Proposed timescales for inspection and resolution (from Draft Enforcement Policy)

<i>Priority</i>	<i>Inspect</i>	<i>Make first contact with responsible party</i>	<i>Resolution (if no legal notice required)</i>	<i>Other action</i>
Safety hazard or threat			<i>Within 5 days</i>	<i>Resolve the immediate safety issue within a working day, this might mean signage and fencing off a hazard, or closing the right of way.</i>
High	<i>3 weeks</i>	<i>3 weeks</i>	<i>3 months</i>	
Medium	<i>5 weeks</i>	<i>5 weeks</i>	<i>9 months</i>	
Low	<i>8 weeks</i>			<i>Log on database and monitor the priority. Responsible party may be contacted, to bring the offence to their attention, stating that action may be taken in the future.</i>
Ploughing and cropping surface disturbance of footpaths or bridleways.			<i>After cultivation, path surface must be made good to at least the minimum width within 14 days of the first disturbance or 24 hours after a second or subsequent disturbance.</i>	
Permanent obstructions			<i>Diversion to be considered, in accordance with the Statement of Priorities for path orders. Timescale governed by priority and resources for processing diversion applications.</i>	
Legal Notice required			<i>Time extended by period to be stipulated on the Notice, plus necessary officer time for preparation.</i>
