## **Building Communities Together Partnership Terms of Reference**

### **1 Introduction**

Section 5 of the Crime and Disorder Act 1998 (“CDA”) sets out “responsible authorities” as including local authorities (including unitary councils), probation services, the police, the fire and rescue authority, and the clinical commissioning group, for the area. Together these bodies are commonly referred to collectively as a ‘Community Safety Partnership’ (“CSP”).

Section 6 of the CDA requires the CSP to formulate strategies in relation to the area in question to: reduce crime and disorder (including anti-social and other behaviour adversely affecting the local environment); combat the misuse of drugs, alcohol and other substances; and reduce re-offending.

Section 39 of the CDA requires local authorities to establish Youth Offending Teams (“YOT”) and for others, including the police and probation services, to cooperate in the discharge of functions relating to YOTs

Schedule 6 of the Counter-Terrorism and Security Act 2015 sets out “specified authorities” as including district councils and section 26 of that Act obliges a specified authority to have due regard to the need to prevent people from being drawn into terrorism in exercising its functions (the ‘Prevent’ and ‘Contest’ strategies).
