# Agenda Item 5

## **Public Questions to be answered at the Health and Wellbeing Board meeting on 23 February 2023.**

Members of the Health and Wellbeing Board to answer questions submitted by members of the public in accordance with the Executive Procedure Rules contained in the Council's Constitution.

### **(a) Question submitted to the BOB ICB Executive Director for Berkshire West Place by Paula Saunderson:**

*"It is now 2 years since I started to raise the poor record of Berkshire West Clinical Commissioning Group in relation to awarding Standard Continuous Health Care and it is pleasing to see the 4 slides in this Agenda item 10, however can the Board provide assurance that they will remember the plight of the self-funding dementia patients and their families in West Berkshire, ensuring that those not on the radar of West Berkshire Council's Adult Social Care also receive a fair deal for the later stages of this incurable brain disease?"*
