Members of the Executive to answer questions submitted by Councillors in accordance with the Executive Procedure Rules contained in the Council's Constitution.

(a) **Question submitted by Councillor Phil Barnett to the Portfolio Holder for Planning and Transport:**

“Councillors from various councils along with residents worked tirelessly over many years in securing GATSO cameras being placed at strategic positions along many roads in the district, now to find they are either rusted, unusable, or even have not been active for several years. Therefore can the executive member for Highways and the Environment identify whether: 1/ these will be updated or replaced? And, 2/ if they are to be removed, what speed monitoring would be undertaken? Finally, do the Thames Valley Police's mobile speed reduction team have the resources to do more monitoring (if required)?”

(b) **Question submitted by Councillor Martha Vickers to the Portfolio Holder for Children, Young People and Education:**

“What is your response to the statement in the Children's Commissioner's fourth annual report on the state of Children's mental health services in England 2020/21 that Berkshire West was found to be one of the 10 CCGs nationwide with the largest increase in average waiting times for referrals to CAMHS from 2017/18 – 2019/20?”

(c) **Question submitted by Councillor Lee Dillon to the Portfolio Holder for Housing, Strategic Partnerships and Transformation:**
