### **1. Background**

- 1.1 The Forward Plan attempts to cover all decisions, not just those made by the Executive, which the Authority intends to make over the next four months. The Forward Plan, attached as Appendix A, also shows the decision path of each item so far including Council, Executive and Individual Decisions.
- 1.2 Also attached for information is Appendix B - the Overview and Scrutiny Management Commission and Sub-Committees Work Programme.
- 1.3 Publication of the Forward Plan is a statutory requirement of the Local Authority.
- 1.4 The Portfolios for the 2012/13 Municipal Year will be announced at Full Council on the 10 May 2012 (after this report has been published) and it is therefore likely that some of the Portfolios will need to be amended after publication.
