Individual Decision No: ID1449 taken on 10 August 2007
Portfolio Member: Councillor Graham Jones – Leader of Council (including Partnerships)

Beenham Hill, Beenham – 30mph Speed Limit

Resolved that the recommendations set out below be approved:

- (1) The request by the Parish Council was carefully considered by the Speed Limit Task Group. Given the recommendation of the Task Group after having considered the existing traffic conditions, the recorded injury accident record, current speed limit criteria and the nature of the road it is recommended that the extension to the 30mph speed limit not be implemented. However a gateway feature could be installed at the start of the existing 40mph speed limit.
- (2) That the objectors be informed accordingly.

This decision is eligible to be 'called-in'. However, if the decision has not been 'called-in' by 5.00pm on 20 August 2007, then it will be implemented.
