been any pupils who have been proposed for transfer to mainstream due to the pandemic.

10. Deficit Position

- 10.1 The DSG forecast is a £1m overspend in year.
- 10.2 When added to the prior year deficit, the total forecast deficit on the DSG amounts to £2.7m. The DfE recognises that some authorities still cannot afford to pay off the historic deficit from the DSG over the next few years. In these cases, the DfE expects to work together with LAs to agree a plan of action to pay off its deficit. The DfE expects to approach selected authorities to begin discussions during 2020 and expand discussions to other authorities during 2021/22 and subsequent years.

10.3 The deficit sits largely within the High Needs and Early Years blocks.

11. Conclusion

11.1 The total forecast deficit on the DSG amounts to £2.7m, comprising £1.7m from previous years and a further £1m forecast over spend in year.
