

Executive Resolution - July 2003

RESOLVED that:

- (1) the Council write to the Minister of Rural Affairs to urge the introduction of legislation banning recreational vehicles from The Ridgeway;
- (2) if the Minister provided a positive response, the surface of The Ridgeway be brought up to the standard required for walking, cycling, riding and where necessary agricultural use;
- (3) in the event of the Minister providing a negative response the Council should decide to either adopt the recommendations in the Ridgeway Management Group's Surface Improvement Proposals or to apply a Traffic Regulation Order across the West Berkshire section of The Ridgeway;
- (4) Officers should seek to identify suitable locations for off-road use by recreational vehicles and publicise these sites accordingly.
